BRYAN CAUTIOUS IN ILLINOIS FIGHT

SECRETARY OF STATE PROVES THAT HE IS FIRST-CLASS DIPLOMAT

2 DEMOCRATS CANNOT BE ELECTED

Balloting is Unavailing and Indications are That Lewis Will Not Wear Senatorial Toga

SPRINGFIELD, Ill., March 18.—William Jennings Bryan, Secretary of State, talked about the Illinois senatorial muddle today in sentences so diplomatically turned that every faction tonight is reverting to the speech as a vindication from Washington of its position.

At the same time the candidates and Illinois folk generally are a bit puzzled by the Delphic character of the Nebraskan's talk.

To the democrats he said: "Vote for our primary candidates," but he mentioned no names.

To Republicans he said: "Vote for your primary choice."

To Progressives: "You had no candidate in the primaries; hence you are in a position to vote for whom you please and to retain your standing at home."

Shortly after Secretary Bryan had concluded his address the 11th ballot was taken on the senatorships, and the democrats were worse split than ever. Four of the party refused to vote for James Hamilton Lewis, the party nominee. Theodore Roosevelt had sent a new message—this time to Emil J. Zola, a Chicago Progressive—advising against a Bull Moose Republican combination if the votes of the democrats who helped elect William Lorimer were necessary to elect Colonel Lewis.

KING GEORGE OF GREECE KILLED

RULER ASSASSINATED IN ATHENS, ACCORDING TO DISPATCH

QUEEN WAS WITH HUSBAND IN FIELD

Monarch Had Reigned Over Greece Since 1863—Made Fortune Speculating—King Was Worth Millions

LONDON, March 18.—King George of Greece was assassinated in Athens today, according to a dispatch to a local news agency from Salonika.

King George was assassinated at Salonika, where he was at the head of a division of the Greek army, according to news agency dispatches.

News of his death reached Paris, Berlin, Rome and other capitals simultaneously, but confirmation still is lacking. King George had been in Salonika since last December when the city surrendered to the Balkan forces.

Queen Olga has been in the field much of the time with King George. An attempt to assassinate the king in 1898 failed.

The heir to the throne of Greece is Crown Prince Constantine, who now is at Janina, commanding the Greek troops there.

Just 50 years ago today George was elected king by the Greek national assembly. He was a son of King Christian IX of Denmark and a brother of Queen Alexandra of England.

The Greek legation here admitted it had heard rumors of the assassination of King George, but declared no confirmation had been received. The Reuters news agency, however, carried an unqualified dispatch to the effect that the king was assassinated at Salonika.

LIVE WIRE HEAD SAYS MOLALLA LINE WOULD BE BOON TO COUNTY

\$50,000 IS NEEDED BY COMPANY

Need of Hitching Posts Urged By Organization—Pure Water Is Sought by Wires Committee

Completion of the Molalla railroad, pure water, public dock and hitching posts were the subjects that crossed the attention of the Live Wires of the Commercial Club at their weekly luncheon Tuesday. H. E. Cross, Main Trunk of the organization, made a stirring plea for the early completion of the Clackamas Southern railway, and he was seconded by Grant B. Dimick, B. T. Mc Bain, and others who have spent time and money in an effort to bring the Molalla country in close touch with Oregon City. The company needs about \$50,000 to place the line in operation this year. The ties and rails have been purchased, but some grading still remains to be done, and the money available for the purchase of the rails cannot be used to cover grading expense. However the friends of the project are working hard, with every prospect of ultimate, if not speedy success.

The old story of the lack of hitching posts at Oregon City came up in the form of letters from Maple Lane, Clairmont and Mount Pleasant, and the matter was referred to L. Adams, Frank Busch and W. A. Huntley, who have their work cut out for them. The need of more and better accommodations is fully recognized. (Continued on Page 3.)

CHAUTAQUA TO BE RENDEZVOUS

MANAGER CROSS ARRANGES BEST PROGRAM IN RECENT YEARS

FINE TALENT ENGAGED BY COMMITTEE

Col. Bain, Eminent Lecturer, Baumgart, Great Nomad, Watson, the Hoosier Statesman, Will Entertain Crowds

"Chautauqua time," that delightful period of combined rest, recreation and education, looked forward to annually by thousands of Clackamas county people, will soon roll round again. That the Chautauqua family will be larger this year than ever before, is evidenced by the letters that have poured into the office of Secretary Cross, during the past month, from seemingly every nook and corner of the county, asking for information concerning the program for the 1913 session, dates, requests for camping privileges, etc. The directors, as a result of the large interest manifested at this early date, are most naturally highly optimistic and with a broad, high-class program practically signed up—an ideal Chautauqua program, to be exact—their optimism is well founded.

Brief mention of some of the country's stellar platform attractions can only be made at this time. Among those who will entertain and inspire the Chautauqua lovers next July might be mentioned Colonel Bain, a lecturer of national repute, Baumgart, a man of wonderful travel and scientific exploration, with rare gifts of eloquence; Maud Willis, one of the most gifted interpreters of the drama that has ever graced an American (Continued from page 3.)

FROCK COAT LOSS HALTS WEDDING

The best man, who is a brother of the bridegroom, having left his frock coat on a Portland streetcar, the wedding of Miss Hilda Toozee, daughter of C. T. Toozee, an Oregon City capitalist, and John Porteus Cooper, a rich rancher of Parkdale, Hood River, was delayed two hours Tuesday. The wedding was to have been solemnized at 12 o'clock, but George Cooper, brother of the bridegroom, upon arriving in Oregon City, discovered that he had left his dress suit case containing his Prince Albert coat on the Portland car. Although urged by his brother and bride-to-be to accept the situation in good nature and appear in his street garb, he declared he would do nothing of the kind. He accordingly boarded the next car for Portland and found his suit at one of the car barns. He returned with it at once and dressing hurriedly, was spliced and span when the wedding was solemnized at 2 o'clock. Rev. G. K. Barry, pastor of the Mount Taber Christian church, officiated.

The house which was darkened, was beautifully decorated in greens, daffodils and carnations, and a beautiful glow was thrown over the scene by shaded and concealed electric lights. The ceremony was performed in the living room, one corner of which was converted into a beautiful sylvan altar, under a roof of greens and carnations. A bell of carnations with a cilia lily clapper was suspended from this beautiful covering.

Just before the ceremony Miss Morieta Hickman sang "Oh Promise Me." Miss Louise Huntley playing her accompaniment. The wedding march was then played by Homer A. Cruse, a cousin of the bride, who entered with her father. She was met at the altar by the bridegroom attended by his brother, George Cooper. Miss Toozee had as her maid of honor, her sister, Miss Hazel Toozee.

After the ceremony a delightful reception was held in the Toozee home. Ices and cakes were served by Misses Lillian Anderson, Helen Murray, Alice Larson, Louise Huntley, Mrs. Hale Call, a sister of the bride, and Mrs. Frank McAnalty.

The bride was beautifully gowned in white charmeuse trimmed with shadow lace. She wore a veil which was caught by a spray of orange blossoms, which had been worn by her mother at the latter's wedding. She carried a beautiful shower bouquet of bride's roses and lilies of the valley.

Miss Hilda Toozee was gowned in pink crepe meteor and carried a bouquet of pink carnations. Mrs. Charles Toozee wore cream colored crepe.

After the ceremony Mr. and Mrs. Cooper departed for their future home at Parkdale, Hood River valley, at which place Mr. Cooper has extensive orchard interests.

REED COLLEGE MAN SAYS, "LIVE RIGHT"

The Congregational Brotherhood and the public in general, were treated to a splendid lecture Tuesday night by Dr. Edward B. Sisson, instructor of education at Reed college. Dr. Sisson, who is a forceful and interesting speaker, declared that the need of the American schools today was men. He stated that boys in their adolescent period needed contact with good clean men, which they are seldom able to get at present. He stated that the teaching profession should be more attractive to men because boys needed the association of men in the class room which they did not receive and were not able to receive from the hands of women. Dr. Sisson spoke in glowing terms of women and of their work and the interest which they take in school affairs, and said that the men should display as great interest. He also urged that fathers associate more closely with their sons and stated that if this were done, there would be few boys go wrong.

Dr. Sisson stated that there are many useless courses now being taught in the public schools that could well be substituted for more useful ones. He urged that social hygiene and sex instruction should be taught in the public schools and that all children should be taught the truth. Dr. Sisson stated that one of the greatest problems that has faced the American people is that of the present social unrest, and that the teachers should be able to instruct the pupils on social lines, in a fair and rational manner.

Before the open lecture of Dr. Sisson, a dinner was served to the Brotherhood by the Ladies' Aid society, which was enjoyed by about sixty men. Music was furnished during the evening by Prof. Gustav Flechtner, T. J. Gary, the president of the brotherhood, presided over the meeting.

COUNCIL TO FIGHT FOR PUBLIC DOCK

A petition will be presented to the council this evening asking that Oregon City be supplied with a public dock. The business men are unanimous for the improvement, and it is believed that there will be but few objections to the proposition. The council is expected to appoint and to leave the manner of appropriation as well as the method of management, to the council committee to put into effect. This matter is one which is believed has the public favor.

Portland wanted docks and bonded the city for hundreds of thousands of dollars. California bonded the state for \$12,000,000 for a system of state docks. Oregon City needs only a few thousand. The benefits are too numerous and apparent to enumerate. Stand behind your councilman and enlist his aid to this good cause.
