Local Briefs

R. J. Kirkwood was here Friday. New hats arriving daily at Miss Goldsmith's. A fine line of children's hats. Call on Miss Goldsmith. Mrs. Harry Kagey, of Portland, visited friends in Oregon City Friday. Come and see our hats; the latest New York millinery, at Miss Goldsmith's. Miss Mary Slatt, of Tacoma, Wash., is visiting her cousin, Miss Mary Swope. Garland Hollowell, of Gladstone, left Friday morning to attend O. A. C. at Corvallis. Ernest W. Steers, who has traveled all the way from Ketchikan, Alaska, is in the city. Mr. Granell and wife of Portland, passed through here Thursday on their way to Molalla. Nearly all the horses racing at the Gresham fair this week will go the Clackamas fair next week. Harry Smith, of Portland, paddled most of the way to Oregon City from Portland and back Thursday. F. A. Beals, J. M. Harrison and wife, and W. H. Harrison, all of Tillamook, are registered at the Electric. Mr. and Mrs. R. O. Woodward, of Turner, have come to Oregon City to live with their son, R. E. Woodward. Mr. and Mrs. Vernon, of Molalla, have just returned to their home after illness of Mrs. Vernon in a Portland hospital. Miss Mary Swote has taken the place of Miss Adia Butler as night operator at the Pacific Telephone company, while the latter takes her vacation. C. E. Young, a wheat rancher of Prosser, Washington, passed through here Friday on the way to his ranch at Marquam. He has a brother in this city, George H. Young. Roy Eaton, of Canemah, who has been ill with the typhoid, reports that he is as well as ever, except that he has not regained all his strength. He was in Oregon City Friday. If you have stomach or bowel trouble, heart, liver or kidney disease, Hollister's Rocky Mountain Tea will do you more good, in less time, than any other remedy—because it restores natural conditions. At all druggists, 35c. Jones Drug Co. Mr. Edgar Smith and his daughter, Bebe, have been spending their vacation in the country around Oregon City. They are going back to their home town this week "with great regret," says Mr. Smith. William Jackson, of Seattle, passed through the out skirts of this city Friday morning, on a hike from Portland to Medford. This trip is the result of a bet on the part of a couple of Mr. Jackson's friends, regarding the latter's ability to cover the distance in a given time. A large number of persons from Molalla who have been in Oregon City or Portland returned to their home city by stage Thursday and Friday. Among those are Mrs. E. M. McCowen, Hugh Jones, Mr. Marshall, Franz Gasser, Mr. and Mrs. R. Davidson, Martie and Elsie Dart, Mrs. Reed, Mr. McKinster, and Mr. Morris.

A RELIABLE TONIC

Many of the people around here know a good deal about this splendid remedy; to those who do not, we wish to say that Meritol Tonic Digestive is the greatest strength renewer, flesh builder and nerve tonic we have ever seen. For people in poor health, weak run down and played out, those not as strong and vigorous as they should be, we recommend this tonic. Jones Drug Co., sole agents.

NOTICE TO HORSEMEN

We have just bought the horse-shoeing shop at the foot of 6th St., and are now ready to do scientific work. All work the best that can be done. Come once and you will come again. Telephone B 93

GAYNOR'S BODY RESTS IN HIS OWN HOME IN NEW YORK

NEW YORK, Sept. 19.—The body of William J. Gaynor, mayor of New York, who died at sea September 10, lay today in the privacy of his Brooklyn home. In a drizzling rain it was lowered at 4 o'clock this morning from the high deck of the liner Lusitania to the city boat Correction. Through a mist that lay heavy over the harbor the Correction steamed an hour and a half later to Pier A, at the Battery. There a picked squad of 100 police, who had stood all night in the rain, formed its escort to Brooklyn. The funeral ship glided into the harbor and came to anchor at quating at 12:30 o'clock this morning, the American flag at her stern drooping at half mast. A dozen starwail sailors carried the body in its heavy lead casket from the mortuary chapel to the deck. The casket, under which it lay, was removed and only the great American flag placed over the casket at Liverpool, covered it as a windlass lowered it slowly 25 feet down an inclined plank to the deck of the Correction. Abroad the smaller boat the body was taken to a heavily draped cart-trolley in the center of the upper deck on which rested a coffin. The body was placed in the coffin and the lid closed; a wreath and a branch of palms were placed above it. The Correction cast off and weighed anchor a short distance away awaiting the coming of day.

SULZER LOSSES FIRST STEP IN BIG BATTLE BEFORE COURT ALBANY, N. Y., Sept. 19.—Governor Sulzer's lawyers lost their first fight in the high court of Impeachment today when the four senators challenged by the defense were permitted to retain their seats. The vote, which was on the question of whether the court should entertain the challenges, was unanimous against such procedure. The four senators directly concerned, Fawley, Wagner, Ramsperger and Sanner, did not vote. Immediately following the vote of the court, the reading of the long articles of impeachment was begun. Although Presiding Judge Cullen had the right to decide the question of the qualification of the senators for holding their seats, he did not take advantage of this prerogative. He first expressed his opinion that the objections were not well grounded and then permitted the entire court to vote on the issue.

MURDERER OF PRESIDENT IS NOT HELD GUILTY MEXICO CITY, Sept. 19.—The deaths of the late Francisco I. Madero and Vice-President Jose Marie Pino Suarez, were not brought about by a punishable crime, according to a decision pronounced by the military court today. The investigation lasted six months. It was started by the military commandant of the federal district immediately on the conclusion of the 10 days' battle in the streets of Mexico last February which resulted in Provisional President Huerta's coming into power. The result of the commandant's inquiry was forwarded to the permanent military tribunal, which continued the examination of witnesses.

JOY OF EFFORT. The delights of thought, of truth, of work and of well doing will not descend upon us like the dew upon the flower, without effort of our own. Labor, watchfulness, perseverance, self denial, fortitude are the elements out of which this kind of joy is formed.—S. C. Jones.

Nothing that is of real worth can be achieved without courageous working. Man owes his growth chiefly to that active striving of the will, that encounter with difficulty, which we call effort, and it is astonishing to find how often results apparently impracticable are thus made possible.—Samuel Smiles.

If any misanthrope were to put in my presence the question, "Why were we born?" I should reply, "To make an effort."—Dickens.

Time and Tide, What is the difference between time and tide? Time levels everything; tide finds only its own level.

Ordinance No. —

An Ordinance for making an improvement of Seventh Street, Oregon City, Oregon, from Division Street west to its intersection with High Street. Oregon City does ordain as follows:

Section 1. The proposed improvement of Seventh Street, Oregon City, Oregon, from Division Street west to its intersection with High Street shall be made according to the plans and specifications on file in the office of the city recorder and approved by resolution adopted by the City Council on the 20th day of August, 1913, which said plans and specifications are referred to and made a part of this ordinance.

The improvement shall be constructed as follows: Macadam shall be placed up the present road bed, and the road bed shall be surfaced to the full width thereof, with the same to the depth as follows: From Division Street to Taylor Street, six (6) inches. Intersection of Taylor Street, six (6) inches.

Taylor Street to Van Buren including intersection, four (4) inches. Van Buren to J. Q. Adams Street, five (5) inches, intersection of J. Q. Adams Street, two (2) inches. Monroe to Madison Street, including intersection, five (5) inches. Madison to Jefferson Street, including intersection, four (4) inches. Jefferson to John Adams Street, six (6) inches.

John Adams Street to Washington Street including both intersections, five (5) inches. Washington to Center Street, six (6) inches. A sewer shall be placed in Seventh Street beginning at J. Q. Adams Street 16 feet below the surface of the street and on a line 16 feet south of the north line of Seventh Street and shall connect with the property on each side of the street with four (4) inch laterals and shall connect with all catch basins on Seventh Street, with 6-inch laterals from J. Q. Adams Street to John Adams Street, the sewer shall be 18 inches in diameter and from John Adams Street to Center Street 20 inches in diameter and shall be of vitrified terra cotta sewer pipe.

Manholes and lampholes shall be built according to the specifications and shall be located as follows: Three manholes as follows: One manhole shall be placed at the northwest corner of J. Q. Adams and Seventh Street. One at the northwest corner of John Adams and Seventh Street. Lampholes: One at the northwest corner of Monroe and Seventh Street. One at the northwest corner of Jefferson and Seventh Street. One at the northwest corner of Washington and Seventh Street.

Two at intersection of Jackson Street, two on the south side of 7th Street and one on the northeast corner of intersection. Two at J. Q. Adams Street intersection, two on the south side of Seventh Street and one on the northeast corner of intersection. Two at Monroe Street intersection on the north and south side of 7th Street and east of Monroe Street. Three at Madison Street intersection, two on the south side of 7th Street and one at northeast corner of intersection.

One at Jefferson Street at the northeast corner of intersection. Three at John Adams Street intersection, two on the south side of Seventh Street and one at the northeast corner of intersection. Concrete sidewalks and curbs

One at each corner of intersection, of Washington Street. Crosswalks shall be six feet wide, made of concrete and placed as follows: Two at intersection of Taylor Street on north and south side of Seventh Street.

Three at intersection of Polk Street on north and south side of Seventh Street and one crosswalk across 7th Street on the east side of Polk Street. Three at intersection of Harrison Street on north and south side of Seventh Street and one crosswalk across Seventh Street on the east side of Harrison Street.

Three at intersection of Van Buren Street on north and south side of Seventh Street and one west of Van Buren Street. Three at intersection of Jackson Street on north and south side of Seventh Street and one west of Jackson Street.

Three at intersection of J. Q. Adams Street on north and south side of Seventh Street and one west of J. Q. Adams Street. Four at intersection of Monroe Street two across Seventh Street and two across Monroe Street. Four at intersection of Madison Street, two across Seventh Street and two across Madison Street.

Two at intersection of Jefferson Street, one at the east side of Jefferson Street and one at the west side of Jefferson Street. Three at intersection of John Adams Street on north and south side of John Adams Street and one on the west side of John Adams Street.

Four at Washington Street two across Washington Street and two across Seventh Street. Three at Center Street, one on the east side of Center Street and one at the west side of Center Street and one on south side of Seventh Street.

Sidewalks and curbs shall be on both sides of Seventh Street and shall be of concrete and placed as follows: On both sides of Seventh Street from Division Street to Polk Street. From Polk Street to Harrison Street concrete sidewalks and curbs on the south side of Seventh Street and concrete sidewalks and curbs on the east half of the north side of Seventh Street between such streets.

From Harrison Street to Van Buren Street concrete sidewalks and curbs on both sides of Seventh Street. From Van Buren to Jackson Streets concrete sidewalks and curbs on the north side of Seventh Street, on the south side, concrete walk and curb on the westerly half between Van Buren and Jackson Streets.

From Jackson to J. Q. Adams Street, concrete sidewalks and curbs on both sides of Seventh Street except 66 feet on the north side of Seventh Street beginning at Jackson and running westerly therefrom. From J. Q. Adams to Monroe Street, concrete sidewalks and curbs on south side of Seventh Street.

From Madison Street to Jefferson Street concrete sidewalks and curbs on south side of Seventh Street beginning at Madison Street and running to westerly end of lot 1. Jefferson to John Adams Streets concrete sidewalks and curbs on north side of Seventh Street. Center Street to High Street on the south side of Seventh Street and between Center and High Streets, the street shall be brought to sub-grade by excavating the necessary amount of material and shall be finished by the addition of crushed rock according to the specifications sufficient to bring the street to grade, which will be six (6) inches in the depth at the curb and nine (9) inches at the center of the street.

Concrete sidewalks and curbs shall be made according to the plans and specifications approved by this resolution. The curbs shall be set to sub-grade and shall be placed ten feet from the property line. Catch basins shall be constructed according to the plans approved by this resolution and all work shall be done in accordance with such plans and specifications and said plans and specifications are hereby referred to and made a part of this resolution.

Section 2. The improvement shall be classed "Macadam" and shall be maintained by Oregon City for the full period of ten years from the date of the acceptance thereof by the council. Section 3. The City Recorder is hereby authorized to advertise for and receive proposals for said improvement but the city reserves the right to reject any and all bids therefore and the Mayor and Recorder shall enter into a contract or contracts with each person, firm or corporation to whom the contract or contracts are let by the City Council of Oregon City for the improvement or parts thereof as specified in this Ordinance.

Section 4. Each contract shall contain a stipulation to the effect that where the cost of the improvement under the provisions of the contract shall exceed one half the value of the property assessed for the cost of the improvement over the said one-half value of the property assessed for the improvement, that the said excess shall be paid out of the Permanent Street or the General Fund of Oregon City and as to the balance, each person, firm or corporation to whom said contract or contracts are let shall look for payment only to the sum assessed upon the property liable to pay for said improvement and collected and paid into the Treasury of Oregon City for such purpose and they shall not hold Oregon City by any legal process or otherwise liable to pay the said sum out of any other fund.

Section 5. Whereas the condition of the said street is and was dangerous to the health and safety of the public and its immediate improvement is necessary for the immediate preservation of the health and safety of the public in the opinion of the Council of Oregon City an emergency exists; therefore this

Ordinance shall take effect and be in force immediately upon its approval by the Mayor.

Read first time and ordered published at a special meeting of the City Council held on the 19th day of September, 1913. L. STIPP, Recorder.

GRAY HAIR TURNS ITS NATURAL COLOR AFTER APPLYING SAGE TEA

Mixed With Sulphur It Darkens Beautifully and Takes Off Dandruff.

Usually too sticky, so insist upon getting "Wyeth's," which can be depended upon to restore natural color and beauty to the hair and is the best remedy for dandruff, dry, feverish, itchy scalp and to stop falling hair.

Folks like "Wyeth's Sage and Sulphur" because no one can possibly tell that you darkened your hair, as it does so naturally and evenly, says a well-known downtown druggist. You dampen a sponge or soft brush and draw it through your hair, taking one small strand at a time. This requires but a few moments, by morning the gray hair disappears and after another application or two is restored to its natural color and looks even more beautiful and glossy than ever.

HUNTLEY BROS. CO.

The American Adding Machine. The Latest Adder Costs But \$35. See our exhibit-ask for 10 days trial.

Here is a new price on a competent Adder. On a machine that is rapid, full-sized and infallible. The very latest machine, built by men who know, in one of the largest metal-working shops. It is an individual Adder, to be placed on one's desk, close to one's books and papers. To take the place of the central machine requiring skilled operators. It is also intended for offices and stores where costly machines are a luxury. The price is due to utter simplicity, and to our enormous output. Seven keys do all the work. Each copied number is shown up for checking before the addition is made. The machine will add, subtract and multiply. With very slight practice anyone can compute a hundred figures a minute. And the machine never makes mistakes. Countless offices, large and small, are getting from these machines the highest class of service. Manufactured and Guaranteed by AMERICAN CAN COMPANY, CHICAGO. Sold in Oregon City and Clackamas County by Huntley Bros. Company.
