## Stories from Out of Town

### REDLAND.

Schwartz and son have taken a tie contract and will start their mill in a few days.

The Kilmer and Hingle mill is closed for the present.

Mrs. Cassie Lawrence, who has been ill for a long time of rheumatism is slowly improving.

A. Hubert was taken to Portland Monday and is in a serious condition of blood poisoning.

Grandma Storm is very sick with a cancer. She is with her daughter, Mrs. Nell Smith.

Mrs. Hinkle, who has been sick for some time is improving.

### STAFFORD

Saturday was a pleasant day and Sunday, the second, a beautiful day, ending in a rainy Oregon drizzle, which seemed bound to remain with us for the allotted six weeks more of winter. However, we feel assured of heavy crops next summer, especially of fruit.

Louis Nemece, who was taken to the Oregon City Hospital two weeks ago, suffering with typhoid fever, is not out of danger yet, but his many friends hope for a speedy convalescence when the crisis is past. His mother is very anxious about him.

Mrs. Gage returned from her daughter's at Portland on Wednesday of last week.

The Delkar Bros. got up a wood bee for Mrs. Nemece and nearly every house sent a delegate and in a few hours they made about 20 ricks of stove wood for her. It was a complete surprise to her and she appreciated the kindness.

The Church of God have been holding a series of meetings at the chapel.

The supervisor has been blasting stumps and tearing things up generally, opposite Mr. Gebhardt's and in front of Adolph Delkar's.

Mr. Gebhardt worked Tuesday at the school house, changing seats from one room to the other, putting on new locks to doors, etc., and Mr. Weddle bought a new stove for the primary room. Miss Boeltje has so many pupils her room could not accommodate them well, and as there were fewer of the higher grades they decided to make the change.

Mr. Larkins, the principal has been sick since Saturday, therefore there has been no school in his room this week, but he hopes to resume his duties in a few days. He had taken a heavy cold and was threatened with pneumonia.

A stock buyer and his assistant were in Stafford Tuesday looking for fat stock, milk cows, etc. They got one of Mr. Roedin, opposite the store and one of Mr. Gage, paying for each \$37.50. There are not many milch

cows for sale, as most of the farmers about here separate their milk and a man comes certain days every week and gathers up the cream, making it easier for the housewife than to churn and sell butter.

The Parent-Teachers' Association held their monthly meeting at the school house on Friday, the 31st, with the president, Mrs. Seeding, in the chair and enjoyed a very pleasant afternoon discussing subjects of interest and examining the pupils' work in arithmetic, composition and map-drawing, all of which was very creditable. Professor Gary and Mr. Calavan were present and gave some very good talks.

A poor old county charge, who name even had been lost, as he had been known for years as Old Joe, was found huddled up in the corner of his room dead Friday morning, by Fred Baker, with whom he had been living for a year or two.

Mrs. Aerni was sick on Tuesday but able to be about the house next day. She was thrown from her buggy a couple of months ago, when the horse ran away and has been subject to these sick spells since.

George Seely who has been ill for sometime is no better.

Mrs. Cronin has been having a seige with la grippe.

Mr. Eastman, a real estate man of Oregon City, was in Wilsonville on business Monday.

Options for right of way for a flume through Corral Creek have been taken this week.

The Wilsonville basket ball team is forging ahead and is seldom defeated. The game Saturday was another scalp added to the belt of our village team.

Mr. and Mrs. William Turner of the Rose City visited at the home of Mrs. Turner's parents, near our village last week.

H. D. Say, S. Kelso, Aaron McConnell and other names of residents here appeared on the jury list last week.

The old shed near the school house is soon to be torn down so we are told. This will add much to the appearance of the beautiful new school house which can easily get in on the class "A" list.

The ladies aid society of the M. E. church is embroidering a beautiful autograph quilt, inserting names at 10 cents each.

The booster number of the Morning Enterprise has arrived and is surely a credit to Oregon City as well as to Clackamas county. The job printing and photographic scenes are works of art, the quality of paper is away above the average used for such purposes and altogether the newsy sheet encased in the yellow cover and containing authentic statistics of this rich old country, makes up a booklet which we will all be proud to forward to our friends.

Mr. Coleman, our city blacksmith, who has been laid up for the past three weeks with a sprained ankle will be able to resume his duties Monday.

Mrs. N. W. Young spent a part of Saturday at the bedside of her sister, Miss Hayman, who is confined in the hospital at Oregon City, after a severe case of typhoid fever. Miss Hayman is much better and Mrs. Young expects to move her by boat to her home at Wilsonville Saturday.

George Seely who has been quite ill for the past few weeks now, has a good trained nurse and is some better.

Died at her home between Wilsonville and Malatine, Monday night, January 27, Mrs. McConnell. Mrs. McConnell leaves a three weeks' old babe, besides her husband, three other children and a host of friends and relatives to mourn her loss. The funeral was at Pleasant Hill January 29.

Mrs. Barnes of Mallory, who is still under the doctor's care is able to be about and attended the lecture at the M. E. church by Dr. Young.

The basket ball game at Wilsonville Saturday was 25 to 42 in favor of our boys. The boys are becoming noted and will play a team in Oregon City Saturday, February 8.

Dorris Young and a party went to see Madame Bernhardt, Monday.

Mr. and Mrs. Joe Thornton entertained fourteen friends at a crab apple supper at seven o'clock Wednesday evening, after which the party played progressive five hundred until

the small wee hours of the next day.

Mrs. M. C. Young and Joe Thornton as partners carried off first prize and Joe Thornton taking most points as an individual. The invitations read "crabs at seven" and promptly at the hour the guests met the smiling Mr. and Mrs. Thornton at the door, who were received in their very home where the table was with a crab for each guest, besides salads, crackers, cheese, pickles, white bread and yellow butter, apple and delicious home made lemon pie, cakes of a dozen kinds and pepering hot coffee two or three each, and it is needless to say that the best of food prevailed which made a splendid beginning for a good few hours of sociability.

Among the guests were Mr. and Mrs. Jake Peters, Mrs. H. Aden, Mr. and

Mrs. M. C. Young, Mr. and Mrs. N. W. Young, Miss Kate Wolberton, Mrs. George Stanged, D. S. Young and Master Wallace Young.

Henry H. Yost and Harry Heater have each got telephones connected with the Farmers line.

Residents here are tired of wallowing in the deep mud and are planking the road from Cone farm house to past the Grange Hall. A very welcome improvement.

The Maple Lane Improvement Club met Wednesday with Mrs. A. Splinter. They have purchased plank for a sidewalk for school children and others.

**YOU CAN WRITE PHOTO PLAYS AND EARN \$25.00 OR MORE WEEKLY**  
**We Will Show You How**

If you have ideas—if you can THINK—we will show you the secrets of this fascinating new profession. Positively no experience or literary excellence necessary. No "flowery language" is wanted.

The demand for photoplays is practically unlimited. The big film manufacturers are "moving heaven and earth" in their attempts to get enough good plots to supply the ever-increasing demand. They are offering \$100 and more, for single scenarios, or written ideas.

We have received many letters from the film manufacturers, such as VITAGRAPH, EDISON, ESSANAY, LUBIN, SOLAX, IMP. REX, RELIANCE, CHAMPION, GOMMET, MELIES, ETC., urging us to send photoplays to them. We want more writers and we'll gladly teach you the secrets of success.

We are selling photoplays written by people who "never before wrote a line for publication."

Perhaps we can do the same for you. If you can think of only one good idea every week, and will write it as directed by us, and it sells for only \$25, a low figure.

**YOU WILL EARN \$100 MONTHLY FOR SPARE TIME WORK.**

**Free! SEND YOUR NAME AND ADDRESS AT ONCE FOR FREE COPY OF OUR ILLUSTRATED BOOK, "MOVING PICTURE PLAYWRITING."**
