WILLAMETTE.

Mrs. A. S. Helden and young son, of Montana, have been visiting with Mrs. R. A. Junkin--who was an old school mate.
 Deputy Sheriff Edmunds shot one dog, whose sanity was in doubt Monday evening. If there was only a hydrophobia scare among horses may be Willamette would get rid of the bands of horses that are running wild destroying sidewalks and annoying every one night and day.
 Mr. and Mrs. Manthey have left for South Dakota after a pleasant visit at Tours.
 Dr. Fred Hunt, wife and two daughters came up from Roseburg in their car and have been visiting their relatives here, the Hunt, Bacon and Courtney families.
 Neal Whitney of Roseburg, a nephew of Fred Bacon, is trying right work for a change.
 Mayor Turner had the misfortune to be hurt by a flying chip, in the eye at the "Red Mill."
 Rev. Mr. Putnam from Madras, Oregon, filled the Methodist pulpit Sunday.
 It is a mistake about the marriage

of Everett Downey. That event is yet to happen.
 Mrs. Standifor gave a party Thursday afternoon in honor of her daughter, Christine who was six.
STAFFORD.
 We are having beautiful weather yet. For ten days now, beginning on Monday, the 7th, we have had no rain and while four days of the time it has been rather hot for men working in the field, a gentle breeze made life bearable and hay is being rushed under cover in all the fields.
 The Delkar Bros. cut there oats on the Gage place that had been blown down and hauled off nearly four loads from the little strip. Oats are very heavy this year.
 Mrs. Ida Delkar and children went to Seaside last Sunday for a week's outing. She was accompanied by her sister.
 Mr. and Mrs. August Delkar visited John Sager in East Portland returning home last Sunday. Mr. Sager formerly lived on Shafter's hill, but ill health compelled him to sell out and he is still a great sufferer.
 Mrs. Nemes is doing as well as one could expect with her broken leg and bruised in so many places.
 Mrs. Moser does not seem to improve very fast.
 About a dozen of the Mr. Powell's friends and neighbors followed his remains to the crematorium last Thursday, where it was his express-

ed wish to be taken. He was a man of sterling character, liked and respected by neighbors and friends. He was born near Dallas, Oregon on Nov. 5, 1854. His father died while he was still a boy. He proved himself a devoted son and brother, and a great help to his mother, in the care and education of her younger children.
 He married Miss Anna Parker Dec. 14, 1890, and was a kind and loving husband and very much attached to their little adopted son, now five years old, too young to realize his great loss. He leaves besides his widow and little son, three sisters, all of Portland, and a host of other relatives to mourn his loss. He died of organic heart disease, from which he had been a patient sufferer for a number of years.
 Some of the girls and boys of the neighborhood went to Succor, Lake last Sunday for a picnic, which almost had a tragic ending, as Ernest Aerni got into water over his head and not being able to swim went down but Joe Nemes promptly went for him when the boy clutched him as a drowning person will, and both would have been drowned had not others of the party got a boat around in time to haul them both aboard. It was a somewhat narrow call.
 Mrs. Weisenborn, a former resident of Stafford, but now of Glencoe, is visiting for a week among her old neighbors.
 Mrs. Waehle, whose husband was pastor of the Baptist church here for seven years but who went to California

seeking health, has been visiting her daughter, Mrs. Geo. Aden, the past month but finds the climate does not agree with her and will return to her home in California soon.
 John A. Gage came to his old home Tuesday afternoon as Roy his younger boy, had not been very well and he decided to take him home with him so as to be near medical aid if needed.
 Mr. Gage's hand, which he cut severely, has healed up but he says it feels weak and tires easily.
MACKSBURG.
 Heat, necessary to ripen the grain and fruit, has prevailed in this region the past week, but it has not been hot enough to wither vegetation or to lower the streams. The Molalla and its tributaries are flowing at their accustomed pace, while the pasture retains its freshness and cattle are as sleek and content as in early spring.
 Grain will, very soon, be beyond danger of injury from weather of any kind, and by its present appearance promises an abundant yield.
 The annual Verein picnic took place on Sunday, the twentieth and brought us many visitors from the surrounding country. The usual dance followed the day's entertainment and notwithstanding the heat, seemed to be greatly enjoyed.
 The base ball game between Hubbard and Macksburg appeared, owing

Falling Hair
 Many People Have a Simple Way of Stopping It
 It was Dr. Sangerbon, of Paris, who first discovered that dandruff and falling hair were caused by a microbe.
 And now that Parisian Sage, the remedy that kills the dandruff germ is sold in every town in America, the clean people of this country have awakened to the fact that dandruff is unnecessary; that falling hair and itching scalp can be quickly stopped, and that people who use Parisian Sage will never grow bald.
 To every reader of the Morning Enterprise who wishes to eradicate disgusting dandruff, stop falling hair, and have an immaculately clean scalp, free from itches, we make this offer:
 Parisian Sage is sold by druggists everywhere, for 50 cents a large bottle. It is an ideal, dainty perfume hair dressing, free from grease and stickiness, and will cause hair to grow lustrous and luxuriant. Sold and guaranteed by Huntley Bros.
