en Remedy," thus avoiding a lot of muss. Some druggists make their own, but it isn't nearly so nice as

While wispy, gray, faded hair is not sinful, we all desire to retain our youthful appearance and attractiveness. By darkening your hair with Wyeth's Sage and Sulphur al- no one can tell, because it does it and so naturally; so evenly. You just dampen a sponge or soft brush and draw it through your hair, taking one small strand at a time. Do this tonight, and by morning all gray hairs have disappeared; after another application or two it will be restored to its natural color, and be Mix- even more glossy, soft and luxuriant cipe than ever.

Local druggists say they are selling lots of "Wyeth's Sage and Sul-phur;" it surely helps folks appear wn years younger. For Sale by Huntley Bros.

## The American Adding Machine

The Latest Adder

for 10 days trial petent Adder. On a machine

that is rapid, full-sized and in-The very latest machine, built men who know, in one of

the largest metal-working shops. It is an individual Adder, to be placed on one's dask, close to one's books and papers. To take the place of the central machine requiring skilled oper-

It is also intended for offic. + and stores where costly machines are a luxury.

The price is due to utter simplicity, and to our enormous output. Seven keys do all the

Fach copied number is shown up for checking before the addition is made.

The machine will add, subtract and multiply. With very slight practice anyone can compute a hundred figures a minute. And the machine never makes mistakes

Countless offices, large and small, are getting from these machines the high-est class of service.

Now we make this offer so that offices everywhere may learn what this machine means

## Ten Day's Test

We will gladly place in any office one American Adder for a ten days' test.

There will be no obligation, and charges will be prepaid.

Compare it with any non-lister-even the costlest. Let anyone use it. See if any machine can serve better than

Just send us this coupon and we'll send the machine.
