grade eliminates the heavy cut at the HOUSE BILL NO. 462.—This was published by the State printer. The of what is commonly known as "drink bonds, notes or mortgages without the corner of Tenth Street. The new a bill creating a school text book passage of this act would have saved checks."

grade provides for a 25 or 25 per cent grade on John Adams Street between of the 19 per cent grade as was provided in the old plans. The matter was referred back to the street committee and the city engineer.

The city engineer was instructed to look over the plans for building a sewer on Eleventh Street above Jackson as the private sewer at that place has caused much trouble. The street committee will investigate the charges that lamp black is injuring the life of the cement walks and walls. Several of the residents of Mount Pleasant were at the meeting to urge the council to have the Mount Pleasant road placed in a safe condition. The proposition was referred to the street committee.

The council granted J. Mann a license to operate a lunch wagon on Seventh Street near Main. He is to pay the city \$10 a month. The saloon license, which was formerly held by Carl Hodes, was transferred from faded hair to its natural youthful his heirs to Peter Kern. Hodes formerly owned a half interest in the sa-Swissco stops baldness, bald spots, loon at Eighth and Main Streets, A ed that a light be installed on the To prove that our claims are true steps leading to that place.
