"A demonstration? "Yes. Frank thought the boss

couldn't run his business without him, and the hoss is demonstrating that he

LOCAL BRIEFS

The Sunday edition of the Eugene Register was edited and published by the journalistic class of the Univer sity of Oregon, on which were several Oregon City students. Wallace Mount acted as sporting editor and Evelyn Harding was one of the society editors. This is a new departure in the University journalism class and it is evident that such work will prove of great practical value to the students. The paper was spicey and very well gotten up.

E. E. Brodie has been appointed as one of the board of inspectors of the Oregon State Editorial Association, Journalism Department.

Donald Lewis, members of The Dalles calves. Bulls and stags steady. school debating team left Sunday for their homes in that city. Harry Kerbison, who has been ill in the Good Samaritan Hospital of typhoid fever has been taken home.

Born to Mrs. Rakel, wife of August Rakel, a fine baby girl at 9 o'clock Monday morning. Both mother and daughter are doing nicely.

Mr. and Mrs. Rhea Cole have re turned to this city after spending a week on their honeymoon in the cities of Puget Sound.

Mr. and Mrs. E. E. Brodie are suf-

at the Enterprise office tomorrow. Miss Judith Hedges, daughter of Mr. and Mrs. Gilbert Hedges, is rapidly improving from an attack of ty-

puoid fever. J. E. Stevinquist, of Stockholm, Saskatchewan, is in Oregon City looking over the city and county.

F. R. Rogers and wife, from Chicago, were registered at the Electric Hotel on Sunday.

W. C. King, of St. Louis, who was in Oregon City on business is staying at the Electric Hotel.

Miss Ellen Grace has returned to her home after visiting Miss Caroline Clark of Portland.

Mary Ellen Long spent Sunday in this city visiting her home and returned to Salem Monday.

R. P. Caufield and Bothwell Avison have returned after spending the week end in Camas, Wash.

H. A. Montgomery has returned to this city after visiting friends in Spo-

BILL MAKES FENCES

WASHINGTON, Jan. 27.-Representative French has introduced a bill, and 4, block 1; lots 9, 10, 11 and 12, the provisions of which are calculational description of Windsor; \$10.

the provisions of which are calculational assessor of the county in which the same is claimed or appropriated, as timbered areas from the hardship ennecker and wife, southwest quarter tailed by the present law as to cultivation. It is obvious that a settler on heavily timbesed land or on lands once heavily timbered, cannot cultivate the number of acres required under the three-year homestead law, endar year; and appeals to the eScretary of the Interior, who is allowed considerable vation, has brought out his decision that at least ten acres must be cultivated in timbered areas.

The French measure provides that in these cases, as well as in all others except those under the Kinkade of cultivation the entryman may make improvements upon his entry by constructing fences or buildings, by slashing, clearing or in other ways or holding corporation, tenant or preparing the land for cultivation; by planting orchard or by otherwise

NEW YORK, Jan. 27.-Men, not omen, are responsible for the organized commercial social evil in country, is the opinion of John D. Rockefeller, Jr. "It is a man's buslarge.

These views were expressed in a to 8c; sheep pelts 75c to \$1.50 each. FEED—(Selling) Shorts, \$26; bran ler today, giving further details of \$24; process barley \$27 to \$28 per ton. through which Rockefeller and other philanthropists hope to attack and alleviate conditions which he considers "the greatest single menace to the perpetuation of the human race."

"The idea of establishing a permanent organization to cope with the social evil in this city," says the statement, "was the outgrowth of my serving six months as foreman of the 'white slave' grand jury, appointed in New York City at the beginning of 1910. I came at that time to realize the extent and horror of the evil and to believe that it constituted one of the great world problems of the day.

Rev. Smith Preaches.

Rev. E. A. Smith preached to a arge audience Monday night at Willamette, Dr. W. T. Milliken will preach tonight. He will be assisted by members of his choir who will render solos. Dr. Rugg will preach Wednesday evening.

THE HIGHER DUTY.

There is a higher duty than to build almshouses for the poor, and that is to save men from being degraded to the blighting influence of an almshouse. Man has a right to something more than bread to keep him from starving. He has a right to the aids and encouragements and culture by which he may fulfill the destiny of a man, and until society is brought to recognize and reverence this it will continue to groan under its present miseries.

If you saw it in the kinterprise it's

Schuebel Would Assess Water Rights

Representative Schuebel has intro-

ed the following bill: By Representative Schuebel-A bill for an act to provide for the assessment of appropriated water powers and of public service corporation franchises; to declare who shall constitute the Board of State Tax Commissioners; to declare what are public service corporation rights, powers and duties, as trustees for the people; to prescribe penalities for violations thereof, and to repeal all acts and parts of acts in conflict herewith.

Be it enacted by the people of the State of Oregon

Be it enacted by the Legislative As-Section 1. That all water powers claimed or appropriated in Oregon, and all improvements connecetd therewith and belonging thereto, shall be assessed by the county assessor in the county where the same Mr. and Mrs. Frank White, of Port- land and a special car will convey the are situated. The value per horseguests of that city to Oregon City. power of the water claimed or appropriated shall be listed by the county assessor in the assessment store for the guests. Thomas Sinnott, roll in a column separately from the value of the land and improvements in connection therewith.

Section 2. Every franchise of publi service corporation operated in more than one county shall be assessed and listed for taxation by the Board of State Tax Commissioners, \$1. separately and apart from the assessed value of the property of the corporation consisting of buildings, improvements, machinery, rolling stock and all all other kinds of real and personal property. The proportion and amount of such assessed franchise value in each county in which the corporation operates, shall be certified Commissioners shall consist of the Governor, State Treasurer and Secretary, only, and the governor shall be chairman thereof; and said board shall employ such clerical and expert assistants as may be necessary.

Section 3. Every person, firm, cor-poration or association claiming or appropriating any water for power purposes shall report on or before March 1st in each year, to the county

follows: (1) The total amount of horsepower claimed in the preceding cal-

endar year; (2) The total amount of horsepower developed in the preceding cal-

(3) The total amount of horsepower sold, for power, lighting, or discretion as to the amount of culti- any other purpose, in the preceding calendar year and the average price per horsepower charged thereof.

(4) If any such horsepower be sold to or used by any department, branch, subsidary or holding corporation, tenant or servant of the claimact, and the reclamation act, in lieu ant or appropriator, the total amount of horse power so sold or used, and the price per horsepower charged such department, branch, subsidary

Section 4. The county assessor is making the homestead capable of hereby authorized to employ expert production, said improvements to ag- assistants to examine the books of gregate an amount each year of not account, and to compute the horseless than \$1.50 per acre, except in case of entries under section 6 of the enlarged homestead law, when these improvements may be in excess of such report to the county assessor. Said expert assistants shall act under his life had he received such exce The bills and expenses for the same mills. shall be audited and paid by the county court; provided, that no con-tract fixing the rate of compensation Secretary Osmund, of the same mill for any such assistants shall be valid were called upon to explain the sountil after it has been approved by called 18-hour shift which is used on sonable facilities to the county ases-

sor and his assistants during busi- reduced shortly. Section 5. If any claimant or appropriator of water for power shall that this shift should be stopped or fail or refuse to comply with any provision of this act, upon convistion thereof he shall be punished by a fine of not less than fifty dollars nor be taken up with the stockholders fine of not less than fifty dollars nor be taken up with the stockholders more than two hundred dollars for and directors of the company. Frank every such offense, or by a fine and imprisonment not exceeding thirty days, in the discretion of the court. Each day of such failure or refusal shall be deemed a separate and dis-

tinct offense. Section 6. The name "public service corporation" within the mean and Dimick. this ing of this act, includes every person or corporation having a f ranchise from the state or any municipality, iness run for profit and the profit is to serve the public, or which in fact serves the public, as a quasi public corporation, or which, to enable it statement made public by Rockefel- to serve the public, is granted the right of eminent domain. Municipal-

ities are not within this definition. Section 7. No public service corporation owns or shall own vested property rights in its franchise, but holds and exercises its franchises all its corporate rights, powers, duties and privileges as a trustee for the people of Oregon and for the people of every county and municipality in which it operates or by which it is granted or allowed by any corporate powers, rights, privileges, permits, licenses or franchises. Section 8. All acts and parts of acts in conflict herewith are hereby
