

## A Plain Statement of Facts

By L. E. KARO

To the Public: By the order of the U. S. Bankruptcy Court the bankrupt stock of Barde & Levitt was sold to me. The entire stock and fixtures, which is one of the best and finest and most complete in the state, is now placed at the disposal of this community. The assets of this concern are only good for what cash they bring in, that's why I say to you that its the sale of the age. Nothing will be stopped at, everything from top to bottom must be wiped out. Any one contemplating going in business can buy some fine fixtures here very cheap. You will readily understand my position—I have only one object in view and that is to get rid of these assets and what's more it must be done quick. I have other business that needs my immediate attention and must get this off my hands. The wholesale cost or worth or former price is not even looked at its simply a case of getting out the assets for what ever cash they will bring. I trust I have made this clear to you.

Signed L. E. KARO.
