

COOPER'S DISCOVERY

Best For Your Stomach

Nearly half the people nowadays are simply dragging themselves through life. They feel dull and listless, and are generally "a bunch of nerves." The strain of modern living is the cause of this condition. We do everything in a hurry and nature cannot stand the pace.

Are you one of these half-sicks? Have you an irregular appetite? Do you feel bloated after eating? Do you feel languid and tired all the time? Do you suffer from headaches? Have you a bad taste in your mouth, or coated tongue? Is your breath offensive? Do you suffer from biliousness.

If you have these symptoms your system is in a weakened condition and your stomach, liver and kidneys need attention.

COOPER'S NEW DISCOVERY

is restoring health to thousands who are thus afflicted. If you are one of these unfortunate sufferers you will do well to give this medicine a trial.

Cooper's New Discovery is the one best remedy for stomach trouble because it is simple and direct. It puts into wholesome action the stomach, liver, bowels, blood system and nerves, thereby restoring the vital forces which have been unduly exhausted through lack of proper nutrition. Thus you will be restored from dyspepsia, indigestion, biliousness, loss of vigor, constipation, anaemia, despondency gastric disturbances and those of the diseases which attack a weakened system.

The human body will cure itself of almost anything if nature is given a chance. When every meal digests properly, flushing the veins with good rich blood, clearing away the impurities, feeding the nerves and muscles as nature intended they should be fed you will feel like a new man.

COOPER'S NEW DISCOVERY WILL DO THIS.

E. P. ELLIOTT & SON

Our school closed Thursday, April 20th, for the lack of funds. We have only had seven months of school. Several ladies brought baskets and gave the children lunch, after which the children gave their closing exercises, which was done to the credit of all. The school children sang several songs with Georgia Bancroft at the organ. Miss May Clark, of Mount Pleasant and Miss Nellie Knowles sang several duets. We feel it was an afternoon well spent, and trust more parents will take interest in the pupils and their work.

A Word to the Storekeeper

What kind of advertising are the manufacturers whose goods you handle doing for you?

Are they advertising merely to create a DESIRE for their products?

Or are they really trying to create a DEMAND?

General publicity may create desire for an article, but the only kind of advertising that benefits the retailer is the kind that creates demand—the kind that brings customers direct to the store.

The one effective way of linking the retail store with nationally distributed merchandise is to use daily newspaper space.

You, Mr. Retailer, understand the value of newspaper advertising.

Next time you talk with a manufacturer who wants to help you sell his goods through advertising tell him what you know about the efficiency of THE ENTERPRISE and other good newspapers.

If Moyer's \$15 Suits Were Made Merely to Sell

there would not be so many men eager to buy them. Moyer's success in producing fine suits at \$15 is because of the fact that they are made to wear—the selling of them follows naturally.

The first question asked when a fabric is examined is this: "Will it give the service required of the cloths that go into Moyer \$15 suits?" Nothing but the best is accepted—nothing but all-wool fabrics thoroughly tested.

Moyer \$15 suits stand without an equal at the price—easily the peer of those sold by ordinary stores at \$20.00 and \$25.00.
