FOR WOMEN ONLY

This contest, which has just started, is open to any woman who lives in the county. Our friends who live in Estacada, Molalla or Canby are just as welcome to enter the race and win a prize as our Oregon City friends. We have always contended that the women of our community are up-to-the-minute in every respect and "hustlers" in every sense of the word. Ev-ery woman wants a piano in her home and we present an exceptional opportunity to any woman to obtain with a little effort one of these superb instruments. In addition to the piano, the two watches we give are worthy of every consideration. If you hope to own a piano or a gold watch, this is your chance to win the prize you choose, if you are willing to do a little work in return.

HOW TO GET VOTES

Tom Sawyer, was really more interested in little girls, and it was through his interest and affection for my little daughter Helen that we came to know him so well and to share the last months of his life. He used to pretend that only girls were interesting, that boys ought not to exist until they were men. The fact was, he really was interested in any young creature. In one of the books he gave Helen he wrote. "It is better to be a young June beetle than an old bird of paradise."-Marion Schuyler Allen in Strand Magazine.
