SECRETARY BRYAN On his way to ON DISARMAMENT

Washington Mr. Bryan halted at Raleigh to deliver a Sunday address on "Peace," having accepted an invitation from the North Carolina Peace Conference in session there. Mr. Bryan had an unusually large audience, as might have been expected from the fact that he was about to become secretary of state, the head of the department dealing directly with international relations.

If Mr. Bryan means that this country is well located to defend itself against invasion there is, geographically, some degree of truth in his theory. But the new secretary of state should tell how the principles of the Monroe doctrine can be maintained by a nation disarmed. He recommends a bold stand for disarmament. The idea conveyed is that the way to disarm is to disarm, reduce army and navy, and encourage young Americans to join peace societies rather than take the training of the National Guard or enlist for service with the busy fleets that are now assigned to

Cooper's New Discovery Puts The Stomach In Order

Americans are prone to neglect their stomachs. They eat too fast, work too fast, live too fast, and are generally a "bunch of nervous." Something gives way—generally the stomach—then follows nervous indigestion, kidney or stomach trouble and many other ailments. When the stomach is out of order, the most common complaint is a tired, droopy, half-sick condition. The victims lack energy and ambition, have irregular appetites and feel languid and tired all the time. Cooper's New Discovery will tone up a run-down, overworked stomach, strengthen the nervous system and restore the stomach to a healthy condition.

Makes Digestion Easy

Many people suffer great pain from indigestion. Food lays heavily upon the stomach where it ferments, forms gas and causes great distress. When the digestive organs get out of order the blood becomes impure and the heart is apt to be unfavorably affected. Cooper's New Discovery makes digestion easy, and enables you to eat what you please without any bad after effects.

Builds Up The System

Cooper's New Discovery rids the body of all poisons, excessive acid and stomach gas and helps the stomach to perform its duty so perfectly that every particle of food aids in nourishing the body and giving tone and strength to the entire system. It brings the bloom of health to the cheeks of the sickly and run-down. Cooper's New Discovery is the best tonic and blood purifier on the market. It is purely a herbal preparation and is nature's own remedy. It makes rich, red healthy blood, and contains all the ingredients necessary to give vim, vigor and energy to the system.
