RENEWAL OF WAR THOUGHT CERTAIN

REFUSAL OF TURKEY TO ACCEDE TO DEMANDS GIVES NO HOPE

RUPTURE OF CONFERENCE IS NEAR

Balkan Allies are Determined that Them Shall be Effective

LONDON, Jan. 18.—Turkey's decision, as indicated by dispatches from Constantinople tonight, refusing to cede Adrianople and the Aegean Islands, it is believed here, will lead to the resumption of hostilities within a week.

The Balkan allies, after considering the situation among themselves earlier in the day, had already decided to wait until the middle of next week for the answer of the porte to the joint note of the powers, and, if then the reply were not received or were unsatisfactory, to address a communication to the Turkish delegation in the form of an ultimatum, allowing Turkey 48 or 72 hours for a final decision.

Should Turkey at that time be unable or unwilling to come to the allies' terms, the Balkan delegates decided that a rupture of the peace conference was inevitable. Sofia, Belgrade and Cetinje would denounce the armistice, and in four days the war would be resumed.

MISS GRACE HOSTESS OF YOUNGER SET

Miss Florence Grace entertained members of the "Younger Set" at her home on Ninth and Washington Streets Friday evening. Five hundred were present, and Miss Ruth Brightbill won the prize. Those who enjoyed Miss Grace's hospitality were: Misses Selma Cross, Irene Hanne, Bell Matley, Mary Rose, Alice Moore, Madge Brightbill, Ruth Brightbill, Louise Walker and Ellen Grace.

TRIES TO SELL STOLEN WHEEL TO POLICE HEAD

After H. Chane, 16 years old, was arrested by Chief of Police Shaw Friday afternoon on a charge of stealing a bicycle. The boy who resides at 407 Stark Street, Portland, came to Oregon City Friday and went to the Chicago second hand store and was trying to sell the bicycle which is the property of George Decorey, who lives in the house where Crane lives, when Chief Shaw arrived. The boy tried to sell the chief the wheel. The boy first said that he lived in Lewiston, Idaho, and later said that he lived in Portland. Crane finally admitted the theft and gave his address. Shaw then telephoned to the Portland police and in the evening the boy's parents came to this city and he was turned over to them, his father promising to take the lad to the juvenile court in Portland.

MILWAUKIE TAVERN MAN PAYS \$200 FINE

Arthur J. Burns, proprietor of the Milwaukee Club, who was indicted by the grand jury Monday on the charge of maintaining a nuisance, and who was arrested by Sheriff Mass Monday evening, entered a plea of guilty and was fined \$200 and costs. In view of the fact that Burns pleaded guilty he may not be allowed to re-open his tavern. The Milwaukee Club has long been in the lime light, and the joy ride which had a disastrous termination at that place last Sunday brought matters to a climax.

FATHER FREED WHEN YOUNG CHILD DIES

The death of his youngest child brought freedom Friday to Ray Daly who was arrested several days ago on a charge of non support. When County Judge Beattie was informed of the death of the child he told Daly that he could go provided he would obtain work and care for his family. The man promised that he would do so and a position was obtained for him. He pleaded guilty to the charge of non support and consequently obtained his freedom through parole. He was instructed to report to the county judge at intervals. The charge against him was made by Mrs. C. L. White.

REV. SMITH TO SPEAK.
Rev. E. A. Smith will preach Sunday and Monday nights at Willamette. Dr. W. T. Milliken will preach Tuesday night and Dr. Rugg of Oberlin will speak Wednesday night. Mr. Smith will speak Thursday evening and Dr. T. B. Ford Friday evening. Special music will be given by the singers from the various churches.

ENTERPRISE VICTIM OF ELECTRIC WIRE TROUBLE

The interruption of the electric service by the snow storm Friday night and Saturday morning rendered it impossible to provide an issue of the Morning Enterprise. Even with all difficulties the paper was made ready for the press, but inasmuch as the wires were not repaired until almost 2 o'clock Saturday afternoon it was decided not to try to publish the paper. The fault was with the Portland Railway, Light & Power Company and not with the management of this paper. The paper has been in existence more than two years and the issue yesterday was the first one that has been missed.

SNOW STORM DOES MUCH DAMAGE HERE

One of the worst snowstorms that Oregon City has experienced in years began Friday afternoon and continued until Saturday morning. The storm which was more severe on the hill sections began earlier than it did in the down town sections where the river tempered the air and caused the earlier snow to melt as soon as it fell. The snow, which was unusually heavy and deep, caused many trees and wires to fall. The Pacific Telephone & Telegraph Company reporting at least 200 instruments in the city out of commission and a great many of the country phones out. The Home Telephone reports an equally bad condition. The wires carrying the electric current into the city went down early Friday evening and the city was without electric current until Saturday afternoon at 1:30 o'clock. The wooden awning in front of Reddaway's grocery store on Seventh and Monroe Streets fell at 5 o'clock Saturday morning and in falling caused the entire front of the building to fall with it. No one was hurt. Several other awnings on the hill were caused to fall by the weight of the snow. When the awning of the Oregon City bakery fell much glass was broken.

DERTHICKS GUESTS OF MRS. J. W. LODER

The Dertnick Club met Friday afternoon at the home of Mrs. John Loder, who was assisted in entertaining by Mrs. Lydia Olmsted. Mrs. J. P. Moffatt read the opera "Hans and Gretel" and Gustav Flechtner, accompanied by Mrs. van Brakel, played selections of the opera on the violin, which were much appreciated by those present. Mr. Flechtner and Mrs. van Brakel also played other selections. After the program refreshments were served by the hostess. Those present were: Mesdames W. A. Huntley, Ana Hays, C. H. Meissner, W. A. Dimick, M. D. Latourette, L. Adams, Fred Olmsted, J. E. Hedges, Eber A. Chapman, S. O. Dillman, Leon Des Larzes, Theodore Osmond, J. P. Moffatt, J. F. Clarke, L. L. Porter, John Loder, Carl Joehanne, Lidia Olmsted, and Misses Marjory and Muriel Stevens.

NEIGHBORS SAVT HOME OF LIBERAL RESIDENT

The residence of George Denely of Liberal caught fire at 3 o'clock Friday afternoon and was saved by the hard work of the neighbors from total destruction. The fire is supposed to have started from a defective flue. Little damage was done to the house other than severely smoking and charring some of the rooms. The furniture was ruined.

JOHN W. REED, MAYOR OF ESTACADA, QUILTS

After serving the city of Estacada faithfully for five and one half years, Mayor John W. Reed tendered his resignation and it was accepted by the council at the regular meeting held Tuesday night. J. S. McCurdy, a merchant, was appointed to serve the remainder of the unexpired term, which ends July 1. Roger W. Gary and Alexander E. Sparks, pioneer residents of Estacada, were appointed to fill the vacancies made by the resignation of Aldermen W. A. Jones and William Underwood. Mrs. Myrtle M. Miller sat for the first time with the council and took an active part in the discussion of various measures that came before that body.

The city has voted a special tax of 10 mills for the purpose of grading and macadamizing a number of the principal streets and a special assessment has been made providing funds for the construction of lateral sewers, which will involve the expenditure of several thousand dollars on these two improvements as soon as the work can be done. The present council plans to order new sidewalks, and the maintenance of clean streets and alleys, with a view of setting a new record for civic improvements. A committee of private citizens has been appointed to act in conjunction with a like committee from the council to supervise the various plans outlined with a view of putting to the best use the funds available for the new work.

DIMICK LEADS WAR AGAINST GOVERNOR

CLACKAMAS SENATOR FIGHTS FOR BILLS VETOED BY STATE EXECUTIVE

ALL INSTITUTIONS TO BE PROBED

West is Defeated by Big Majority on Two Bills Passed by Senate and Sent to House

SALEM, Jan. 18. (Special.)—The legislature adjourned Friday afternoon until Monday at 2 o'clock after several new records in legislative achievements had been made. During the first week of this session there were introduced a total of 225 bills compared with 66 bills of the first week of the last session. Of this number 150 were introduced in the house and 75 in the senate. Members of the Clackamas County delegation were busy Friday although only one bill was introduced by a member of that delegation. The bill was introduced by Schuebel and provides against profanity and disorderly conduct outside incorporated cities and towns.

Senator Dimick led a fight for bills vetoed by the Governor. These bills were championed by Governor West. The Governor was defeated by an overwhelming majority on both bills which were sent to the house. Senator Dimick declared the present system was essentially wrong and without a redeeming feature as to the provisions relating to deficiencies and attacked institutional heads as well as the honor system of the Governor.

A sensation was created in the house when Llewellyn of Linn County introduced a resolution calling for investigation of all state institutions. (Continued on page 2.)

O D Eby Elected Vice President and Frank Busch Treasurer—Reports are Gratifying

A signal honor was conferred upon R. T. McBain Saturday evening when he was re-elected president of the Commercial Club. The vote was unanimous and Mr. McBain was cheered enthusiastically when he started to make his speech of acceptance. After the reports of the various officers had been made, including a gratifying one by O. E. Freytag, manager of the promotion department, Hon. Harvey E. Cross, who had been mentioned for the presidency, declared that Mr. McBain was the one man best fitted for the office. Mr. Cross in a graceful address told what Mr. McBain had done, and declared it would be to the interests of the club, the city and county that Mr. McBain be retained in the office.

T. W. Sullivan, on behalf of the club, then presented the president a handsome pin, declaring that Mr. McBain had been an untiring worker for the interests of the community. He agreed with Mr. Cross that it was an honor due a worthy officer to reelect Mr. McBain. Others paid compliments. (Continued on page 3).

"The Cowboy From Texas"

PROLOGUE OF
"THE COWBOY FROM TEXAS"

This is an interesting, exciting and catchy little comedy plot, in which a romantic, novel-reading young lady falls in love with the hero of her story, who is a cowboy from the wild and woolly West. She insists that her sweetheart shall become a cowboy, but he positively declines. In the meantime he invents a story of a friend in town, just from Texas, who will probably answer all requirements. He then impersonates the cowboy, and with his wild rough actions completely takes the fancy of a cowboy out of the young woman (he incidentally introduces a singing and dancing, lariat-spinning specialty), changes costume and returns ostensibly to bid his sweetheart good-bye by saying that he is off for Texas to become a cowboy for her sake. She begs him to remain home, and they are finally engaged to be married. This act is up to the standard and out of the ordinary, replete with singing and dancing and classy wardrobe. I might add, that this same act played here three years ago to packed houses.
