ARE YOU TIRED OF TAKING CALOMEL, SALTS AND PILLS FOR BILIOUSNESS AND STOMACH TROUBLE?

Then take the advice of Mr. Rothemberger of Portland.

"STOMACH TROUBLE." My praise for Veronica Water cannot be too strong.

My wife started to use this wonderful water she began to improve in health.

She is now about to begin on the third case, and she is out of bed and able to go out calling on friends.

She eats regularly and has movements of bowels, something that she could not have for some time.

I have recommended Veronica Water to everybody who comes in my store, and I cannot praise it too highly.

It is not only the best, but the cheapest treatment I ever had for the stomach and bowels.

Anybody who will call on me in my store I will gladly tell them how my wife suffered, and the condition she is in today Respectfully,

H. R. ROTHENBERGER, Dealer in and Manufacturer of Boots and Shoes, 2926 E. Stark St., Portland, Or.

APPLE SUPPLIES ARE OF POOR QUALITY

The Portland market is flooded with extremely poor quality apples.

Some stock has been received from Hood River and White Salmon during the last few days.

Most of the apples now being offered are of small size and big fruit is really scarce.

Apple handlers are making complaint about this sort of stock being shipped.
