WOMEN MARCHERS ARE POLICE JOKE

SENATE COMMITTEE PROBES ALLEGED INDIGNITIES TO SUFFRAGETTES

DRUNKEN MEN HOLD BACK PAGEANT

Head of Ohio Division Accuses Police of Making No Attempt to Protect Women in Parade

WASHINGTON, March 6.—Tales of indignities and affronts from the crowds and indifference and laughing comments from the police were recounted today before the Senate committee investigating the alleged lack of protection given the great suffrage pageant of last Monday.

Women prominent in national affairs and in suffragette councils told of their harassed progress through surging crowds of men and boys, whom the police, they said, made little effort to hold back.

Their stories as to the general attitude of the police were endorsed by Rear-Admiral Van Ryeppen, retired, and George F. Bowerman, librarian of the Carnegie Library of Washington, who appeared as witnesses against the police department.

Miss Julia Lathrop, chief of the children's bureau of the Department of Commerce and Labor, one of the marchers in the suffragette parade, said the few police she saw seemed to be merely "standing in the front row of the spectators."

Mrs. Harriet Taylor Upton, of Warren, O., in charge of the Ohio division of the parade, declared that crowds of "rough men" surged so close that the marchers could hardly walk two abreast; that "good-natured drunken men" pushed against the marchers' lines, without restraint by the police, and that the few officers in sight did nothing to protect the procession.

GLADSTONE CLUB UPHOLDS COUNCIL

The Gladstone Commercial Club, at a meeting Thursday night, adopted a resolution endorsing the action of the city council regarding the rates for electric light and telephone companies. The council passed an ordinance providing that all lighting and telephone companies which did not obtain franchises should be compelled to pay the city \$100 annually for the privilege of operating in the city. A resolution urging the city council to demand of the county court that cities be given the full amount of money collected within the municipalities for road purposes instead of one-half, was adopted. The proposed picnic at Gladstone Park was discussed and a committee will be appointed at the next meeting of the club to make the arrangements for the annual gathering of Gladstone families.

JOHN HOWELL IS PAROLED AFTER LONG IMPRISONMENT

John Howell, imprisoned in the county jail for almost a year on a charge of undue intimacy with Minnie Clark, an Indian, was paroled Thursday by Circuit Judge Campbell. After imprisonment for several months Howell was indicted and sentenced to serve six months. He had served several months of the sentence. Judge Campbell ordered Howell to keep out of saloons, to keep away from Indian camps and to report to Sheriff Maas once a month.

DARROW'S FATE RESTS WITH JURY

PROSECUTOR SAYS THERE WAS "SOMETHING WRONG" AT FIRST TRIAL

PROTESTS MADE BY MEN OF PANEL

Half Dozen Members Protest to Judge Against Insinuations of Crookedness Made By Ford

LOS ANGELES, March 6.—The case of Clarence Darrow, the McNamara attorney charged with the bribery of Robert Bain, a sworn juror in the trial of the dynamiters in November, 1911, was given to the jury at 9:08 o'clock tonight.

At 9:55 o'clock the jurors sent word to Judge Conley that they were too tired to deliberate and were going to bed. Judge Conley thereupon adjourned court until 10 o'clock tomorrow.

The court hastened progress of the case in its closing hours, and not needing the protests of weary jurors, ordered at 5 o'clock a night session, beginning at 7 o'clock, to permit the Assistant Prosecutor to complete his address.

In the course of his afternoon address Assistant District Attorney Ford several times stirred the defense's counsel into action by repeating insinuations that there was "something wrong" about the first trial of the labor leader, which resulted in an acquittal. Half a dozen members of the Lockwood jury were present during the argument and when the recess was declared at 4:45 o'clock they protested to Judge Conley at what they called "insinuations of crookedness" by Ford.

Marble's Appointment Approved.

WASHINGTON, March 6.—President Wilson's appointment of John H. Marble as Interstate Commerce Commissioner to succeed Franklin K. Lane, now Secretary of the Interior, was approved today by the Senate Committee on Interstate Commerce. His name will be favorably reported to the Senate tomorrow, and it is expected that the appointment will be confirmed immediately.

LADIES' AID SOCIETY HAS FINE MEETING

The Ladies' Aid Society of the Presbyterian Church held its regular meeting in the parlors of the church Wednesday afternoon. The meeting was presided over by the president, Mrs. George V. Ely. After business was transacted the members sewed and delicious refreshments were served by the hostesses, who were Mrs. Leon DesLuzes, Mrs. David Catto, Mrs. Ross Charman, Mrs. M. P. Chapman and Mrs. Surman Chandler. The hostesses were the "C's" and "D's". The next meeting of the society will be held in two weeks when the election of officers will take place.

"I'M GUILTY," SAYS ALLEGED FORGERS' PAL

Chief of Police Shaw said Thursday that he had reason to believe that William M. Allen and G. Kerr, under arrest on the charges of forging worthless checks, had two confederates who are at large. The chief said that when the men came to the city one entered the First National Bank while three others remained near the door. That the friends of the men under arrest are trying to aid them is evident from the following letter received in this city Thursday:

"I seen by the Enterprise you had W. Allen pinched for cashing bogus checks. He is innocent of that crime. I cashed the checks on the hill the 24th. It would take a nickle of stamps to find me, so do not look for me."

The letter was not signed. Included were two checks in the same handwriting as the ones Allen and Kerr are accused of passing. The letter was postmarked Vancouver, Wash.

T. J. GARY'S MOTHER DIES IN PORTLAND

Her husband died about 30 years ago and several years later she came to Oregon to live with her son, T. J. Gary. For the past four or five years she has made her home with her son and Mrs. Harmon. Other children surviving are D. H. Gary, of Washougal, Wash., and W. N. Gary, of Portland. The funeral will be held at 2 o'clock this afternoon at the home of Mrs. Harmon, the interment to be in Lone Fir Cemetery.

Gen. Felix Diaz, the brains of the Mexican revolt. He is a nephew of former President Porfirio Diaz.

WILLAMETTE 'PHONE OFFERED PACIFIC

A committee appointed to confer with the management of the Pacific States Telephone & Telegraph Company regarding the transfer of the Willamette Line to that company, reported progress at a meeting of the West Side Improvement Club in Willamette Thursday evening. B. T. McBain, president of the club, presided, and G. L. Snidow, vice president, made an interesting address on "Working Together." He said there was nothing like the booster spirit and the West Side would, through the work of the club, become one of the greatest districts in Oregon. Messrs. DeBok and Edmonds told briefly what the farmers of the district were accomplishing. The Willamette Quartette and the Young Women's Chorus gave several delightful selections. Mrs. Bowland, wife of the principal of the Willamette School, played delightfully on the piano. Professor Thompson gave an interesting address on "Agriculture."

RAMSEY, M'NARY NEW JUSTICES

ONE REPUBLICAN AND ONE DEMOCRAT NAMED BY GOVERNOR

HOLEMS IS MADE CIRCUIT JUDGE

Report That Judge Reames of Medford, Would Get One of Places Proves to be Unfounded

SALEM, Or., March 6.—(Special.)—Governor West today appointed Judge W. M. Ramsey, of McMinnville, and C. L. McNary, of this city, as additional justices of the Supreme Court, to round out the number to seven, a bill having been passed by the recent Legislature increasing the personnel of that tribunal to that number. In a way the appointment came as a surprise, as it was generally believed that Judge A. E. Reames of Medford, Democrat, and a staunch supporter of the Governor, would be one of the justices appointed.

Judge Ramsey is a Democrat, and is known as a leading lawyer of the state. He has held a number of public offices, and was at one time a candidate on the Democratic ticket for Justice of the Supreme Court. Bert Haney, chairman of the Democratic State Central Committee, is his nephew by marriage. He had the endorsement of Judge M. L. Pipes, of Portland; James McCain, of McMinnville; Judge Calloway, of this city; Judge F. R. Kelly, of Albany, and many other jurists. He has a son, Horace Ramsey, who is pastor of an Episcopal Church in Portland, and a son, Fred, who is an officer in the Marine Corps.

Judge McNary is a Republican in politics, and for a number of years has been identified with his brother, John H. McNary, until the recent election, was district attorney for this district, in the practice of law. He is young, but is considered one of the best lawyers in this section of the state. He has known the Governor since his boyhood days, and during West's administration has been the Governor's close personal adviser in many matters, and practically in all those of a legal character.

Governor West also appointed Judge Webster Holems, of Tillamook, as Judge of the Twelfth Judicial District. This district was created during the present session of the Legislature. Judge Holems is a brother of Frank Holems, of this city, and a nephew of William Holems, formerly a lawyer here, but now in Portland. He is a Democrat.

FRIEDMANN TREATS FIRST PATIENTS HERE

NEW YORK, March 6.—Dr. Frederick F. Friedmann, discoverer of an alleged tuberculosis cure, gave his first treatment in the United States here today when he inoculated a woman and two men with his culture. The woman has consumption in its incipient stage and the men have been ill for some time. The patients were selected personally by Dr. Friedmann. He injected the bacilli in the arm, saying it would be two weeks before any results would be noticeable. He left the hospital, refusing to discuss the criticisms of physicians who witnessed his work. Dr. Wood Hutchinson, the famous physician and magazine writer, who watched Friedmann make the injections, said: "I was invited to witness the scientific demonstration. I have been here and have heard Friedman talk. I was to make arrangements for him to come to Milwaukee and administer his cure. I am not going to do anything—at least for a time." Dr. Ignatz Rottenberg, supervising surgeon of the People's Home, said: "Dr. Friedmann was unfortunate in his demonstration. He evidently was most nervous. I think he is on the right track but has not gone very far."

Senator Charles S. Thomas, new Senator from Colorado. He will fill out the unexpired term of the late Charles J. Hughes. Senator Thomas is a Democrat, and will help his party to attain a majority of the upper house.

Court Approves Bills.

The county court Thursday passed upon the bills for February. Payment will be begun Monday.

JUDGE BEATIE PAYS HIGH TRIBUTE

All Physicians in City Sign Statement Favorable to Officer Accused of Carelessness

Evidence was heard by a committee of the Oregon State Board of Health at the county court house Thursday afternoon which was entirely favorable to Dr. J. W. Norris, the county health officer. Dr. Norris was accused by Rev. James Spies of willful violation of the state health law in connection with the recent epidemic of scarlet fever at Clackamas Station. The prosecution endeavored to show that the physician did not attend to his duties and that his books did not show complete records of the diseases that were reported to him. No evidence was introduced which showed that Dr. Norris was guilty of willful neglect and that he had been careless. He received the (Continued on Page 2.)
