OREGON CITY GIRL WINS HIGH HONORS

When Harold Bauer, the pianist, was making up his program for the tour of the British Isles, competitive trials were given in London and Paris and many English and American singers entered the contest for the honor of vocal soloist. Miss Mary Adele Case won the prize and made the tour with Bauer, and by her splendid gifts added luster to the fame of the renowned artist, and gained for herself distinction that few enjoy. Since this Miss Case has, by study and practice in the great musical centers of the old world, under famous masters, and in New York, developed the range, quality and power of her voice until she is now recognized as one of the leading contraltos of this coast. Miss Case resides in New York, where she ranks high and is popular as a teacher, and is in demand for concerts and church choirs. She has been singing recently in one of the leading churches of that city. It will be a rare treat for the people of Oregon City to hear this Oregon girl, winner of distinguished honors at home and abroad. She will appear in the Shively Opera house Wednesday evening, July 2. The announcement of her appearance, in a home recital, assisted by some of the best home talent, Prof. Fletcher, and Mrs. Dr. Reed, is awakening much interest.

UNREST OF TIMES TO BE DISCUSSED

Hon. W. S. U'Ren has been invited by Dr. T. B. Ford, pastor of the First Methodist Episcopal church, to speak in his church next Sunday evening at the usual hour for service, 7:45, and has consented to do so. The subject of the address, at the request of Dr. Ford, will be, "The Causes and Relief of the Present Day Social and Industrial Unrest." Mr. U'Ren is a well known attorney of the city, is especially interested in this question, is a pleasant speaker, and the announcement that he is to speak on a question so important to capital and labor and so pertinent at this time, will attract a large audience; especially so since Mr. Ford imposes no restrictions. It is the purpose of Mr. Ford to put on a series of Sunday evening addresses upon popular subjects by men representing many views upon living question of the day. Many people sprinkle the famous antiseptic powder, Allen's Foot-Powder, into the shoes, and find that it saves its cost ten times over in keeping holes from holes, as well as lessening friction and consequent aching and itching of the feet.

EGG QUOTATIONS STILL GOING UP

Industrious boosting in Portland has forced the quietest price of eggs to 26 cents a dozen. However, eggs can be purchased from 20 cents up by those people who are not particular as to the kind they get. Incidentally it may be said that the Portland quotations on eggs are giving an ample profit to dealers, as poultry men are being from 18 to 20 cents for their stock. For this reason many poultry fanciers are continuing to sell their eggs direct to consumers. Eggs in Oregon City localities are ranging from 22 cents a dozen up. The ten-cent advance in sugar, prophesied some weeks ago, has come to pass, wholesalers all along the coast having tacked on the extra dime. Willamette valley currants are in the local and Portland market in considerable plenty. They are being sold to dealers at 75 cents a crate, and are of good quality and well ripened. Gooseberries are selling from 4 to 5 cents a pound, but the demand is not clearing the market. Spring weather has not been favorable to the crop. Strawberries are still holding on the market at all sorts of prices, from 60 cents a crate up. Some of the fruit is of excellent quality, and some of it is not.

FELT BAD ALL THE TIME Shellhorn Lady Suffered a Great Deal, But is All Right Now.

Shellhorn, Ala.—In a letter from this place, Mrs. Carrie May says: "A short time ago, I commenced to have weak spells and headaches. I felt bad all the time, and soon grew so bad I couldn't stay up. I thought I would die. At last my husband got me a bottle of Cardul, and it helped me; so he got some more. After I had taken the second bottle, I was entirely well. I wish every lady, suffering from womanly trouble, would try Cardul. It is the best medicine I know of. It did me more good than anything I ever used."

Cardul is a woman's tonic—a strengthening medicine for women, made from ingredients that act specifically on the womanly organs, and thus help to build up the womanly constitution to glowing good health.
