In Good Roads Days "to Pull Missouri Out of the Mud" Bankers and Convicts Labored Side by Side-Estimated That \$1,500,000 Worth of Improvements Were Made on Occasion.

Clad in khaki overalls, Governor Major of Missouri and Governor Hodges of Kansas worked side by side with picks and shovels, assisting in "pulling 000 other men of the state-bankers. day laborers, convicts from the state penitentiary, professional men and clerks-also worked shoulder to shoulder with the same implements, and miles of roads in the 114 counties of Missouri were put in better shape than

they have ever been in before. Hundreds of business men in St. Louis, Kansas City, Joplin and other cities and towns of the state deserted their desks or failed to enjoy an afternoon on the golf links and instead donned overalls and labored on the reads. It is estimated that the value of the work done will be over \$1,500,-000. Moving pictures were taken of the operations in many parts of the state and will be used to encourage

other states to follow suit. The two days' work on the roads is the result of a proclamation issued by ans to get together and improve the state roads. Part of the crowd separated at the city limits, some to work on various roads, while a large number, under the leadership of the governor, Congressman D. W. Shackleford and State Highway Commissioner F. W. Buffum, went across the river to begin the extension of the Ashland road to Jefferson City.

Secretary of State Roach, attired in a full regails of blue overalls, drove a tenm of mules in the Callaway county division and put in a full day's work. H. B. Noel, chairman of the board of pardons and paroles, also drove a mule team during the day. Governor Major did a little of every-

Uric acid in meat excites the kidneys,

they become overworked; get sluggish, ache, and feel like lumps of lead. The

urine becomes cloudy; the bladder is irri-

tated, and you may be obliged to seek re-lief two or three times during the night.

When the kidneys clog you must help them flush off the body's urinous waste or you'll be a real sick person shortly. At first you feel a dull misery in the kid-

ney region, you suffer from backache, sick headache, dizziness, stomach gets sour, tongue coated and you feel rheu-matic twinges when the weather is bad. Eat less meat, drink lots of water;

also get from any pharmacist four ounces of Jad Salts; take a tablespoonful

in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salts is made from the acid of grapes and lemon juice, combined with lithia, and has been used

for generations to clean clogged kidneys and stimulate them to normal activity,

also to neutralize the acids in urine, so

also to neutralize the acids in urine, so it no longer is a source of irritation, thus ending bladder weakness.

Jad Salts is inexpensive, cannot injure; makes a delightful effervescent lithia-water drink which everyone should take now and then to keep the kidneys clean and active. Druggists here say they sell lots of Jad Salts to folks who believe in overcoming kidney trouble while it is only trouble.
