ROSE EXHIBITS TO SURPASS ALL

PLANS FOR ANNUAL DISPLAY OF BLOOMS ARE ELABORATE AND NOVEL IN SCOPE

GREAT PAGEANT WILL BE FEATURE

Fine Blossoms to be Shown Throughout World by Moving Pictures—Parade to be Held for Prizes

June 7th has been fixed as the date on which the Oregon City Rose society will hold its annual show, and it is expected that this year's exhibition will outrank all former displays put on in this city.

Not only will this year's exhibition be a thing of beauty in itself, but it will do much to advertise the city and county. Motion pictures will be taken of the rose show and of the parade that will be held in conjunction with the display.

At half past one in the afternoon there will be a parade in which all departments of city and county activity will be represented. There will be automobiles, floats, fire department apparatus, vehicles and pedestrians, and cash prizes will be offered for the best turnouts in the several lines.

RETIRING BONDS BOUGHT AT PAR

CITY TO SAVE BIG SUM YEARLY IN INTEREST BY TAKING UP WARRANTS

FINANCIAL STABILITY INDICATED

Local Paper Finds Better Market Than Do Salem Securities—\$70,000 Involved in Transaction

Through the issuance of \$70,000 of 5 per cent bonds, Oregon City will henceforth save itself about \$700 a year that it has been heretofore paying out in interest.

In connection with the sale of the local bonds at par it is pointed out by those interested that Salem, on a recent bond issue, was unable to get a better bid than 93; while one bid for Oregon City bonds was made at 97 over par.

Utilizing the money received from the sale of the bonds, as well as some other moneys on hand, City Treasurer M. D. Latourette has issued a call for all warrants endorsed prior to November 1, 1912; and will thus take up about \$69,000 of the city's indebtedness.

There will still remain outstanding warrants to the extent of about \$50,000 in the several funds, and it has been suggested that a second issue of retiring bonds be issued to care for these.

FRIEDMANN CURE FAILS IN OREGON

The first inoculation of Dr. Franz Friedmann's turtle anti-tubercular serum in Oregon has proved a failure.

N. F. Throne, of Ashland, formerly an employee of the Pittsburg Gas Company, Pittsburg, received eight one-dram phials, four of turtle tuberculin and four of turtle serum a few weeks ago.

Professor Papanicolaou, state bacteriologist, examined these carefully with a microscope and found that the serum was badly contaminated and that the tuberculin, which is a thick yellow fluid, contained tubercule bacilli.

TOP PRICES RULE CATTLE MARKET

Receipts for the week have been: Cattle 1810, calves 113, hogs 4312, sheep 4597, horses 55.

The cattle market reached the pinnacle of this year's business last Monday. All existing Pacific coast open market prices for beef were broken when five loads of corn fed steers went to the killers at \$9.00.

Swine prices suffered one of the severest slumps of the year on Monday and Wednesday. Total loss was 45c. Tops were just steady Thursday at \$8.40.

BORAH THE NEXT?

NEW YORK, May 17.—Harper's Weekly today makes the following editorial forecast: "We predict today that the next Republican candidate for President of the United States will be William E. Borah of Idaho."

More than a year before Woodrow Wilson's nomination, Harper's made a similar prediction, which fact is referred to editorially by the New York Sun this morning.

AUTO CLUB FOLK GIVEN COURTESY

Through the co-operation of Chief of Police Shaw, members of the Clackamas County Automobile club have been placed on an equal footing with members of the Portland Automobile club in Multnomah county; and henceforth should any of them be arrested for speeding or other violations of the law, they will not have to go to the police station and furnish bail, but will be released at once upon the surrender of their club membership card.

When it was first determined to issue cards to members of the local club, Chief Shaw was asked if he thought it would be possible to arrange for the use of cards in place of bail money, in case of arrest. The chief said he would gladly make such arrangements in his own jurisdiction and volunteered to take the matter up with the Portland authorities.

"E. L. Shaw, Chief of Police, Oregon City, Oregon."
"Dear Sir: We are in receipt of your communication of the 15th inst., relative to the issuing of cards to the members of the Clackamas County Automobile club, and in reply will say that it will be satisfactory to me if they will issue a similar card to the Portland Automobile club, with the understanding that the club will assume responsibility for its members when cards are taken up as assurance of their appearance in court after arrest for some violation of our laws."

COUNTY SCHOOLS PLAN GALA DAY

ANNUAL TRACK MEET AT GLADSTONE PARK TO BE PICNIC OCCASION FOR ALL

FOLK DANCES AND MAYPOLES TOO

Baseball Game Between Teams Composed of Girls Will Also Help to Enliven Program of General Interest

Maypole windings, folk dances, exhibition drills, competitive sport contests, a girls' baseball contest, and general good times for all who attend are promised by the Clackamas County School league for its annual field day, to be held at Gladstone park next Saturday.

Aside from the set program for the youngsters, there will be pastimes and games for the grown-ups and for all who attend, it being the aim of the league to make the affair a general picnic and festival day. Parents and friends of the members of the league are urged to bring their lunches, and to make a day of it in the open; and it is also hinted that kodak enthusiasts will probably find material that will be worth their while.

Particular interest centers in the competitive games between the different high school teams, for which handsome cups will be offered. There is a strong rivalry between the Estacada, Milwaukie, Canby and Oregon City high schools, and it is expected that the several teams will fight desperately for victory.

Aside from the main athletic events of the day there will be a series of special features that will help add interest to the meet this year. Among these will be a Maypole winding contest, in which probably at least ten teams will compete.

The girls' baseball team from the Gladstone school will play a match game with a similar team from the Oak Grove school, and in this there will be the keenest kind of rivalry. The Gladstone girls have been practicing steadily for the event, and have developed considerable skill and team-ability; but it is also said that their Oak Grove sisters are not far behind, so a contest well fought will probably result.

MARRIAGE LICENSES

County Clerk Mulvey has issued the following marriage licenses: Lottie A. Evans and John B. Bond, of Milwaukie; Grace E. Davis and W. E. Wells, the latter of 545 Morrison street, Portland.

COMMONWEALTH CONFERENCE ENDS

Folk Dances, Open Air Drama and Banquets Are Features of General Meeting to Review Oregon Progress

UNIVERSITY OF OREGON, Eugene, May 17.—Three separate banquets, given tonight, respectively to women visitors, editors, and guests in general, closed the biggest and final day of the Fifth Oregon Annual Commonwealth conference, which opened this morning with a single session, branched out at noon into three separate conferences, together once more in the latter part of the afternoon for out-door pageantry and classic drama under the trees of the campus, and closed this evening with three banquets and numerous more individual efforts to show hospitality to the university's guests.

The women of Oregon played a major part in the program of this afternoon. Representatives of clubs and working women from all over the state went into session at noon, in which more than a score of leaders from Portland and other cities made five minute addresses. Planned by
