CHANCE TO SECURE CHATAUQUA TICKET

Red-hot from the presses of The Enterprise, the Chatauga annual booklet and program makes its appearance Tuesday. The 1913 booklet is printed in brown, with a two-color cover, and consists of 32 pages. The booklet is a mighty pretty piece of work. The Enterprise's battery of fast presses began the run of 30,000 impressions Saturday morning, and the force established a record in printing, folding, stitching and trimming the booklets. The monster task of mailing the booklets to all corners of the surrounding country will begin in earnest today at the office of the secretary, H. E. Cross. As this is vacation time, the management of the assembly will give a limited number of high school or other young ladies who wish to earn their season tickets, an opportunity to secure one by assisting in the work of mailing the programs. Those who call earliest at the office of the secretary, Mr. Cross, will be given the chance to earn their season ticket during the next two days.

PENNSYLVANIA COAL FINDS STRONG RIVAL

NEW ORLEANS, La., June 9.—With the arrival here today of the first barge of coal from the Alabama fields by the all-water route a mighty rival is ready to grapple with Pennsylvania for the fuel market on the lower Mississippi. Giant dredges have at last opened a great fluvial highway into New Orleans, which, in a large measure, overcomes the advantages which nature gave the coal companies along the Monongahela. The shipment that arrived today is small, but it is believed to be the forerunner of millions of tons and to mark the accomplishment of one of the most important commercial achievements in this section since Eads cut his channel through the shifting bar at the mouth of the Mississippi. It is not alone the New Orleans market that is now concentrating the attention of the great coal concerns on this port. Within a few months the Panama canal will be a reality. With the converging of many steamship lines coal will be trimmed into ports to get the lion's share of this business. "Ad" Men Flock to Baltimore. BALTIMORE, Md., June 9.—With the downtown section gorgeously decorated for the occasion, Baltimore today extended a hearty welcome to the ninth annual convention of the Associated Advertising club of America.

CASE IS CALLED; PLAINTIFF GONE

J. Elliott Clark, last week the defendant in an assault and battery case in Justice Sievers' court, and later reported as having mysteriously disappeared from his rooms in Portland, following what is said to have been an attempt at suicide, failed to appear as plaintiff in the local justice court Monday when his case to recover \$190 from his wife was called. Whether the man is dead, or has left the country following his martial troubles, his attorneys, Cross & Hammond, do not know. Clark brought suit last week to recover \$190, which he claimed was the balance of \$235 he had given his wife to keep for him. He says that she refused to give him the money when he asked for it, but did dole him out \$19 of it in small contributions. His wife denies that she ever gave her the money. A GOOD INVESTMENT There is no better investment than a fifty cent piece in a bottle of Meritol White Liniment. Muscular and rheumatic pains, swellings, lameness and soreness of the muscles are promptly relieved. Meritol White Liniment is especially recommended as a general pain killer of unusual merit.

NOTORIOUS CASE AGAIN IN MISSOURI'S COURTS

ST. LOUIS, Mo., June 9.—After having been postponed through nine terms of court because of the alleged illness of the defendant, the case of Mrs. Dora Doxey-Whitney was taken up in the St. Louis county court at Clayton for trial. Mrs. Whitney has been a defendant in the courts of this vicinity for four years, first on a charge of murder, and then on a charge of bigamy. She first was indicted against William J. Erder, a St. Louis postal clerk she married at Clayton, died, leaving her an insurance policy on his life. A trial in this city on the murder charge resulted in an acquittal. Mrs. Doxey, as she then was, and her husband, Dr. Loren B. Doxey, then went to Tennessee. Dr. Doxey's body later was found in the Tennessee river at Clifton, Tenn. It was reported a case of suicide. In the meantime Mr. Doxey had been indicted for bigamy, on the ground that she had married Erder while still the wife of Dr. Doxey. Soon after the death of Dr. Doxey the widow went to Greer, Idaho, where she married a man named Whitney. Whitney is her sixth husband. Taft Visits Washington. WASHINGTON, D. C., June 9.—Former President Taft came to Washington today for the first time since he retired from the presidency last March. The purpose of his visit is to attend a meeting of the Lincoln Memorial commission, of which he is a member.

FLOODS INFLUENCE CATTLE QUOTATIONS

Receipts for the week have been: Cattle 1575, calves 49, hogs 5189, sheep 5827. The cattle market is very slow. A combination of circumstances has bearing prices and there is not as strong demand for beef as the previous week. Extreme high water has caused many cattle in the vicinity of Portland to be liquidated before the usual time. Heavy shipments from California and Utah have filled the yards. Best steers are selling at \$7.25 to \$7.50; cows \$6.25 to \$6.50; bulls \$5.50 and calves \$8.00 to \$9.00. The hog trade held strong until Friday, and the market is from 5c to 10c lower. Best light swine steady at \$5.40. An uneven sheep market ruled for the six-day period ending Saturday. There is a fair demand for fat mutton, which is very scarce. The bulk of receipts contained nothing but poor sheep and lambs, which are slow to move. Yearlings are quoted at \$5.50 to \$5.75; two year-olds \$5.50. Ewes \$4.50 to \$4.75 and best spring lambs are steady at \$6.50 to \$6.75. Corliss Andrews has returned from the Oregon Agricultural college to spend his vacation here.
