PER WEEK, 10 CENTS

FLOOD DEATH LIST IS UNDER 2,000

HUNDREDS SAFE WHO WERE THOUGHT TO HAVE PERISHED IN DAYTON

FATALITIES IN COLUMBUS LARGER

Number of Dead in Ohio Capital is Placed at 600—50 are Drowned When Hotel Collapses

CINCINNATI, O., March 27.—Revised estimates of the loss in Dayton give ground for hope that the dead in all sections affected by the flood will not exceed 2000 and may go below that figure. Daring investigators who penetrated the flood section, revealed hundreds of persons safe who it was feared were lost.

Unless swelled by the death list in the foreign settlement on the North side, as yet unreached, there may not be more than 200 dead in the whole city. In other points than Dayton the death list grew rapidly.

There was far heavier loss of life in the West side of Columbus, O., than was thought. One estimate placed the number of dead at more than 600.

Apparently authentic reports from Lima indicated 200 dead.

At Peru, Ind., the authorities estimated the death list would reach at least 150.

From Hamilton, O., 50 persons were reported drowned in the collapse of a hotel where they had sought refuge. Twenty-five deaths were reported from Troy, O., 30 in Middletown and five in Massillon.

Deaths from the flood in Chillicothe will not exceed 25, according to latest advices. Early advices were that from 200 to 500 lives had been lost.

A report from Linton, Ind., gave 16 persons drowned at Howesville, 25 miles south of Terre Haute.

There were ten deaths in Sharon, Pa. Estimates are that 70,000 persons were marooned in Dayton's flooded district, where 16,000 homes have been submerged. Rescue stands are provided for 5000 homeless. The property damage in the city is figured at \$25,000,000.

Rumors that the Grand Reservoir near St. Mary's, O., has broken proved unfounded. Similar reports about the Lewiston reservoir likewise were (Continued on Page 3.)

ELLEN MOEHNKE AND OTTO LIMAN WED

One of the most beautiful weddings ever solemnized in Clackamas County took place Wednesday evening at 7:30 o'clock when Miss Ellen C. Moehnke, daughter of Mrs. Michael Moehnke, became the bride of Otto Liman. Miss Moehnke was attended by Miss Pearl Jones, of Parkplace, while George Hollmann attended the bridegroom. The beautiful ring ceremony was used by the officiating clergyman, Rev. J. R. Landsborough. Little Catherine Moehnke carried the ring in the chalice of a large calla lily. The bride was beautiful in her gown of cream colored laces, trimmed with pearls and tulle veil fastened by a wreath of orange blossoms. She carried a shower bouquet of brides' roses and lilies of the valley. The maid of honor wore blue messaline and carried pink carnations. The parlor was beautiful in white and green trimmings, while in the dining room pink and white were used. Pink carnations adorned the table. After the wedding ceremony the guests repaired to the dining room where a sumptuous wedding luncheon was served.

Mr. and Mrs. Liman will make their home in Clackamas County. Those present were: Mr. and Mrs. M. Moehnke, Mr. and Mrs. H. Hollmann, George Hollmann, Max Hollmann, Mr. and Mrs. William Moehnke, Mr. and Mrs. M. Glover, Miss Hatz, Mr. and Mrs. Sam Jones, Pearl Jones, Riva Jones, Miss Flora Frazer, Mr. and Mrs. John Moehnke, Irmalle Moehnke, Mr. and Mrs. David Moehnke, Mr. and Mrs. Otto Moehnke, Mr. and Mrs. Charles Moehnke, and Katherine and Ivan Moehnke.

Miss Moehnke was graduated from Oregon City High school and for several years taught in the public schools of Estacada.

OREGON CITY WILL HELP SUFFERERS

PUBLICITY COMMITTEE PLANS RAISING FUNDS FOR VICTIMS

BIG MEETING IS TO BE HELD TODAY

Dr. A. L. Beatie Making Arrangements to Ship Potatoes to Stricken Ohio and Indiana

Oregon City and Clackamas County stand ready to give succor to the victims of the floods in Ohio and Indiana. A meeting of the Publicity Committee of the Commercial Club will be held this morning at 10 o'clock at the publicity building to determine the best way of aiding the sufferers. All public spirited citizens are urged to attend. B. T. McBain, president of the Commercial Club, said Thursday evening he was certain that Oregon City and Clackamas County would do all in their power to aid the unfortunate.

"This is a generous community," said Mr. McBain. "Our people have never failed to do their part when a great calamity was at hand. According to all information our country has suffered its greatest catastrophe, and it behooves us to do all we can to alleviate the suffering of the people of Ohio and Indiana. That there will be a liberal response here to the appeal of President Wilson and Governor Cox, of Ohio, I have no doubt. All citizens are urged to attend the meeting today. Money, I think is what he stricken sections need."

Dr. A. L. Beatie, of the Oregon Commission Company, announced Thursday afternoon that arrangements were being made in this city to aid the flood sufferers in Ohio and the tornado victims in the Middle West. Dr. Beatie is negotiating with the Southern Pacific Railroad regarding the shipping of a car load of potatoes East. The car will be shipped through the railroad company which will furnish the transportation. L. E. Bentley, a prominent Clackamas County farmer, has agreed to give 30 sacks of potatoes and the Oregon Commission Company has agreed to furnish the same amount. Many other merchants and farmers are willing to furnish potatoes and other supplies and all persons desiring to aid should telephone to Dr. Beatie at once. The Oregon Woolen Mills has donated \$50 for the flood sufferers.

County Judge Beatie announced late Thursday night that he would call a meeting of the county court today to consider sending 20 carloads of potatoes to the stricken districts in Ohio and Indiana. It has been suggested that the county purchase the potatoes from Clackamas County farmers and that they be shipped at once, if the railroads will not charge for shipping them. It also has been suggested that banners bearing signs, "Clackamas County's Donation to Flood Sufferers" be placed on the cars. Judge Beatie said that he had no idea what action the court would take, but he thought the matter was of sufficient importance to be given consideration.

William B. Wilson, Secretary of the new Department of Labor in Wilson's Cabinet.

FREIGHT TRAIN MEN ARRESTED BY CHIEF

Charged with operating freight trains through the city during the day in violation of a city ordinance, John Erb, conductor, and Ray Reinke, motorman, of train No. 1405 and J. D. Hatfield, conductor, and C. W. Burnett, motorman, of train No. 1402, were arrested Thursday morning by Chief of Police Shaw. The ordinance provides that the Portland Railway, Light & Power Company shall operate freight trains through the city only from 10 o'clock at night until 6 o'clock in the morning unless a permit is obtained from the Mayor. The men arrested Thursday did not obtain permits from the Mayor. They said that they were hauling gravel for a walk between this city and Canemah, and thought the ordinance gave them a right to do so. They will have a hearing before Recorder Stipp this morning.

GRANGES TO MEET. Clackamas County Pomona Grange will hold its quarterly meeting with Milwaukie Grange in Milwaukie April 9. The Milwaukie Grange is making arrangements for entertaining delegates and visitors from other Granges of the state. Reports will be received from the 18 Granges of the county.

BEATIE PLANS BIG GAS WORKS HERE

HOLDER OF FRANCHISE SAYS HE WILL GET CAPITAL NECESSARY

PORTLAND AND SEATTLE TO HELP

Scheme is to Build Plant and Lay Pipes on Main and Seventh Streets as Soon as Possible

Dr. A. L. Beatie, who has been given a franchise for furnishing a gas plant for Oregon City and the right of way over the streets for mains, announced Thursday that the plant probably will be in operation within one year. The franchise will expire in 25 years. Dr. Beatie was given a franchise more than two years ago, but defects in it caused trouble in financing the proposition. The action of the council at the last meeting remedied these defects and now the holder of the franchise says he will have no trouble in obtaining all the capital necessary.

Oregon City has had electric lights for many years, but has never had a gas system. As a result when anything happens to the electric light system, the residents of the city have to resort to candles and kerosene lamps. Dr. Beatie believes that most of the residents will have gas connections as a safeguard and for cooking purposes. "I expect to get money for building and equipping the plant in Portland and Seattle," said Dr. Beatie. "No doubt part of it could be obtained here, but I believe it a good plan to get all the outside capital possible. The plan is to have a complete coal gas plant. About \$125,000 will be necessary to build the plant and lay mains on Main and Seventh Streets. This done, the system will be extended gradually. It is planned to have a corporation."

JOSSELYN RESIGNS AS HEAD OF P. R., L. & P. CO. B. S. Josselyn, president of the Portland Railway, Light & Power Company, Thursday tendered his resignation to the company's board of directors, as the head of Portland's largest public utility corporation, to take effect July 1, 1913. Mr. Josselyn gave as his reason that he was greatly in need of a rest or change, and that he had contemplated doing so a year ago.

WEST ASKS AID FOR FLOOD SUFFERERS

SALEM, Or., March 27.—Governor West today issued a proclamation to the people of Oregon to respond to the call for assistance coming from the flood and fire-stricken districts in Ohio and Indiana.

He asks the people to send their contributions to Edmund C. Giltner, secretary of the Portland Chamber of Commerce, who will forward them to the proper authorities in the stricken states.

Governor West learned later of the fund which is being raised. He expressed his commendation and said: "I hope this effort will meet with hearty response. The all important thing is to get relief to the sufferers as promptly as possible."

MRS. WISNER HOSTESS OF BRIDGE CLUB

The Auction Bridge Club was delightfully entertained by Mrs. J. Nelson Wisner at the home of her mother, Mrs. W. E. Pratt, on Water Street, Wednesday afternoon. The prize was awarded to Mrs. George Harding. Dainty refreshments were served by the hostess, the following being present: Mesdames William Logans, A. A. Price, E. E. Brodie, George Harding, Nieta Barlow Lawrence, James Carey, Franklin Griffith, Charles Griffith, M. D. Latourette, L. A. Morris, Theodore Osmond, L. L. Porter, H. E. Straight, Eber Chapman, Clyde Huntley, Hugh Mount and William U'Ren.

ALBRIGHT FIGHTS TO STOP SKATING

HOLMAN INSISTS UPON CHILDREN BEING ALLOWED USE OF SIDEWALKS

CITY ATTORNEY INTERPRETS LAW

Stone Declares That Roller Skating on Sidewalks is Violation of Ordinance—Women Urge Moderation

The Oregon City council is divided regarding the right of children to skate on the sidewalks. Councilman Albright, chairman of the committee on police and health, is confident that the children have no right to skate on the sidewalks, and has issued instructions to the police to put a stop to the practice. It is contended that the children obstruct the sidewalks and where there are grades, endanger the pedestrians. Councilman Holman contends that there is nothing in any of the city ordinances prohibiting the children from using the sidewalks for roller skating.

Councilman Albright calls attention to Section 5 of an ordinance relating to the use of public streets, highways and alleys of Oregon City, passed November 17, 1897. City Attorney Stone says the ordinance prohibits roller skating on the sidewalks. The section follows:

"It shall be unlawful for any person to play at ball or throw any stones (Continued from page 3.)"

90 acres 1-2 mile from Mill Creek small house and barn going at \$60 per acre adjoining land held at \$100 to \$150 per acre. \$2000 cash, balance 5 years at 6 percent.

This act will appeal to all. Mr. Loveland sings well, as the applause for both songs, "MOTHER MACHREE" and "THAT OLD GIRL OF MINE" was surely appreciative. All Artists on their respective instruments, they render music which holds the attention of all through each and every number. This is FAR ABOVE the average Vaudeville Act and the STAR THEATRE is indeed pleased to present it to its Patrons. They close Saturday night.

DR. FORD TO CONTINUE MEETINGS FOR MEN

The meetings for men held in the Woodman Hall under the auspices of the Brotherhood of the Methodist Episcopal Church, Sunday afternoons, during the special evangelistic services conducted by Dr. T. B. Ford were of such interest that the Brotherhood has decided to continue them, and Dr. Ford, who has been delivering the addresses on live questions, invites the cooperation of all christian men in maintaining these services and invites all men of all relations, conditions, faiths and no faith, to come, and assures them that they will receive a cordial welcome. There will be special music—music that will thrill men. It is to be made a popular service for men, a men's resort. The meetings will be held Sunday afternoons at 3 o'clock. Dr. Ford will speak next Sunday on a question that every man is interested in, "Am I My Brother's Keeper?" He believes in the conversion of children and women, and in bringing them into the church, but he wants men for the kingdom—husbands, fathers, and young men. No man is so high or so low that he is out of the reach of the church, says Dr. Ford. "Where is Thy Brother?" is a question you must answer, declares the minister.

GLADSTONE MADE MEETINGLESS TOWN

Gladstone is in a peculiar predicament. It is, for the present, a meetingless town. No public meetings may be held there. However, the city council will meet as usual. The council at a meeting Thursday evening, issued an order to the effect that no dances or meetings should be held as long as there are scarlet fever patients in the city. As a result the entertainment which was to have been given by the Christian Church this evening, has been indefinitely postponed. Members of the church were to have presented "The New Minister."
