MORNING ENTERPRISE OREGON CITY, OREGON. E. E. Brodie, Editor and Publisher. Entered as second-class matter January 9, 1911, at the post office at Oregon City, Oregon, under the Act of March 3, 1879. TERMS OF SUBSCRIPTION. One Year, by mail, \$3.00. Six Months, by mail, \$1.50. Four Months, by mail, \$1.00. Per Week, by carrier, .10. CITY OFFICIAL NEWSPAPER. April 11 In American History. 1861 South Carolina Confederates demanded the surrender of Fort Sumter. Charleston harbor, by the United States garrison. 1862 A force of Confederates 10,000 strong laid formal siege to Suffolk, Va. 1862 General Wade Hampton, distinguished Confederate cavalry officer, died; born 1818. ASTRONOMICAL EVENTS. Evening stars: Venus, Saturn. Morning stars: Mercury, Jupiter, Mars. The first magnitude star, Vega, of constellation Lyra (the Lyre), rising in the northeast about 8:30 p. m. THE JAPANESE That proposed an issue AGAIN, Italian land ownership law of California threatens to raise a troublesome issue for the United States. It is directed chiefly

against the Japanese, and their government is making protests against it to our State Department. Right at the outset in their career President Wilson and Secretary Bryan are confronted with as delicate a question as has come before any administration in recent times. Mr. Bryan's promise to give close study to the way which President Roosevelt handled the California-Japanese school issue a few years ago shows that he realizes the gravity of the situation. Although the number of Japanese in California is much fewer than that of the Chinese, and both are diminishing there, the prejudice against the Japanese is much greater than it is against their fellow-Orientals. In proportion to their numbers the Japanese have engaged extensively in landholding. The Japanese are a sensitive people. When, by the adoption of a constitution in 1889, they joined the ranks of the Western nations, they believed that they deserved some consideration which was denied to their plodding, reactionary neighbors of China. Their victory over China in the war of 1894-95 gave them a prestige which extended all over the world, and which led to a study of their institutions by Europeans and Americans. Their triumph over the Russians in 1904-05 placed them abreast of the most modern of the world's states, or appeared to.

Naturally, a people which made such swift and sweeping advances would be likely to resent anything like discrimination against them anywhere on account of race, color, or anything else. An Ordinance providing for the manner of constructing the floors and caring for the stables and buildings in Oregon City, Oregon, where domestic animals are housed. Oregon City does ordain as follows: Section 1. All stables where any cattle, horses, mules or other like animal or animals are housed in Oregon City shall be provided with tight light floors of not less than two inches matched sound fir lumber or suitable concrete and by in a sewer district shall have sewer connections so that all liquids, including wash water shall be discharged directly into the sewer. Outside of the sewer districts the floors shall be so constructed that all liquids, including wash water, shall drain to a receptacle of sufficient size and character to hold the said liquids and shall be emptied daily at such places as shall prevent the same from becoming unsanitary or offensive and so as to prevent the same from being breeding places for flies or other harmful insects. Section 2. Each stable shall be provided with a tight wooden or metal box covered with a tight cover for receiving the manure or offal from the animals and the manure or offal shall be placed in said box or removed once each day. Said box shall be kept tightly closed except for the necessary time for putting the manure in said box. Said box shall be emptied at least once every week. Section 3. Any owner, agent of owner or keeper of any stable or building where any of said animals are housed who shall violate or permit or allow any of the provisions of this Ordinance to be violated shall be guilty of a misdemeanor and shall be punished by a fine of not more than \$100.00 or by imprisonment in the City Jail of not more than 60 days or by both such fine and imprisonment, when found guilty in any court of Oregon City. Section 4. This Ordinance does not repeal any of the provisions of any Ordinance now in force in Oregon City. Section 5. This Ordinance is for the purpose of providing for and procuring the health of the people of Oregon City. Section 6. Whereas, there are a great many filthy stables in Oregon City, which are a menace to the health and safety of the people of Oregon City, it is necessary for the immediate preservation of the health and safety of the people of Oregon City, an emergency is here declared and this Ordinance shall take effect and be in force immediately upon its approval by the Mayor. Read first time and ordered published at a special meeting of the City Council held on the 9th day of April, 1913. L. STIPP, Recorder.

may be swung flat against the building quickly, and shall be kept flat against the building when not in use. No part of a sign shall be so placed as to interfere with the ingress or egress to and from the windows in case of fire. All signs extending over the sidewalk on Main Street, from the southern limits of the city on said Main Street, to 12th Street, and on Seventh Street from Main Street to the bluff in Oregon City, shall be constructed of metal or other fire proof material, and on at least one side, each letter shall be outlined with incandescent globes or gas jets or bull's eyes or lenses, and in case the said letters are outlined with bull's eyes or lenses, they shall be illuminated by at least one incandescent light or gas jet. All electric signs will be provided with a switch on the outside of the building within convenient reach of the sidewalk. No sign shall be extended from the building beyond the curb line except as hereinafter provided. Signs above provided for shall be erected only upon permit from the City Engineer which shall be granted the applicant therefor upon furnishing the City Engineer with a drawing and description of the sign, which said description and drawing shall be dated and filed by the City Engineer and kept by him in convenient form for reference. Section 2. Any person, firm, or corporation desiring to erect a sign to extend a greater distance over the sidewalk than the curb line, or to extend over a street or temporary cloth banner to be hung across the street, shall make application therefor to the Council, submitting at the time, the location where the sign is desired and a drawing and description of the same. No such sign shall be erected until a permit therefor has been granted by the Council. Section 3. Penalties for violation of this ordinance. Fine not less than \$5.00 nor more than \$50.00; imprisonment in city jail for term not less than two days nor more than twenty-five days or both fine and imprisonment. Each week of violation shall be considered a separate offense. That part of Ordinance No. 459 of the Ordinances of Oregon City, entitled, "An Ordinance relating to the construction and removal of signs and awnings in Oregon City," approved Sept. 8th, 1910, in conflict herewith and the same is hereby repealed. Read first time and ordered published on the 9th day of April, 1913. L. STIPP, Recorder.

About Tramp Automobiles WHAT IS A TRAMP AUTOMOBILE? you ask. Not a dilapidated car of ancient manufacture—but at all in our sense, it usually is a new car, painted, trimmed, and shiny on the outside, like many other cars. And yet this one is a tramp automobile—a car without a home. Don't you buy that kind! BECAUSE IT IS SOLD TO YOU WITHOUT SERVICE, that valuable adjunct without which any car may become an expensive bargain to its owner. "HOW IS THE DEALER GOING TO TAKE CARE OF ME?" That's one of the questions you should ask yourself. "How well or how poorly is he equipped to give me proper service?" OVERLAND DEALERS CARRY A STOCK OF PARTS and replacements depending on the number of Overland cars running in the particular dealer's territory. That's a part of the dealer's contract with the Willis-Overland Company on which the company lays great stress. PARTS ORDERS COME FIRST, ALL OTHER BUSINESS NEXT. That is the rule of the big Overland plants in Toledo, which stands behind the dealer every time. Such is the SERVICE you buy in addition to the big unrivalled value you get in the great Overland itself. STEP IN AND SEE FOR YOURSELF, one of these days, how well the Overland owner is taken care of. No particular credit is claimed for this condition, because it is a business maxim as old as business itself, that the satisfied customer is the merchant's best advertisement. It's just ordinary mercantile sagacity. But you ought to look into it for your own benefit. DO YOU WISH TO KNOW MORE ABOUT IT? Will you call? A postal will bring the information, even a telephone request. Miller-Parker, Dealers Oregon City, Oregon.
