certainty on that point. If the matter goes over to a Democratic Congress and administration the fate of the memorial will be in profound doubt. The average Democrat pretends to venerate the memory of Lincoln, but would a Democratic Congress appropriate \$2,000,000 for any such purpose? The friends of the Potomac Park plan must be more active than they have been hitherto if they want to secure its enactment during the life of the present administration. After all the talk about it preceeding and succeeding the Lincoln centenary in 1909, the delay in concrete action to this late day is a discredit to the

A building of three or four stories might be erected by the city on its half lot on Main Street between Seventh and Eighth Streets. The ground floor could be rented as a store room, the second floor divided into office should coerce the Senate into an spaces in which all of the city offices agreement on that line. Mr. Taft has might be placed, and if any offices were not occupied they could be likewise rented. On the third floor, the council room could be located with \$200,000,000 ASKED men's meetings and club rooms. The fourth floor would serve as an excellent home for the Commercial Club, which, while it is no way connected with the city in a legal way, is nevertheless an organization of the city and for the good of the city. The the jail, or moved to some convenient side street where the ground is not as valuable.

By this plan the city offices would be centralized and the city would not only be saving a great deal of money that is now being paid out in office rent, but it would be able to pay the maintainence expenses of the building from money derived from rents, such as the lower and top floors. The building would serve as a beautiful asset to the city and would further the plans of a city beautiful.

Oregon City Commercial Club has already chosen a successor of Judge R. B. Beatle, who is expected to land the United States Marshalship. The Commercial Club has indorsed C. W. Risley for county judge. Any hope that W. H. Mattoon or Nick Blair, county commissioners may have had for promotion is thus settled .- Estacada Progress.

The above is an echo of county division. Ine Oregon City Commercial Club has not indorsed C. W. Risley for County Judge in case Judge Beatie should be made United States Marshal. The Clackamas County Automobile Club, however, has indorsed Mr. Risley for the place. Our esteemed contemporary should state facts. As for Commissioners Mattoon and Blair, the Enterprise is confident either would make a good Couty Judge. We would like to see both of them promoted. They are capable, industrious and honest men.
