BILL TO ANNEX MILLS DEFEATED

Senator Thompson led an assault on the Dimick bill, declaring that it was an attempt to invade the sacred rights of private property without the consent of the owners and that to force into the confines of a city unwilling people was a form of political policy not to be tolerated.

Senator Joseph for a long period in a humorous vein picked to pieces the Dimick bill, referring to the effort to bring into Oregon City under the provisions of the bill an island surrounded by navigable streams whether natural or artificial as "an effort to capture an island."

The vote which was due on the bill early in the afternoon was delayed by the discovery that Senator Miller, who was expected to vote with Dimick, had disappeared.

The sergeant-at-arms and two pages were sent out to scour Salem for him and the vote was not taken until 5 o'clock.

Miller was still missing and his whereabouts were unknown. He was expected to have voted with Dimick.

PRODUCE EXCHANGE URGED IN PORTLAND

A strong effort is being made to establish a produce exchange in Portland. Not only is the project being backed by some of the larger buyers of that city, but by some of the leading country shippers have signified their intention of supporting such an institution.

The proposed organization is intended to make official prices for the various lines of produce, especially butter, eggs and cheese. This is one of the few markets that has no such organization at this time and at times there has been much need of it.

According to the promoters, the organization planned will be absolutely square to shipper and buyer alike. The quotations will be made on actual business that passes on the board and the secret prices of other organizations will be eliminated.

Under the plan given out by the promoters all prices will be made in public and anyone will be allowed to see them. The promoters are trying to launch the project for the immediate future and expect to have the organization in working order soon.

Prevailing Oregon City prices are as follows: HIDES—(Buying) Green salted, 7c to 8c; sheep pelts 75c to \$1.50 each.

FEED—(Selling) Shorts \$25; bran \$24; process barley \$27 to \$28 per ton. FLOUR—\$4.50 to \$5.

MILLWORKER BADLY HURT.

While working on the mill of the Hawley Pulp & Paper Company which is being constructed by the Hurley-Mason Company, H. Rendell, of this city, received a painful injury to his back. Rendell, who lives at 609 Tenth Street, was struck by a scaffold. His injuries are serious.

JORDAN FAILED TO RECOGNIZE HIS OLD SIDE PARTNER.

Patsy Donovan and Harry Lumley represented the "Association of Pastors, Brooklyn Managers" at the recent National league meeting in New York. Lumley has grown thinner and now owns a curly blond mustache. The brush disguised him so well that even his best friends did not recognize him at first.

Lumley and Tim Jordan played together for years in Brooklyn and the "Judge" was Tim's manager there in 1903. Lumley walked up to Tim at the Waldorf and said: "How you hitting 'em, old top?"

"Pretty good, young fellow," replied Tim stiffly, and then he called Bill Dalien aside and inquired, "Who is that fresh guy kidding me about my batting average?"

Just then Tim got a profile view of the supposed stranger and recognized him as Lumley.
