M. D. Reynolds, says:—

This is to certify that I have been a great sufferer from Rheumatism since 1894. Contracted the disease while working with a snow plow on the railroad. For several years I have been obliged to use crutches a great part of the time. Having used three boxes of the Meritol Rheumatism powders, I have thrown away the crutches and am now almost fully recovered. It certainly has done wonder for me and I heartily recommend it.

CATTLE MARKET HAS HEAVY WEEK'S RUN

Receipts for the week have been at the Portland stock yards: Cattle 1719, calves 60, hogs 3813, sheep 6531.
An enormous volume of business has been transacted in the cattle market during the last five days, particularly Monday and Tuesday. Receipts totaled a 1913 record for a short period and as they followed an abnormal liquidation the week before, beef output would have been hopelessly closed if prices had been firm. It was a buyer's market mostly, but good steers did not sell under \$7.25. The

bulk of steer transactions averaged \$6.75 to \$7.15. Butcher stock was weak only in spots. Cows and heifers sold sharply lower, but bulls and stags maintained some degree of firmness. A small lot of heifers selling at \$6.75 featured. Bulk of cow stuff brought \$6.00 to \$6.25 with occasional sales in small lots at \$6.35 and \$6.50.
Swine market suffered very little from an advanced liquidation and steady bear pressure. Best light hogs were sold at \$8.25 and \$8.30 right up to the close and demand was steady. The week's receipts have been above the average, both in quantity and quality. Smooth heavy stock brought good prices. Trade does not seem to be oversupplied at present, but November receipts are likely to be heavy.

Sheep house came to life once more the first opportunity it has had in a fortnight. Receipts were not record-breaking, but of fair volume and a good proportion was wethers, lambs and yearlings. Ewe stock was not in choice, but demand is good for this class. Prime yearlings are up a quarter to \$4.75 and wethers at \$4.25 to \$4.50 and Ewes at \$4.00, with one load of extra fancy wethers sold off the cars Friday at \$5.10 and one load on the hill at \$5.00, but they were exceptional, the best seen on this market.

Lamb trade is firmer at \$3.75, although few sales were made, due to shore supply. Generally the lamb and sheep markets are steady to higher.
