## OFFICIALS READY FOR PROBE TODAY

COUNTY COURT WILL TELL TAXPAYERS HOW MONEY HAS BEEN SPENT

## BIG MEETING TO START AT 2 O'CLOCK

Judge Beatie Prepares Statement For Benefit of Investigators—Complete Probe is Asked By the Court

At least 50 taxpayers representing all parts of the county are expected to attend the meeting to begin at 2 o'clock this afternoon in Woodmen Hall to investigate the county court and other county officers. The petitions calling the meeting were signed by several hundred persons. It is charged that the county court did not let contracts for bridges to the best advantage and that Mr. Nease is being paid too much money for crisscrossing the timber of the county. The county court will be asked to explain why the Farmers' Society of Equity has been denied the use of the circuit and

## ELOQUENT PLEAS LOST ON CITY COUNCIL

It is doubtful if there are two better lawyers in Oregon than J. E. Hedges and O. D. Eby of this city. It is generally conceded that they know as much about the law as Mr. Blackstone himself and then a little more, for Mr. Blackstone knew nothing of the initiative, referendum, recall, etc., and Messrs. Hedges and Eby know a lot about them. However, these attorneys at law were somewhat humbled at a meeting of the city council Wednesday evening. Each represented a saloonman, who was accused of violating the law, and although each made eloquent pleas for his clients, both saloonmen were denied a renewal of their licenses. Another saloonman, who had been fined for an offense identical with that of the other two, was not represented by counsel. His license was renewed.

## BIDS FOR BUILDING BRIDGE RETURNED

The county court Friday returned bids for the building of a bridge on the Outfield Road near Milwaukie to the contractors. Bids were asked for steel, wood and concrete construction. The action of the court was due to an objection that a legal notice calling attention to plans and specifications had not been published as early as required by law. The plans and specifications will be on file at the courthouse before the next term of court. A legal notice to this effect will be published.

## OCCUPANTS ESCAPE IN AUTO PLUNGE

CAR OF DR. C. A. STUART TUMBLES OVER BIG EMBANKMENT

## THREE MEN CAUGHT UNDER MACHINE

L. Clayton, John Haring and C. D. Clark Have Thrilling Experience on Logan Road.

L. Clayton, John Haring and C. D. Clark had a narrow escape from death Friday night on the Logan road when an automobile in which they were riding plunged over an embankment 25 feet high. The men were caught under the machine, which turned over, but not a one of them was hurt. Dr. C. A. Stuart, owner of the automobile, and J. E. Mumpower, accompanied the other men early in the afternoon on a fishing trip. After fishing several hours in the Clackamas River near the Clackamas Tavern Clayton, Haring and Clark decided to take a ride in the automobile. Dr. Stuart and Mr. Mumpower announcing that they would continue fishing.

The automobile had gone only a short distance when the steering gear got out of order and Clark, who was driving the car, realized he was in a predicament. He tried to guide the machine to the right side of the road, but without success and in an incredible short time the machine and its occupants plunged over the embankment. Dr. Stuart and Mr. Mumpower were notified of the accident and hurried to the assistance of their companions. They were amazed when they found the machine badly wrecked in a ditch at the side of the road and three men trying to turn it over.

"The men were caught under the car," said Dr. Stuart, "and I cannot

## SUGAR TARIFF TO BE REDUCED

PRESIDENT INSISTS UPON FREE TRADE IN COMMODITY EVENTUALLY

## OTHER PRODUCTS ARE CONSIDERED

Income Tax Rates Also are Agreed Upon at Meeting—Senate Leaders Will Study Measure

WASHINGTON, April 4.—The Democratic tariff revision bill was completed tonight, with the exception of a final decision upon the sugar tariff. From beginning to end it is a measure modeled in accord with the ideas of President Wilson, with wool, meats and many other roodstuffs and clothing materials on the free list, and with the tariff on chemicals, steel and other commercial products cut far below the present protective rates.

The Senate tariff leaders asked today for an opportunity to study the bill until Sunday afternoon. They then will confer with Chairman Underwood of the House Committee on ways and means, and later will have a final conference with President Wilson. A careful analysis of the Senate will be made in the meantime to determine whether free wool, "one-cent sugar" and low rates on "market-basket" products will prove acceptable to a majority of the Democrats.

Briefly summarized, the tariff developments of the day were: President Wilson's ultimatum to sugar interests that they must agree to a tariff of one cent per pound for three years, with free sugar after that time, or he would attempt to secure free sugar at once.

The completion of the bill, with the exception of the sugar schedule. The committee is prepared to agree on free sugar if the President insists.

Income tax rates fixed at 1 per cent for all corporation incomes above \$5000, 1 per cent on individual incomes from \$4000 to \$20,000, 2 per cent from \$20,000 to \$50,000, 3 per cent from \$50,000 to \$100,000, four per cent above \$100,000.

## ONLY "REGULARS" WILL GET PLACES

CHAMBERLAIN AND LANE BAR APPLICANTS WHO HAVE BOLTED

## POSTMASTER-GENERAL OF SAME MIND

Democrats, Who Have Registered as Republicans, Stand No Chance With Wilson Administration

WASHINGTON, April 4.—It became known today that Senators Lane and Chamberlain in making up their patronage slate several days ago turned down all Democratic applicants who had at any time in the past registered in the Oregon primaries as Republicans.

There were 15 or 20 applicants for various offices who had at one time or another registered as Republicans, but when this fact became known all such were rejected. In one instance a Democrat who had once registered as a Republican was about to be recommended for an office when advices were received as to his irregularity and recommendation was withdrawn.

One of the Oregon Senators was inclined to recognize several Democrats who had registered as Republicans, but his colleague stoutly refused to agree to the appointment of any Democrat whose regularity was thus questioned.

It is also known that Postmaster-General Burleson will so far as he is able, prevent the appointment of any Democrat of this type to any postmastership. Burleson says he will recognize only straight Democrats.
