**CROWDS TO ATTEND SHOW AT MOLALLA**

Large crowds are planning to leave the city Friday morning for the fair at Molalla and to spend the day in that city looking over the exhibits that have been gathered there from all over the district.  
The progress of Molalla is exemplified by the number of exhibits that will be on display this year and the grounds that they will cover. The officers of the fair association have gathered in displays from a large territory surrounding the city and have also brought in exhibits that show the growth and progress of the town in the last year.  
Molalla is also planning to send a portion of its own fair to the state display at Salem, where it will be well represented in a wide floor space. The exhibit from that district will be one of the features of the Clackamas county show at the state fair.  
If you have stomach or bowel trouble, heart, liver or kidney disease, Hollister's Rocky Mountain Tea will do you more good, in less time, than any other remedy—because it restores natural conditions. At all druggists, 35c. Jones Drug Co.

Walter Jackson, of Molalla, was in the county seat on business Wednesday.

**CHICKEN PRICES ARE BROKEN BY RECEIPTS**

With heavy receipts of supplies, the chicken prices broke yesterday in the markets after they had held firm for a number of days. The shipments that came in were larger than usual and the price dropped over what it had been the day before.  
Eggs, however, held as steady as they were on the last quotations with little change in the appearance of the market conditions. County veal is scarce in the trade although the demand is good and the tone, as a result, firm. Hogs are lower than for several days.  
**Livestock, Meats**  
BEEF—(Live weight)—steers 7 and 8c; cows 6 and 7c; bulls 4 to 6c.  
MUTTON—Sheep 5 to 6 1-2; lambs 6 to 6 1-2c.  
POULTRY—(Buying)—Hens 12 and 13c; old roosters 8c; broilers 15c and 16c.  
PORK—9 1-2c and 10c.  
VEAL—Calves 12c to 15c dressed according to grade.  
**Fruits**  
APPLES—50c and 51c.  
DRIED FRUITS—(Buying)—Prunes on basis 4 for 35 to 40c.  
ONIONS—\$1 per sack.  
POTATOES—75c and \$1.00.  
BUTTER—(Buying)—Ordinary country butter 23c to 25c.  
EGGS—Oregon ranch, case count 25c; Oregon ranch candled 30c.  
Prevailing Oregon City prices are as follows:

Probably no industry will be "ruined," after all.  
Must seem rather dull up in Pendleton this week.  
One thing that royalty as a rule, cannot be accused of is race suicide.  
When you're ailing and don't know just what's the matter with you, the safest thing to take is Hollister's Rocky Mountain Tea, both because it's the greatest all-around systemic regulator, and because it cannot work injury in any case, being purely vegetable. 35 cents, Tea or Tablets. **OREGON CITY A GOOD TOWN**

Oregon City is a mighty good town, worthy of the best of everything. That's why we have joined the American Drug and Press Association and offer to our people the Meritol line of preparations, made by the Association and so'd only through its members. There is nothing like these goods, guaranteed in every way. We want Oregon City people to have the best there is, so we offer you this line. Ask to see Meritol goods. Jones Drug Co. local agents.  
Twenty-five years ago, according to items resurrected from its files by the East Oregonian on September 12, wheat was selling at Pendleton at a high mark of 65 cents, the public school enrollment was 237, and F. R. Mitchell of the East Oregonian force was "constructing a new residence on his lots on lower Alta street."

**GRANDMOTHER USED SAGE TEA TO DARKEN HER FADED OR GRAY HAIR**

**Mixed With Sulphur It Makes Hair Soft, Beautiful. Cures Dandruff**

The use of Sage and Sulphur for restoring faded, gray hair to its natural color dates back to grandmother's time. She kept her hair beautifully darkened, glossy and abundant with a brew of Sage Tea and Sulphur. Whenever her hair fell out or took on that dull, faded or streaked appearance this simple mixture was applied with wonderful effect.  
But the brewing at home is messy and out-of-date. Nowadays skilled chemists do this better than ourselves. By asking at any drug store for the ready-to-use product—called "Wyeth's Sage and Sulphur Hair Remedy"—you will get a large bottle for about

50 cents. Some druggists make their own, which is usually too sticky, so insist upon getting Wyeth's, which can be depended upon to restore natural color and beauty to the hair, and is splendid for dandruff, dry, feverish, itchy scalp and falling hair.  
A well-known downtown druggist says his customers insist on Wyeth's Sage and Sulphur, because, they say, it darkens so naturally and evenly that nobody can tell it has been applied—it's so easy to use, too. You simply dampen a sponge or soft brush and draw it through your hair, taking one strand at a time. Do this at night and by morning the gray hair disappears; after another application or two, it is restored to its natural color and looks glossy, soft and abundant.

**The American Adding Machine**  
The Latest Adder  
Costs But \$35  
See our exhibit—ask for 10 days trial

Here is a new price on a competent Adder. On a machine that is rapid, full-sized and infallible.  
The very latest machine, built by men who know, in one of the largest metal-working shops.  
It is an individual Adder, to be placed on one's desk, close to one's books and papers. To take the place of the central machine requiring skilled operators.  
It is also intended for offices and stores where costly machines are a luxury.  
The price is due to utter simplicity, and to our enormous output. Seven keys do all the work.  
Each copied number is shown up for checking before the addition is made.  
The machine will add, subtract and multiply. With very slight practice anyone can compute a hundred figures a minute. And the machine never makes mistakes.  
Countless offices, large and small, are getting from these machines the highest class of service.

Now we make this offer so that offices everywhere may learn what this machine means to them.  
**Ten Day's Test**  
We will gladly place in any office one American Adder for a ten days' test.  
There will be no obligation, and charges will be prepaid.  
Compare it with any non-listed—even the costliest. Let anyone use it. See if any machine can serve better than this!  
Just send us this coupon and we'll send the machine.

F. W. DANNATT, Manufacturer of CARBON-NIT, 1656 Winfield St., Los Angeles, Cal.  
January 13, 1913.  
Dear Sir: The fact of the base of your CARBON-NIT being a light lubricating oil convinced me that it is absolutely harmless to use in the cylinders of all gasoline engines.  
After successfully running your fluid through my Fiat, I am now in position to recommend CARBON-NIT to all owners of automobiles, motorcycles, motorboats and stationary engines.  
Very truly yours,
