## MADERO ACCUSED OF WASTING MONEY

DEPOSED PRESIDENT OF MEXICO CHARGED WITH DEPLETING TREASURY

### ACCOUNTING WILL BE ASKED SOON

Former Chief Executive Hears Applause of Crowd For Successor—Huerta Is President

MEXICO CITY, Feb. 20.—That Francisco Madero will get out of Mexico without having to face official investigation on one charge or another appears improbable.

He has already been charged with responsibility for the death of Colonel Riveroll, whom he is alleged to have shot at the time of his arrest in the palace.

A committee of deputies now has asked that Madero be forced to account for money expended by the administration. This committee called on President Huerta this afternoon and urged that Madero be held accountable for the depleted condition of the treasury.

The last details of the organization of Mexico's new government were completed at 4 o'clock this afternoon, when the members of President Huerta's official family took the oath in the yellow room in the palace immediately above that occupied by the deposed President and Vice-President. Unable to witness the scenes from their rooms, Madero and Suarez were able to hear the plaudits of the crowds in the streets and in the big square in front and the bugle calls of the united army. Significant of the birth in battle of the new administration was the frank display of soldiers and the effect on the crowds was not lost. It served as a reminder that even if it were not a military dictatorship

## HONEST BUSINESS URGED BY WILSON

PRESIDENT-ELECT DECLARES MEN ON SQUARE NEED NOT FEAR

### NEW LAWS WILL NOT HURT INDUSTRY

Governor of New Jersey Gives Indication of What He Will Do When Elevated To Presidency

TRENTON, N. J., Feb. 20.—"Honest business and honest men have nothing to fear."

This is the assurance which President-elect Wilson gave today in a lengthy statement explaining the enactment into law of the seven anti-trust bills which he signed yesterday.

"Those who would engage in the heartless practice of ruining rivals and filching from the pockets of the people more than they ought reasonably to demand," said the governor, "are the only ones who will have cause to regret the enactment of these measures. I predict that under them the people of New Jersey will enter upon a new era of prosperity. I congratulate the Legislature and the people on their passage. These laws mark a new era in our business life."

"Senate bill No. 43, the act defining trusts and designed to promote free competition and commerce in all the phases of business," continued the governor, "makes it criminal to make an agreement which, directly or indirectly, precludes a free and unrestricted competition."

## FISHERMEN WIN GREAT BATTLE

BILL TAKING AUTHORITY FROM COMMISSION PASSES BY GOOD VOTE

### MALARKEY GIVES MEASURE AID

Oregon City Men Will be Allowed to Fish Within 600 Feet of Falls Hereafter

SALEM, Feb. 20.—(Special.)—The Schnebel bill taking authority from the Fish Commission to set the dead line for commercial fishing at the falls at Oregon City passed the House today with 23 votes in its favor. This leaves the line at 600 feet below the fishway, as set by law and the Fish Commission cannot change it. The bill came into the Senate with a majority report by Farrell, Butler and Smith of Coos, in favor of its passage and a minority report by Lester and Von Der Hellen.

Senators Joseph and Bean were strong in favor of the minority report and declared that the Oregon City fishermen wanted to scoop the salmon up the holes under the falls. They declared the whole matter should be left for the Fish Commission to regulate, as the Legislature was unable to legislate for local matters. Just at the time when the passage of the bill looked most doubtful, President Malarkey came to the rescue of Senator Dimick and took the floor, exercised his prerogative as Senator from Clackamas and Multnomah. He stated that Master Fish Warden Clanton was no longer opposed to the passage of the bill and would not fight it in spite of the statements of Joseph and Bean. The majority report was finally adopted by a good majority, and the bill later passed with 23 votes in its favor. With the Governor's signature attached the Fish Commission will no longer have authority to say how near the falls the commercial fishermen can ply their trade. The legal distance is 600 feet below the fishway. The com-

## HOMAGE IS PAID FIELDS' MEMORY

FUNERAL AT ELKS' HOME ONE OF LARGEST EVER HELD HERE

### EXALTED RULER O'MALLEY IN CHARGE

Eulogy of Dead Man Given by Rev. C. W. Robinson—Interment is in Canemah Cemetery

The residents of Oregon City Thursday paid homage to the memory of E. T. Fields, for more than 20 years station agent for the Southern Pacific. The services were held at the new home of the Elks and the spacious building was crowded. Several hundred persons accompanied the body to the Canemah Cemetery. All business houses were closed from 2 to 3 o'clock in the afternoon, upon request of Mayor Jones. Henry O'Malley, exalted ruler, and other officers of the lodge had charge of the services. Rev. C. W. Robinson, rector of St. Paul's Episcopal Church, delivered the eulogy. A special car took most of the friends of the deceased from this city to the cemetery in Canemah.

Probably no funeral in Oregon City in recent years has been more largely attended than that of Mr. Fields. His friends were legion and all of them were present to pay the final tribute. He had been an Elk since the organization of the lodge in this city and took an active part in the work of the order. He is survived by his widow, Mrs. Josie Sinshelmer Fields, his daughter, Miss Clara Fields, both of this city, his mother, Mrs. Clara Fields, of Canemah and his brother, Clarence Fields, of Meldrum, E. L. Shaw and Mrs. C. D. Latourette are cousins of the deceased. Mr. Fields died Tuesday after a long illness of Bright's disease. He went to California last Spring and it was thought for a time that his condition had improved.

## FAIRDATES ANNOUNCED BY SECRETARY LEE

M. J. Lee, Secretary of the Clackamas County Fair Association, has made the following announcement of the fair dates in the Northwest: September 1, Vancouver, B. C.; September 8, Seattle Wash.; September 2 to 8, Vancouver, Wash.; September 2 to 8, Spokane, Wash.; September 2 to 15, Sacramento, Cal.; September 2 to 22, Walla Walla, Wash.; September 2 to 22, Helena, Mont.; September 2 to 22, Nelson, B. C.; September 2 to 24, Canby, Or.; September 2 to 29, North Yakima, Wash.; September 2 to 29, Salt Lake, Utah; September 2 to 10, Molokai, Or.; September 15 to 20, Roseburg, Or.; September 22 to 27, Eugene, Or.; September 24 to 27, Canby, Or.

According to the above schedule it will be seen that the Eugene fair is the only which will conflict with the Canby fair dates. This year special attention will be given to the horticultural and agricultural exhibits at the Canby fair. The juvenile department also will be a feature of the fair.

The following dates have been announced for the closing of entries: May 1, all early closing entries in the 2:12, 2:18 and 2:24 trots. The 2:08, 2:14 and 2:20 pacing events will also close at this time. In the 2:12 trotting and 2:14 pacing only the three best out of five heats will enter for the finals. In the other of the races every heat will be considered a race, thus making the races more spirited. For the other events the early closing will be June 1 and the late closing September 1. Entries will be received by wire to M. J. Lee, Canby, Or.

## COUNTY COURTS ARE TO SUPERVISE ROADS

SALEM, Feb. 20.—(Special.)—The proposed bill was amended so the county courts can have free rein as to advertising bids and making contracts for road making. The Hurd-Barrett compromise county road bonding bill passed the House for about the fourth time today, and went to the Senate for concurrence. A vigorous effort was made to insert the Kellaher amendment excluding patented process roads from contracts on the grounds that the Governor would not sign the bill if this section was not contained in the bill. The effort failed, however, and the bill has resumed its erratic course to the Senate, and thence to the Governor's office, if no other objections intervene.

## OREGON CITY HIGH DEFEATS PARKPLACE

The fast team of the Oregon City High school defeated the Park Place quintette by a score of 39 to 15 Thursday night. Although the Park Place boys put up a good game they were outclassed by the Oregon City men. J. Beattie's basket throwing was a feature. This makes the fourth game out of five played by the Oregon City High school the team taking two from Portland Academy, one from Woodburn and one from Park Place. Oregon City High school's lineup was as follows: Beattie, Williams, R. Morris, Forwards; C. Green, Center; Dambach, L. Kellogg and Roake Guards; L. Gault, Referee; G. Morris Timekeeper.
