The city council held its regular monthly meeting Monday evening, the most important business to come before the council was to make the tax levy for the city for the coming year. account of the large amount of street improvements that must be made this year it was decided to levy 74 mills, as was levied last year. The ordinance passed its first reading and was ordered published. The council decided that all the cross walks on First street should be of cement and whenever the property owners laid cement walks these walks were to be con nected up with cement cross walks instead of wooden crossing as the city has laid in the past. C and D streets are to be surfaced off and smoothed up and Third Street is to be graded for three blocks so that the property owners can put in cement curbs.

An extention of three weeks was given all property owners who were ordered to lay side walks, as the mill where a large part of the lumber was ordered was burned and a sufficient supply has not been secured to com-

Take a glass of Salts if your Back hurts or Bladder bothers you-Drink more water.

If you must have your meat every day, eat it, but flush your kidneys with salts occasionally, says a noted authority who tells us that meat forms uric said which almost paralyzes the kidneys in their ef-forts to expel it from the blood. They become sluggish and weaken, then you suffer with a dull misery in the kidney region, sharp pains in the back or sick headache, dizziness, your stomach sours, tongue is coated and when the weather tongue is coated and when the weather is bad you have rheumatic twinges. The urine gets cloudy, full of sediment, the channels often get sore and irritated, obliging you to seek relief two or three time during the night.

To neutralize these irritating acids, to cleanse the kidneys and flush off the body's principle waste get four purpose of

Jad Salts from any pharmacy here; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. riding, very durable and lined inside with
a special quality of rubber, which never becomes porous and which closes up small
punctures without allowing air to escape. They weigh
no more than an ordinary tire, the puncture resisting
qualities being given by several layers of thin, specially
prepared fabric on the tread. The regular price of these
tires is \$10.00 per pair, but for advertising purposes we
are making a special factory price to the rider of only
\$8.80 per pair. All orders shipped same day letter is
received. We will ship C.O.D. on approval. You do
not need to pay a cent until you examine and find them strictly as represented.

We will allow a cash discount of 5 per cent (thereby making the price \$4.55 per pair) if
you send Full. CASH with ORDER and enclose this advertisement. You run no risk in
