GLASS OF SALTS IF YOUR KIDNEYS HURT

Get less meat if you feel Backachy or have Bladder trouble--Salts fine for Kidneys.

Meat forms uric acid which excites and overworks the kidneys in their efforts to filter it from the system. Regular eaters of meat must flush the kidneys occasionally. You must relieve them like you relieve your bowels; removing all the acids, waste and poison, else you feel a dull misery in the kidney region, sharp pains in the back or sick headache, dizziness, your stomach sour, tongue is coated and when the weather is bad you have rheumatic twinges. The urine is cloudy, full of sediment; the channels often get irritated, obliging you to get up two or three times during the night.

To neutralize these irritating acids and flush out the body's urinous waste get about four ounces of Jad Salts from any pharmacy; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine and bladder disorders disappear. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to clean and stimulate sluggish kidneys and stop bladder irritation. Jad Salts is inexpensive; harmless and makes a delightful effervescent lithia-water drink which millions of men and women take now and then, thus avoiding serious kidney and bladder diseases.

Unique Ship Berth. Sydney harbor, in the government dock on Cockatoo Island, possesses a unique ship berth. It is hewn out of solid rock. The formation of the island was originally quite unsuitable for a dockyard, as the rock rose sheer from the water to a height of fifty to seventy feet. This was gradually cut back, first to permit the building of graving docks and later to make room for building slips and shops near water level. The work has been continued until at present two-thirds of the total area of thirty-three acres has been brought to a practically uniform level of about fifteen feet above high tide.

Peking's Temple of Heaven. China's famous Temple of Heaven was formerly visited once a year by the emperor to give an account of his empire and its affairs during the previous twelve months. This was set forth in writing, and the manuscripts were then placed in the furnace and in that way consigned to the emperor in heaven. The Temple of Heaven is one of the most beautiful and interesting sights of picturesque Peking. The walls inclosing the temple, the royal apartments, the altar and the grounds are three miles in circumference, and the white marble structures with their blue and green porcelain tiles have to be seen to be appreciated.

7769-7705 7650 FUR BUTTONS ARE A NOVEL TOUCH ON A SMART SUIT

"Kitten's ear" is the name given one of the new pile fabrics, and well it deserves the name, as it is literally as soft and silky as a kitten's ear. The suppleness and velvety texture of many of these fabrics is really to be marvelled at. A material of this sort needs very little decoration aside from a touch of fur or a bit of color for contrast. In the illustration 7769-7705 is fashioned of "kitten's ear" cloth in one of the new rich shades of red and trimmed with black fox. An odd touch is given the suit by the large fur buttons which close it down the front. The coat has a long waisted effect and a fitted peplum. A four gored skirt slightly draped accompanies the blouse.

To make in size 36 (7769) requires 2 1/2 yards of 42 inch material. 7705 may be made in size 24 with 2 1/2 yards of 42 inch material. The deep peplum is a feature of many of the afternoon gowns of silk. It aids often in bringing out the broad hip lines, now so fashionable. Blue crepe charmeuse was used for 7650. The vest is of figured silk in soft harmonious shades, and the broad sash is of satin. Lace effectively trims sleeves and collar.

This design may be copied in size 36 with 5 yards of 36 inch material. No. 7769--sizes 32 to 44. No. 7705--sizes 22 to 30. No. 7650--sizes 34 to 42. Each pattern 15 cents.

GRANDMOTHER USED SAGE TEA TO DARKEN HER FADED OR GRAY HAIR

Mixed With Sulphur It Makes Hair Soft, Beautiful. Cures Dandruff

The use of Sage and Sulphur for restoring faded, gray hair to its natural color dates back to grandmother's time. She kept her hair beautifully darkened, glossy and abundant with a brew of Sage Tea and Sulphur. Whenever her hair fell out or took on that dull, faded or streaked appearance this simple mixture was applied with wonderful effect. But the brewing at home is messy and out-of-date. Nowadays skilled chemists do this better than ourselves. By asking at any drug store for the ready-to-use product--called "Wyeth's Sage and Sulphur Hair Remedy"--you will get a large bottle for about 50 cents. Some druggists make their own, which is usually too sticky, so insist upon getting Wyeth's, which can be depended upon to restore natural color and beauty to the hair, and is splendid for dandruff, dry, feverish, itchy scalp and falling hair. A well-known downtown druggist says his customers insist on Wyeth's Sage and Sulphur, because, they say, it darkens so naturally and evenly that nobody can tell it has been applied--it's so easy to use, too. You simply dampen a sponge or soft brush and draw it through your hair, taking one strand at a time. Do this at night and by morning the gray hair disappears; after another application or two, it is restored to its natural color and looks glossy, soft and abundant.
