WAR BETWEEN TURKS AND ALLIES RESUMED

LONDON, Feb. 4 .- The Times says that a report is current among some of the Balkan representatives that the Porte has already telegraphed to Sofia offering to cede Adrianople on the conditions laid down, and that Bulgaria is ready to accept. This report has not been confirmed at the Bulgarian legation here, but it is not incredible

LONDON, Feb. 3.—The Balkan war has been resumed. The bombardment of Adianople was begun at 7 o'clock tonight, and a small skirmish occurred at the Tchatalja lines. The armistice has lasted exactly two months

Bulgaria has turned a deaf ear the remonstrances of the powers, and unless Turkey yields to the Balkan demands, the allied armies will now attempt to drive her completely out of Europe

According to a dispatch tonight from Belgrade, Scutaria already is on the point of falling. It is reported that the Turkish commander has sent two representatives to the Servian commander to propose the capitula-tion of that town.
