REBEL LEADER IS REPORTED KILLED

CARRANZA, WHO LEAD REVOLT AGAINST HUERTA, SHOT BY FEDERALS

GARRISON AT NOGALES IS TAKEN

United States Trooper Is Seriously Wounded by Rebels While Doing Duty Near International Line

LAREDO, Tex., March 13.—It is reported that Venustiano Carranza, Governor of Coahuila, who revolted against the Huerta provisional government, was captured and shot this afternoon by federal troops under General Tracy Aubert at a point between Bajana and Monclova.

NOGALES, Ariz., March 13.—Constitutionalists overthrew the federal garrison at Nogales, Sonora, tonight and now are in possession of the border town, after a fight which continued with little abatement for 12 hours. Casualties are estimated at 100 dead and twice as many wounded on both sides.

Private Allen A. Umfleet, Troop G, Fifth Cavalry, U. S. A., was seriously wounded by a rebel bullet while doing police duty near the international line here. The shot passed through his face from nose to ear. No other Americans were wounded.

The United States soldier was shot shortly after 5 o'clock, when the attack was at its height. Lieutenant Colonel Tate, in charge of the Fifth Cavalry patrol, instantly sent word to General Obregon, in command of the rebel forces:

"You have shot one of my men. Cease firing, or I shall be after you at once."

DOWNNEY FIGHTS SPECIAL LEVY TAX

WILLAMETTE MAN INSISTS CITY IS NOT LEGALLY INCORPORATED

NO CHARTER ADOPTED, HE DECLARES

Lumber Company's Check for Taxes on Timber Land Is Declined Because Special Road Levy Is Ignored

The legality of the incorporation of Willamette is questioned in a suit filed Thursday by James Downey, ex-mayor of the town, against E. T. Mass, sheriff, to restrain the collection of a 10-mill special tax, which the council levied for general municipal purposes. After having been conducted as a city for about two years, Circuit Judge Campbell about a year ago, decided that the village had not been legally incorporated. At another election it was decided to re-incorporate, and this action is questioned in the suit filed Thursday.

The complaint alleges that the city has failed to adopt a charter, and the state laws do not give any municipal authority to levy a tax unless by virtue of power granted by the city charter. It is contended that inasmuch as the place has failed to adopt a charter, the council is powerless to make a levy. Dimick & Dimick, representing the plaintiff, called attention in the complaint to the repeal of sections 2709 and 2710 of Bellinger and Cotton's Code which gave incorporated towns authority to make levies for municipal purposes. The sections were repealed in 1907.

Declaring that the Supreme Court has decided that special road taxes are illegal, The Hammond Lumber Company Thursday tendered a check to Sheriff Mass for \$213 taxes. The special road tax in district No. 49 of 10 mills was not included and the sheriff declined to accept the check for other taxes. The Oregon Iron & Steel Company, which has a large plant at Oswego, sent the sheriff a check for \$7,000 and the Willamette Pulp & Paper Company paid \$14,411.23 taxes. Saturday is the last day a rebate will be allowed.

Louis C. Hill, supervising engineer United States Reclamation Service. Under investigation by House.

SCHOOL SUPERVISOR PLEADS FOR CHILDREN

Mrs. Margaret Curran was the principal speaker at an interesting meeting of the Woman's Club in the parlors of the Commercial Club Thursday afternoon. Mrs. Curran, who is one of the school supervisors of Clackamas County, made an address upon civic improvement among school children in the country. She told of the good work the children were doing along industrial lines and urged that this work be continued. Mrs. Curran mentioned many interesting experiences in her work and told of the interest the children displayed. The Oregon-Washington Railroad & Navigation Company has donated \$20,000 for prizes to be used in the furtherance of this work. The prizes are to be given at the juvenile fairs. The children's play ground idea was also urged. The lecture was preceded by a short business meeting.

HARRY CLARK GIVEN LONG JAIL SENTENCE

Harry Clark, Sr., and T. W. Craig were arrested Thursday morning by Chief of Police Shaw on charges of being intoxicated. Upon closer investigation the chief noticed that Clark had a large cut upon his head, which was either received in a fight or by falling. The men stated that they had been to Portland and had arrived in Oregon City early in the morning in an intoxicated condition. Clark, who is an Indian, has been in trouble numerous times and has been let go several times upon the promise of good behavior. As he has broken several pledges, he was sentenced to serve 50 days in the city jail by Recorder Stipp. Craig, who is employed by the Oregon Engineering & Construction Company, was sentenced to serve 5 days in jail, the sentence being suspended.

BIG AUTO CONTEST ENDS IN SIX WEEKS

Only six weeks more and the Howard Automobile Contest will close. The race for the big touring car, the most valuable prize ever offered in any contest ever pulled off in Clackamas County, is fast drawing to a close, and with the approach of May 1 the rivalry between the eight leading candidates is growing more and more keen.

HUSBAND AND WIFE ASK DIVORCE DECREES

Alleging that his wife deserted him in March, 1909, E. A. Schneider Thursday filed suit for a divorce from Jennie Schneider. They were married in Rochester, N. Y., April 26, 1900. Delia Ross seeks a decree from Allen Ross, alleging that he deserted her in May, 1910.

KATHRENA SPAGLE AND FRANK BARRETT WED

The marriage of Kathrena S. Spagle to Frank M. Barrett, of Hubbard, was solemnized Wednesday. Mrs. Barrett is a sister of J. C. Spagle, employed in the Oregon City postoffice and formerly lived in Aurora. Mr. Barrett is a prominent resident of Hubbard. The marriage ceremony was performed by the Rev. S. P. Davis. Mr. and Mrs. Barrett have gone to Seattle and Tacoma on their honeymoon.

Senator Joseph L. Bristow, of Kansas. Chairman new Postal Commission.

MISS GOLDSMITH'S STORE IS BURNED

The Misses Goldsmith, milliners, were notified Thursday by their sister, Miss Lena Goldsmith, of San Francisco, that her millinery establishment in that city was destroyed by fire Thursday morning. The janitor in the building in which the Goldsmith establishment is located, heard an explosion at 6 o'clock and upon investigation found that the fire was near the stock room of the millinery shop. When the fire was extinguished it was found that a spring lock had been broken and about \$10,000 damage done. The insurance will not cover the loss.

NOBLE IS ELECTED MOOSE DICTIONATOR

C. S. Noble, elected Dictator Thursday night of Oregon City Moose.

The Loyal Order of Moose, of this city, at a meeting Thursday night, arranged for a big ball to be given on the evening of April 25. Several applicants for membership were received, and the following officers were elected:

Dictator—Charles S. Noble. Vice Dictator—George Chambers. Prelate—George Young. Secretary—F. L. McGahney. Sergeant-at-arms—E. L. McFarland. Inner Guard—A. H. McDonald. Outer Guard—Calvin Price. Trustees—Kruger, Downy and Williams.

The lodge has made arrangements for a big entertainment on the evening of the opening of the addition to the club rooms.

KAY TO KEEP WATCH ON MILWAUKIE TAVERN

SALEM, Or., March 13.—"Go out to the Milwaukee roadhouse and sit around every evening from 7 o'clock to closing time, and keep your eyes open."

That is the instruction Governor West gave today to Detective Tom Kay of Portland. The Governor appointed Kay as special agent.

This action was taken because of the peculiar location of the Milwaukee roadhouse. It is just over the line from Multnomah County in Clackamas County, and is within the corporate limits of the town of Milwaukie.

Governor West said Sheriff Tom Word had closed all the roadhouses in Multnomah, and now those from Portland out for a good time were going to the Milwaukee tavern. The new law prohibiting the sale of liquor outside of incorporated towns will not apply to it, so the Governor is putting an officer there to see that it confines its operations to those of a legitimate saloon.

SCHOOL TEACHERS TO BE PAID TODAY

The school teachers of Oregon City will be happy today. It is monthly payday and the clerk of the board will pay to the teachers more than \$2,000. However, they have earned it and they will earn a great deal more before the school term ends. It is doubtful if any city in the state, the size of this one, has a more efficient corps of teachers than Oregon City. The attendance at the schools is increasing annually and the school board is providing for the most modern instruction.

WASHINGTON SOLONS ADJOURN Olympia, Wash., March 13.—With one sweep the Legislature tonight cast into oblivion more than 500 bills including many of vital importance to the state and then to the refrain of "Nearer My God to Thee" drew down the curtain over the 19th session.

BOOSTER DAY TO SET NEW RECORD

MANAGERS ANNOUNCE THAT BIG FAIR WILL BE ONE OF FEATURES

FRATERNAL ORDERS TO TAKE PART

Holding of Sunday School Convention at Same Time Will Make Attendance Larger Than Heretofore

At a recent meeting of a committee composed of T. W. Sullivan, B. T. McBain, M. D. Latourette, T. L. Charman and L. Adams, it was definitely decided to hold the Clackamas County Dairy and Stock Fair and Booster Day celebration April 25 and 26. The meeting this year will be greater than any that has preceded it and already elaborate preparations are being made. There will be two parades during the celebration, one Friday and the other Saturday. Both of the parades will start at 11 in the morning. These will consist of horses, cattle, swine, sheep, decorative and unique floats and drills by fraternal orders. It is probable that there will be an automobile parade.

A feature that will be introduced this year will be a milk contest which will probably be Friday evening and Saturday morning. Much interest is already being taken in the contest. All owners of horses and cattle who wish to enter their animals are requested to send for entry blanks, which may be obtained from O. E. Freytag, at Oregon City. This is necessary to determine the amount of space that will be required. No fees will be charged.

The State Sunday School Convention, which will be held in this city on the same dates as the fair, will not interfere with the fair nor will the fair interfere with it. In fact, it is believed, they will be an aid to each other. Many farmers will come to the city to attend both.

All inquiries concerning the fair and Booster Day should be addressed to O. E. Freytag, manager of the Publicity Department of the Commercial Club, Oregon City.

If it happened it is in the Enterprise.

JUSTICE OF PEACE SAMSON IS DEAD

END COMES SUDDENLY AFTER PATIENT IS THOUGHT TO BE IMPROVING

SHERIFF OF COUNTY FOR TWO TERMS

Official One of Best Known Men in State, Having Come Here When Boy—He and Homer Daven Port Friends

W. W. H. Samson, justice of the peace, ex-sheriff, and one of the best known men in Clackamas County, died at his home 816 Main Street, at 11:45 o'clock Thursday night after a lingering illness. Mr. Samson was partially paralyzed the latter part of August, but after receiving treatment for several days, was able to return to his work. He, however, did not have a complete recovery and his friends were alarmed over his condition. He complained late Monday afternoon of severe pains in his heart and went home a little earlier than usual. Dr. H. S. Mount was summoned and announced that his patient was in a critical condition.

Mr. Samson, however, rallied and early Thursday morning said that he would be at his office as usual in a few days. His condition apparently improved all day and in the afternoon he walked about his home. About 8 o'clock there was a turn for the worse, and Dr. Mount declared that the end was near. Death came peacefully with Mrs. Samson and other members of the family at the bedside.

Probably more marriages have been solemnized in the house in which Mr. Samson died than any other house in the state. Long before he became justice of the peace Mr. Samson opened his home to couples desiring to be married and wishing to escape the notoriety of going through the ceremony in a public place. After he became justice of the peace all couples applying to him to perform marriage ceremonies were asked if they preferred going to his home or having the ceremonies performed in his office. He said just before he was stricken that about 120 couples had been married in the house. The old home also has another distinction. In it lived Generals Grant and Sheridan when they were stationed here before the
