LOVE AND PERILS MINGLE IN DRAMA

"All the world loves a lover," and the latest sensation straight from the heart of the West, with a hunted man as a hero, in "The Law and the Outlaw," is something new and strange—thrilling beyond compare. This photoplay which will be shown at The Grand Wednesday, July 30, is rugged reality, which indicates that there must be compensation for violated laws, no matter how brave and daring the victim of justice may be. "Dakota" Wilson, the man from Deer Lodge penitentiary, is an unusual type—not the conventional, cringing, glance-avoiding individual but the resourceful chap who meets you face to face and measures you for a man—a man who has lived in the open, loves freedom so well that he will dare almost anything to escape the pent-up wall of the Pen. The redeeming trait of "Dakota" is that he is honest in his love and respects a true womanhood—daring death for his devotion. His chase of the frenzied bull, his leap from his pony to its broad back, and his bringing the animal to earth with his naked hands, saving the life of the girl, were possibly all in the day's work to him, but it won the admira-

tion of his comrades and the undying esteem of the girl. His wonderful escape, rolling manacled down the mountain, the target for the usually unerring aim of the sheriff, is another bit of devilry. But all of these daring diversions do not equal the plunge from the saddle in which "Dakota" gets caught in the stirrup and is dragged by his running horse—quite the most remarkable feat ever recorded on a film. "The Law and the Outlaw" will have its first showing here tomorrow at the Grand.

TAX COMMISSION SEEKS FAIR RATE

Gathering statistics upon land values, so that an average for the entire state may be obtained, C. D. Babcock, of the state tax commission, is in Oregon City for a few days. The purpose of his work, and that of other agents of the commission, is to arrive at a fair basis for assessment of the property of public utility companies. In order to do this figures are being collected upon the cash valuation of property, and the assessed valuation. After these figures have been tabulated, and an average struck, the state tax commission will use this average in assessing railroad

and other property. "All public utilities that do not lie wholly within one county are assessed by the state tax commission," said Mr. Babcock, in explaining his work. "When this assessment is made arbitrarily, attorneys of the companies may offer objections, saying that the state is assessing the property at a higher valuation than are the several counties. We intend to get an exact cash valuation of all such property, and to get an average rate of assessment, and then we will have something to go upon that will minimize complaints before the board of equalization."

CHICAGO, Ill., July 28.—Five more alleged members of Chicago's arson trust were placed on trial today. Three of the five accused men were interested in the ownership of a Milwaukee avenue store which burned three years ago. The other two were public fire insurance adjusters.

LIVESTOCK MARKET ACTIVE AND HIGH

Livestock receipts at Portland for the past week have been: Cattle 1337; calves 280, hogs 950, sheep 3407, horses 65. The cattle market has been one of the most active ones of the year. Monday had one of the largest single day runs, containing considerable good quality of beef. Prime steer top is steady to strong at \$8.00 to \$8.21; cows and heifers \$7.09 at \$7.21, with occasional sales 15c to 20c higher. Outlet is broad and buyers keen for prime stuff. The hog market has run wild for six days, jumping in price from \$9.35 a week ago to \$10.00. Receipts have been unusually light and the trade has been unable to fill orders for pork supply. The \$10.00 price equals that of 1910, which was the highest hog market in the history of the Union Stock Yards. Liquidation will probably be light for the next few weeks or until the annual fall run of pigs commences. Bulk of sales averaged from \$9.50 to \$9.90. Smooth heavy swine are steady to strong. The local mutton market has been slow and unsteady. Very light demand for either sheep or lambs and receipts have been comparatively

small, mostly valley stuff. Top quotations on valley lambs \$5.25 to \$5.50. Best Mt. Adams worth \$5.50 to \$6.00. Ewe tops at \$3.75 and yearlings at \$4.25 are extreme prices.
