NEW BOUNTY LIST RAISES ALL PRICES

There has been much question as to the amount of bounty on cougars, wolves, and bobcats since the new bounties were adopted in the state. The new law more than doubles the bounty on cougars and wolves and makes considerable increase on the bounty offered for bobcats. The new schedule is as follows:

	Former bounty	New bounty	Total
Cougar\$15	\$10	\$25
Mountain Wolf 2	5	25
Bobcat 1	2	3

W. L. Finley, state game warden explains the new bounties in the following letter: "Relative to the additional bounties on predatory animals, desire to state that we have not prepared any blank forms for making application for additional bounties on predatory animals. In order to obtain the additional bounty, it is necessary for the hunter to obtain from the clerk of the county in which he kills the animals a certificate setting forth the number and kinds of such animals, forwarding the same to this office, when a warrant in accordance therewith will be drawn against the game protection fund in payment of the amount due. These additional bounties, however, are payable only upon animals killed since October first this year."

EVERYBODY AT CHURCH SUNDAY

MINISTERS WANT CITY TO GO EN MASSE TO SERVICES AT VARIOUS PLACES

START CAMPAIGN FOR BIG CROWDS

Special Sermons and Songs Have Been Arranged and Population Is Expected Out in Force At That Time

If the plans of the united ministers of this city are carried out, next Sunday will be "everybody-at-church Sunday" and all the people of Oregon City will be urged to attend the services.

For some time the local pastors have been working on the idea of bringing all the people together in special meetings to be held in all the churches of the city. Next Sunday, November 9, two days before the "dry" election, has been chosen as the date.

Special sermons will be preached, special song services will be held, and every effort will be made to pack the churches with great throngs. Definite announcements have not yet been made concerning the programs in the different churches but it is certain that they will be made as attractive and as interesting as possible, according to the local church workers.

An active and progressive campaign of advertising is being worked out and carried into execution by the pastors. All the church workers, regardless of denominational color, are advertising the special meetings and committees and individuals are making every effort to bring the proposition before the people of the city in such a way that they will flock to the churches in great crowds.

It is the plan to fill the buildings to the doors—to fill every seat and even crowd the aisles. To this end every man, woman and child from every section of the county, or even state for that matter, is invited to attend the services both morning and evening.

The Adelphe Literary Society will give a Halloween program Friday afternoon at the school house.
