HOP MARKET SHOWS LITTLE IMPROVEMENT

Hop market trade continues very quiet with a deadlock between growers and buyers, as to the price. None of the better holdings are available at any price, the goods simply being withdrawn from the market by holders. Efforts to dislodge them from this position have proved unavailing and for that reason buyers have tried the usually more effective way—to stay out of the market.

A small trade in low quality goods is still reported but no change is shown in prices.

Other markets report a quiet but firm tone for spot hops. Contracts are firm everywhere and all along the coast 10c a pound is being freely offered, with few willing to accept.

Fourteen hundred bales of hops are left in the hands of growers in Washington, according to James Piroux, a Tacoma dealer and grower. Practically all of the Western Washington growers sold their hops last fall when the market was from 3c to 5c higher than now, realizing \$500,000 for their share of the state crop. Contracts for 1913 hops are being made on the basis of 15 cents a pound, but few deals are being closed at that figure.

Kaiser Wilhelm and Children Snapped at Recent Reunion

Photo by American Press Association

THIS interesting picture of Kaiser Wilhelm of Germany and his children and close friends was taken recently. The emperor may be easily picked out at the upper left. Next to him stands the crown prince, who has been restored to his father's good graces and has returned to Berlin. Princess Victoria Louise, whose engagement to Prince Ernst Augustus was lately announced, and her sister-in-law, the crown princess, are at the upper right of the picture. The men are all wearing royal regimental uniforms.

INVESTIGATION The announcement of the court, made in The Enterprise that Clackamas County is out of debt has taken the wind out of the sails of the men who have planned an attack on the members of the County Court under the pretense of an investigation of the county's affairs. There is in the hands of the County Treasurer money sufficient to pay off all outstanding indebtedness of the county, and that official will issue a call some time this week. There would be some time this week. There are no warrants outstanding in the general fund. It is an ideal time to investigate the affairs of Clackamas County, from the standpoint of the County Court, and the expediting of the county's books, now in progress, will show an enviable condition of its finances.

PORTLAND BEATEN IN NINTH INNING

SAN FRANCISCO. April 2.—(Special.)—San Francisco nosed out Portland in the ninth today, the score being 3 to 2. Carson had pitched brilliant ball for eight innings, having allowed only six hits, but a fierce three-base swat into deep center by Hughes in the last frame with one out, shot a poisoned dart through the soldier's record. The score by innings follows:
Portland 0 0 1 0 1 0 0 0 2
San Francisco 0 0 1 0 0 0 1 1 3

Modern College Men Less Useful Than Those of Fifty Years Ago

By President CHARLES ALEXANDER RICHMOND of Union College, New York

THE PRESENT DAY COLLEGE MAN IS LESS USEFUL THAN THE ONES OF FIFTY YEARS AGO, AND THE COLLEGES OF TODAY HAVE MADE LITTLE GAIN IN CHARACTER.

We have gained in a certain up to date smartness, but have NOT GAINED MUCH IN CHARACTER, while in the sense of duty in personal responsibility and initiative we have lost.

The purpose of education is to develop personality and strengthen character, to form the minds and mold the spirits of young men in the image of the highest.

The obligations of the college man are HEAVIER than those of any other, and the more highly educated a man is the more truly democratic he becomes.

COUNCIL CLOSES THREE SALOONS

and now one of the attractions at the City park. The Morning Enterprise believes that the dance was as orderly as it was enjoyable.

Continued from page 1)

Joining property owners was referred to the committee on health and police. Councilman Toose said the committee did not have a report ready in regard to a skating rink.

A petition signed by merchants and prominent property owners on Seventh Street asking that that thoroughfare be improved with hard surface was read. Action was deferred until the meeting next Wednesday.

The report of the committee on public docks was deferred one week. The W. C. T. U. asked that minors be prohibited from buying tobacco. The meeting was one of the largest ever held in the council chamber. Fully one-third of the audience was composed of women, who came mostly in the interest of children being allowed to skate on the sidewalks.

FELT BAD ALL THE TIME

Shellhorn Lady Suffered a Great Deal, But Is All Right Now.

Shellhorn, Ala.—In a letter from this place, Mrs. Carrie May says: "A short time ago, I commenced to have weak spells and headaches. I felt bad all the time, and soon grew so bad I couldn't stay up. I thought I would die. At last my husband got me a bottle of Cardui, and it helped me; so he got some more. After I had taken the second bottle, I was entirely well. I wish every lady, suffering from womanly trouble, would try Cardui. It is the best medicine I know of. It did me more good than anything I ever used."

Cardui is a woman's tonic—a strengthening medicine for women, made from ingredients that act specifically on the womanly organs, and thus help to build up the womanly constitution to glowing good health.

As a remedy for woman's ills, it has a successful record of over 50 years. Your druggist sells it. Please try it.
