ENDING OF A VICE TRUST

If there is such a vice trust thing as an organized "white slave" traffic in this country, the decision of the United States Supreme Court will arm the officers of the law with full powers to soon exterminate it. If such powers are vigorously used, the court decided, in a case coming up from the New Orleans Circuit, that the interstate commerce law applies to such a traffic as fully as to any other, when it can be shown that it is organized for profit and uses interstate lines of travel and communication to further its ends.

Immigration Killing Off Older American Stock. By WALTER F. WILCOX, Statistician and Sociologist.

RECENT IMMIGRATION IS APPARENTLY KILLING OFF THE OLDER AMERICAN STOCK. Those who make up the most desirable element from a eugenic viewpoint, including in this element COLLEGIATE MEN AND WOMEN, ARE NOT MARRYING in the same proportionate numbers as in the past, and the nation is the worse off for the fewer children of desirable parents. The large families of less desirable parents among the classes where surroundings are not the best are PLACING A CHECK ON THE PROGRESS OF THE COUNTRY. The old American stock is apparently losing ground in the face of recent immigration.

TEMPORARY LIBRARY QUARTERS ATTRACTIVE

On account of unavoidable delays, the Oregon City Library Association has not been able to move the library into the new home in the Seventh Street Park and the library is still in the basement of the Masonic Building. The present quarters are comfortable and well suited to the needs of the library. The basement, which is of unusual height, is well lighted, ventilated and finished in an attractive manner. The rooms that are occupied by the association are finished in burlap and present an attractive appearance. Many new books, as well as a large number of magazines have been added to the already large list and the wants of most any reader can be satisfied. The rooms are reached through the main entrance and by going down one flight of stairs in the rear.

REVIVAL MEETINGS ATTRACT CROWDS

The revival meetings in the Methodist Episcopal Church continue to draw in attendance and interest. The meeting Thursday evening was well attended and enthusiastic. Dr. T. B. Ford delivered a sermon and conducted the after services. Frank Aldredge led the singing. Richard P. Harrison rendered a solo which stirred the congregation. The altar services were characterized by deep earnestness and the prayers were burdened with sympathy and sincerity. Dr. Ford said he was encouraged by the progress of the work. Services this evening will start at 7:30 o'clock. The Rev. George Nelson Edwards will preach, and Dr. Ford will conduct the after meeting. A cordial invitation is extended to all to attend the meetings.

But in case it may be necessary to remove or lower any of the conduits, mains or pipes aforesaid in the improvement of any street, alley or public highway, then the said grantee, his heirs or assigns, shall promptly and at his or their cost.
