Courts Must Be Purged

EVOLUTION OF THE COURTS IMPENDS UNLESS THE COURTS PURGE THEMSELVES OF OUTWORN METHODS AND THUS QUELL THE MERITED IMPATIENCE OF THE MASSES.

All men are supposed to be equal before our laws, but that seems not to be so. The road to justice should be STRAIGHT, SHORT AND SIMPLE. There should be no tollgates on the way, no brigands, no false guide boards. The suitors traveling in automobiles should have NO PRECEDENCE over those on foot,

Revolutionary measures are to be avoided. The movement should begin from within. It is well for the great jurists of the land, the judges of last resort, to take heed of the temper of the times, unhend from their conservatism and WORK OUT THE REFORM THEM-SELVES.
