WHAT SOME NEWSPAPERS SAY OF "RONEY'S BOYS"

New Orleans Democrat—Deserves the reputation it claims—that of being the best traveling organization of its kind in the country.

Tacoma (Wash.) News—Of "Roney's Boys" it is hardly possible to say too much. The admirable training, perfect method and rare control of juvenile voices reveal the hand of a master. In nothing else was it so clearly proven as in the concerted work that Manager Henry B. Roney is past master of his art.

Moberly (Mo.) Democrat—Not since the foundations of Moberly which laid have our people had such a musical treat from a musical standpoint. Such singing has never before been heard here, and the audience was enraptured.

Chicago Four Hundred—"Roney's Boys" achieved phenomenal success at the auditorium and created a furore such as has rarely been witnessed in the concert room. People lost their decorum and applauded like wild. The boys are all trained to the top notch of artistic perfection, and therein Mr. Roney has set a pace which is a hopeless one for his imitators. No such singing of boys was ever heard in this or any other country.

Richmond (Va.) News—"Roney's Boys" captured the hearts of Richmond. Such continued and spontaneous applause is rarely heard in the concert hall, because the company far exceeded expectations. "Roney's Boys" exquisite singing and playing probably excelled in artistic finish and intelligent interpretation any performance ever heard by little people in these parts. Their elegant costumes and trim military uniforms, their artless, unconscious and high-bred manners, coupled with winning smiles, all completed a stage picture that did the heart good.

The Superiority of Electric Toast

to the charred, or brittle, or soggy kind made in the tedious old-fashioned way, is relatively the same as the superiority of grilled steak to fried steak. For one-tenth of a cent a slice the General Electric Radiant Toaster makes Perfect Toast faster than you can eat it. It is Perfect Toast because the radiant heat forces the necessary chemical change in the bread. This insures delicious golden Toast that fairly melts in your mouth.

You can operate the General Electric Radiant Toaster on the finest damask table cloth. Its neat porcelain base and cheerful glowing coils add grace and charm to any table. This little toaster is on display at our store in the Beaver Building on Main Street.
