### TEAM SHOWS UP WELL OLD SPIRIT IN U. OF O.

Although Defeated Oregon City Deserves Credit

The real efficiency of the Oregon City High school football team was shown Saturday when the local eleven met Vancouver, although they were defeated to the score of 15 to 7.

For almost the entire game the score was 6 to 6, despite the fact that the Vancouver team was ten pounds heavier to the man and that the Oregon City boys played on a strange field. It was not till the last minute of play that the Washington players made the score that won the game. All who say the contest agree that the local team played as they never played before, and that if the weight of the two elevens had been more nearly equal, or if the Oregon City team had worked on the field before, the result would have been different.

Every local player was a star, so it is hard to pick out the players who were the best. If any difference could be found, it would favor Kellogg and Armstrong. McMillan did the grandstand work for the winners.

—Meritol White Liniment is a splendid application for Sore Throat, Cold on the Lungs, Croup and Pains in the Chest. Saturate a piece of flannel cloth with the Liniment and use as a plaster. It is very penetrating and effective. Jones Drug Co., exclusive agents.—Adv.

Bezdek Enthusies for First time Over Football

Bezdek enthusiastic, the newest in football from the campus. "For the first time since I've been here I saw signs of the old Oregon spirit in the team. The old Oregon spirit is here and you can't, you simply can't beat it. For the first time the players came together, always fighting and displaying that good old stuff that will kick any and all of them this year," said the little coach today.

Since practice first began on Kincaid field this year Bezdek has been waiting for the coming of the spirit that enabled him to put out the Oregon team in 1906 that took every other's measure that year. He has said all along that the "stuff" was there but it didn't show. First the men didn't come out till late, he had some sickness to overcome, then injury after injury crippled him and now "to see it come out as it did last night fills me by heart with gladness," said the little mentor.

Good, honest old-fashioned hard work has been the prescription that Doctor Bezdek has handed out to the lemon-yellow squad all season and he has constantly increased the doses. Last night a four-hour workout was prescribed and at the end Bezdek was actually enthused. The Oregon coach is turning a deaf ear to the bear

stories emanating from the Aggie camp and is pursuing the same "even tenor of his way" and working to get his team in shape.

#### OREGON SECOND GETS GAME

EUGENE, Ore., Nov. 1.—The University of Oregon and Oregon Agricultural college second teams played a closely-contested game here yesterday, the former team winning by the score of 7 to 6.

O. A. C. made the first touchdown in the first minute and one-half of play. O. A. C. kicked off and on an exchange of punts the Aggies gained possession of the ball on Oregon's 10-yard line. The ball was moved up to the two-yard line where the Aggies were held for three down. On the last down, Quarterback Wilson carried the ball between guard and center for a touchdown.

#### TEAMS CLASH IN PORTLAND

The double-header played in Portland Saturday on the Multnomah field when Multnomah first played the Fremington sailors and the club's second team met Chemawa results in one victory for the Portland teams and one defeat.

The club's first team defeated the sailors to the score of 12 to 0 in a game that was hot and full of interest from beginning to end. In the other game the Indians laid out Multnomah with a score of six to nothing. There was a large crowd present.

#### SECOND TEAMS PLAY

After the first teams of the two schools has fought for championship on the football field, McLoughlin and Barclay second teams settled the question to the tune of 27 to 0, when the former humbled the public school Saturday afternoon. The teams were both fairly light but showed up well in the game.

#### 93 TO 0 IS FOOTBALL SCORE

Ninty-three to nothing is about the largest score ever piled up in a Clackamas county football game and that record is held by Estacada when they walloped Gresham Saturday. The game was merely a landslide—there was no time during the contest that there was the slightest doubt as to the final outcome.

#### O. A. C. GETS WILLAMETTE

Willamette and O. A. C. football teams met Saturday and the latter came off best with a score of six to nothing. The game was close from start to finish; there never being a time during the contest when there was not hope in the hearts of the Willamette warriors.

#### 'NOTHER TEAM HAS VISION

SALEM, Ore., Nov. 1.—Salem High school when it defeated Albany High school 18 to 7 on Willamette field yesterday afternoon comes one game nearer the state championship and the coveted prize championship, a trip to Salt Lake City for a Thanksgiving game.

#### SCHOOLS MEET

West Linn school and Willamette will mix on the football field Sunday. It will be the first time of the season for both schools.

Washington high of Portland defeated Jefferson to the score of 7 to 0 the latter part of the week.

#### SPORTING BREVITIES

Vardon and Ray, the two English golfers, put another victory to their credit in Victoria the other day when they humbled a couple of Canadians.

Although it was announced several days ago that the proposed trip of the Carlisle Indians was called off, the Seattle Athletic club is in the field for a date and may and with this extra game scheduled, the trip could be made.

Gunboat Smith took another step toward world's heavyweight championship, when he knocked out Charlie Miller, of San Francisco, in New

York. Minnesota and Wisconsin have played a game annually for 23 years. The nearest Wisconsin has ever come to taking a contest is a tie.

### STOP CATARRH!

Unless Properly Treated With Hyomei This Disease May Become Serious

If you have catarrh, indicated by sniffling, stopped up head, droppings in the throat and morning choking, there is an irritated state of the mu-

cus membrane which affords an ideal condition for the growth of disease germs.

Do not allow these dangerous germs to begin the destruction of your health. The easiest, simplest, quickest, surest and cheapest way to check catarrh is by breathing Hyomei. This wonderful medicated air treatment does not upset the stomach, but is breathed in through the Hyomei Inhaler, directly following and surely destroying all disease germs that may have been inhaled—the tissues of the throat, nose and lungs are quickly healed and vitalized.

Money refunded by Huntley Bros. Co. to anyone whom Hyomei fails to benefit. A complete outfit costs but \$1.00.

## Oregon City Homes
