BROWNELL AND DIMICK CHURCH SPEAKERS

The Brotherhood of the Methodist Church had its first regular meeting and banquet Tuesday evening in the Sunday school rooms of the church. About 40 enthusiastic members of the organization and their friends attended the meeting of the brotherhood and assisted in completing the organization. A delicious banquet was served by the women of the church to the men during the course of which music was furnished by the "Ever Ready" quartette and by the "Men's Chorus" of the church. The music of both organizations was well received. The speakers were introduced by the president, Charles F. Hageman.

George C. Brownell gave one of his usual common sense talks. He said that he believed it the duty of every man to help the down trodden. It was this that made Lincoln the great man that he was, said Mr. Brownell. He stated that from the beginning of civilization it had been the custom of people to band themselves into tribes or brotherhoods and now the modern church brotherhood is but another manifestation of the old idea.

Grant B. Dimick in his usual happy vein gave a splendid talk along the lines of fraternity and Christian brotherhood. The address was frequently applauded. Judge Dimick said that he admired the man who had the courage to stand for his convictions. Dr. T. B. Ford made a talk on the new brotherhood movement. Other speakers were G. L. Snidow, Professor G. R. Rowland of Willamette, Dr. Hempstead and Richard Harrison.

MISS KIRKE BECOMES BRIDE OF MR. SMITH

Miss Julia Kirke and George W. Smith, of Canemah, were married Sunday. The ceremony was performed at the home of the bride's parents, by Justice of the Peace Samson. Edward C. Smith stood with the bride, while Miss Hazel L. M. Cole attended the bridesmaid. The bride was beautifully gowned in a dress of pale blue silk trimmed with pearls, while Miss Cole was charming in a pink silk trimmed with white fur. Immediately following the ceremony a delicious dinner was served. There were 28 guests. After a brief honeymoon the young couple will return to Canemah to live.

MACCABEES WILL HONOR GREAVES

The Knights of the Maccabees, at a meeting Tuesday evening, decided to give a banquet in honor of Harry Greaves, the most successful organizer the lodge ever had. The dinner will be given on the evening of February 25, and will be the most elaborate one ever held by the lodge. It is probable that Mr. Greaves will be substantially remembered. The meeting will be open not only to members but their lady friends. The Knights next Monday night will be the guests at an initiation of Lodge No. 17 Portland. Three candidates were initiated at the meeting Tuesday night.

NOTED AUTHOR TO ADDRESS BAPTISTS

Dr. Samuel Zane Batten, author of "The Christian State," pastor, orator, lecturer and teacher, will speak to men at the Baptist Church Friday evening of this week. Dr. Batten is the secretary of the General Baptist Brotherhood and Social Service movement and holds the same place in Baptist ranks that Mr. Stehle does in the Presbyterian Church. He is a speaker of international fame and brings a message well worth listening to. A banquet will be held by the Brotherhood at 7 o'clock, the women of the church serving, and at the close Dr. Batten will give his address. The coming of Dr. Batten is one of the rarest privileges, as he seldom visits any church outside the larger cities. A large attendance is expected.

C. T. TOOZE SUES TO RECOVER PROPERTY

C. T. Tooze, through Cross & Hammond, has filed suit against the Montague-O'Reilly Company to recover land in block 13 Oregon City, which he avers he leased the defendant company. He declares that when the lease was made the company promised to straighten out and fill in with gravel a portion of the property bordering on the river. The property is at Fourteenth Street. Mr. Tooze says the promise has not been kept and he wants possession of the property and asks \$268.50 damages. The property was leased by the company for use in paving Main Street from Moss Street to the Abernethy.

OREGON CITY TO TRY TO REGAIN LAURELS

The Oregon City High school basketball team and the Woodburn team will play Saturday night at the armory in this city. The game is expected to be fast and furious. Another game will be played the same evening between the Company L team and the Logan team. In a recent game with Woodburn Oregon City was beaten by a score of 48 to eight. The Oregon City players alleged their defeat was due to the floor being waxed. The game was played in Woodburn on a floor that had been waxed for dancing.

HUMANE SOCIETY HAS CLACKAMAS MAN ARRESTED

Charles W. Holdenberg, of Clackamas, was arrested Tuesday evening by Policeman Griffith on a charge of having his horse hitched at Eighth and Main Streets longer than is provided by a city ordinance. The complaint was made by C. G. Caulfield, representing the Humane Society.

WEST VEToes BILL REGARDING JURIES

SALEM, Or., Feb. 11.—For the first time in this session of the Legislature Governor West swung the veto ax to-day and lopped off the head of house bill 98, introduced by Representative Mann. This bill was for the purpose of relieving circuit judges from reading certain statutes when instructing grand juries.

"I do not deem it wise to do away with the long-existing practice of requiring circuit judges to read certain of our criminal statutes when instructing grand juries," says the Governor in his veto message to the House.

"The members of that body come from every walk in life, and may not be learned in law. It is therefore most important that it be made the duty of some one in whom they have confidence to point out and read to them those criminal statutes which have a direct bearing upon their duties as grand jurors."

That this veto is of more importance than attaches to the bill itself is the belief of many of the Legislators, who see in the Governor's determination to hew to the line in the use of his veto ax and let it fall on every bill that he does not think is for the public good, regardless of the attitude of the Legislature.

All other bills that have reached him, excepting one which he still holds, have been approved. But they have not been of really large importance. The remaining bill in his hands is the one increasing the salary of all circuit judges to \$4,000 a year. It is believed to be not at all unlikely that it will meet the same fate as house bill 98.

MRS. LATOURETTE TO READ PAPER AT CLUB MEETING

At a meeting of the Woman's Club to be held tomorrow afternoon in the parlors of the Commercial Club a paper will be read by Mrs. D. C. Latourette on "The Laws and Lawmakers of Oregon." The paper was partly given last year by Mrs. Latourette and proved to be one of the most interesting papers that was ever read before the club. It is expected that all members of the club will be present.

BEST WATER OBTAINED FROM MILL WELL

The Willamette Pulp & Paper Company, in one well it is boring, at a depth of 150 feet, found a fine vein of water. The first 35 feet was easily bored through earth, but the next 105 feet was through solid rock. The boring apparatus is still in operation and the contract calls for a depth of 200 feet. B. T. McIlain, mill manager of the Willamette Pulp & Paper Company, said that with the water 80 feet in the first well a larger well would supply a large part of West Oregon City and that there are to be six wells sunk. Oregon City may look forward to a clear, pure supply from the West Side, if pure water cannot be found elsewhere.
