

# S. & H. Green Trading Stamps

are given by merchants who wish to show their appreciation in a substantial manner of your patronage and prompt payment.

## It is a Merchandise Discount

by the means of which we are enabled to give you a greater discount than we could were we to give you a cash discount.

The reason for this is that The Sperry & Hutchinson Co's enormous purchasing power enables us through their S. & H. Green Stamps to give you a discount no merchant could afford to give cash. The Sperry & Hutchinson Co. are the **originators** of trading stamps and it is the only company that is **national** in character. It has a paid up capital of \$1,000,000 and is operating in nearly one thousand cities in the United States.

## The Great Advantage in Saving S. & H. Green Stamps

is that stamps can be secured in almost any city from merchants in every line of business, not only that but your **Hamilton Coupons, Soap Wrappers, Tobacco Tags** etc. are convertible into Green Trading Stamps, which means in these cases that you are actually receiving double stamps in the purchase of these goods which carry a premium token. If you do not get S. & H. Green Trading Stamps you are losing an amount equal to the cost of your clothing.

Cut out the coupons and present them to the merchants when making a purchase of 50c or more; it entitles you to ten S. & H. Green Stamps in addition to those you are entitled to by virtue of your purchase.
