NEWS FROM THE COUNTRY

INTERESTING ITEMS FROM ALL PARTS OF CLACKAMAS COUNTY

MACKSBURG.

The bright sunshine that flooded the landscape on Monday morning, after a three day's rain, brought joy to the hearts of the ranchmen, who were beginning to entertain forebodings for the grain. It seems, however, to have suffered no damage and is promising a heavy yield.

There are fewer inroads from those insidious enemies, field-mice, gophers and gray-diggers, than formerly. This is due, no doubt, to the constant clearing that is going on, leaving year by year, fewer and fewer hiding places for these pests. While these lurking foes are subsiding these benefactors, the birds, seem to be on the increase. Never before have the robins, bluebirds and Bob-Whites, been so numerous as they are now. Never has their song been sweeter or their plumage gayer than it is today. The delight they afford the eye and ear, would alone, seem enough to entitle them to protection, but this is by no means all the benefit they afford. In a recent article from our game warden we are told that investigation has shown that a young bird is capable of consuming its own weight in destructive insects in a single day. The same article tells us that the most beautiful specimen of ornithology, the Chinese Pheasant is also an insatiable feeder upon harmful insects and larvae, and that these birds are likely to thrive in greater and greater number in this part of the state.

In all these rushing days none are busier than are the children. Added to their usual pursuits and pleasures is that new enterprise, the Juvenile Fair. Gardens are assiduously worked, fowls and livestock are receiving solicitous care and many sorts of handicrafts are in progress by both boys and girls. The lists of prizes published in the paper have furnished the children incalculable impetus and the coming summer vacation seems certain to be filled with earnest pleasurable work.

NORTH LOGAN.

Mr. and Mrs. Chas. Christiansen have gone to Newberg as Mrs. Christiansen's father, Mrs. Stubbs, is seriously ill. S. P. Christiansen is fishing at Oregon City. Mr. Christiansen has sold almost all of his entire lumber yard to Mr. Turner of Barton.

Last Sunday Miss Grace Stanton had a very close call from drowning as in crossing the Clackamas river in order to go to Barton to see the ball game she fell out of the boat. But for the quickness of her father she would have been drowned, as she pitched head first out of the boat and her father caught her by one foot as she came up, and pulled her in the boat.

Mr. Turner is going to build a levee on the river side of his farm. Mrs. J. B. Cumins has been sick the last few days, but is better again. Ed Stanton was around renewing acquaintances among the boys at Cumins Mill. Geo. Sagar expects to leave for the Hot Springs in a few days.

ECHOES FROM MILWAUKIE.

Milwaukie Happenings Always Interest Our Readers. After reading of so many people in our town who have been cured by Doan's Kidney Pills, the question naturally arises: "Is this medicine equally successful in our neighboring towns?" The generous statement of this Milwaukie resident leaves no room for doubt on this point.

Mrs. Clara E. Cook, R. F. D. No. 2, Box 105, Milwaukie, Ore., says: "For years I suffered from pain in my back, much more severe if I over-taxed myself or caught the slightest cold. The kidney secretions were unnatural. Doan's Kidney Pills proved to be just the remedy I needed. They gave me quick relief from all the troubles. A few times since then, I have used Doan's Kidney Pills and they have always given the best of results. You may continue publishing my former endorsement."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Quadra, New York, sole agents for the United States. Remember the name—Doan's—and take no other.

Mr. Roberts had his hand badly injured, while working with a disc last Thursday. Lavon Leroy, Lulu Roberts and Iva Reid took the state examination for eighth grade work Thursday and Friday. Mr. Swinkey, of Sandy, and S. H. Hoffman have purchased the Arthur Miller property. They took possession May 6th. Mr. and Mrs. Seward were transacting business in Sandy last Saturday. Miss Iva Reid leaves this week for Metzger, where she will take a position for the summer. A. J. Morrison and C. A. Keith were in Oregon City last week on road business. School will close May 20th with a fine programme and a picnic in the woods. Rev. Smith preached a fine sermon Sunday. The subject was, "Motherhood."

William Sprague's girls have recovered from the diphtheria. Harry Hubert, who was seriously hurt in a sausage mill, is getting along nicely. John Founde has left the hospital and returned to Mr. McKillican's. Mrs. J. M. Smith, who underwent an operation at the Oregon City Hospital Sunday, is doing well. The Evergreen school will close the 25th of May with a program and picnic. The Kitmer and Kinsel mill has taken a large tie contract and will start their mill soon.

BOYS ARE PRAISED. St. Paul Dispatch—The child in stead of being father to the man has come to be the main thing himself. That boys from nine to fourteen years of age can give a concert which deserves to rank high as a distinctly musical success was demonstrated beyond cavil at the People's church last night. Every child in St. Paul deserves to have the idea of his own possibilities enlarged by hearing these boys who are musicians to their finger tips. So perfect has been their drill that they have reached absolute unity of tone. Then they are such thorough little enthusiasts that all their work is filled with that spirit of delight in doing which so often is lacking in the performance of their elders.

LOCAL MINISTER

BUSY IN TACOMA

Rev. T. B. Ford has left for a brief trip to the Puget Sound country, and during his absence from the city will visit Tacoma and Olympia. In the former city Dr. Ford will assist one of the Tacoma pastors in a brief evangelical campaign, and will deliver an address before the Ministerial association of that city upon "Modern Thought and Traditional Faith." His visit to Olympia will be for the purpose of calling upon former parishoners and friends. During his absence services will be held the same as usual in his Oregon City church. Next Sunday morning Miss Maud Kenworthy will speak from the pulpit, and in the evening the Rev. Henry Speiss will preach the sermon.

ALL MARKET STUFF DECLINES IN PRICE. New potatoes are now being bought by Portland commission houses at 2 1/2 cents a pound, a drop of 1/2 cent from the former mark. Old potatoes continue to be a drug on the market. Some extra grade new spuds are bringing a cent and a half higher than the ruling price, but very few are in this class.

Head lettuce is improving in quality and quantity, and prices have dropped from \$2.50 to \$2.25 a crate. Some extra grade new spuds are bringing a cent and a half higher than the ruling price, but very few are in this class.

Strawberries are increasing in quantity, state berries coming in from the east and south in fair volume. Prices remain about the same, but the grade of fruit is much better. Some Washington berries, in the new boxes, have also arrived, and are topping the market.

Interest in hop contracts is beginning to revive, and it is reported that the market will open somewhere between 12 and 15 cents. The outlook for the hop yield is none too good, as far as acreage goes, and the late rains are an argument against a large crop.

High School News. In the account of the junior-senior picnic at Schnoer's park it was stated that dancing was enjoyed in the evening. This was an error. Following the picnic the members of the party met for indoor merriment, but did not break the high school law that prohibits dancing at all school functions.

The pupils of the Oregon City high school are busily engaged at the present time at work upon their ex-

hibit work, which they will show on Friday, Decoration day and the following Saturday. This work represents what the various pupils have been accomplishing during their school year and is exhibited to the parents for inspection. This year there is considerable interest taken and some good exhibits will be the result.

The high school baseball team has been going through some stiff practice the last few days, and Thursday night they received a hard workout in preparation for the game which will be played next Saturday at Mt. Angel, with the college team. They are in good condition and some fast work will probably be seen. A number of students are planning on making the trip up the valley to Mt. Angel with the team.

Kenneth Latourette, a graduate of the Oregon City high school, and later a graduate of Yale, gave an interesting talk upon China at the Wednesday assembly. Mr. Latourette, who has spent much time in the Dragon Kingdom, told of the great changes
