FOR WOMEN ONLY

This contest, which has just started, is open to any woman who lives in the county. Our friends who live in Estacada, Molalla or Canby are just as welcome to enter the race and win a prize as our Oregon City friends. We have always contended that the women of our community are up-tothe-minute in every respect and "hustlers" in every sense of the word. Every woman wants a plano in her home and we present an exceptional opportunity to any woman to obtain with a little effort one of these superb instruments. In addition to the piano, the two watches we give are worthy of every consideration. If you hope to own a piano or a gold watch, this is your chance to win the prize you choose, if you are willing to do a little work in return.

HOW TO GET VOTES

With every cash purchase at the Rexall Store we give vote coupons, equivalent to your purchase. With each 25c purchase we give a 25 vote coupon, with every \$1.00 cash sale a 100 vote coupon, etc. No votes are given on the payment of charge accounts or wholesale orders. If you fail to get your votes with your cash purchase, ask for them-they belong to you. THE ENTERPRISE gives 1000 votes with every new subscription to the Morning Enterprise to be delivered by mail or carrier. See Mr. Mc-Kechnie at the Enterprise office for full particulars regarding this derful offer.

VOTES WILL BE COUNTED

Each Wednesday, and May be handed to or may be mailed to the contst manager at the Rexall Store. The color of votes will be changed each month and all votes of a certain color must be deposited the last Wednesday of the month.

THE AWARDS

Will positively be made May 1st, 1914, to the seven contestants getting the largest number of votes. There are "ifs" or "ands" about this proposition and the awarding of any or all of these prizes is not conditional upon the securing of a "specified" number of Enterprise subscriptions or increase in the business of the Rexall Store. In our attempt to make this contest as attractive as possible we have chosen prizes which are useful as well as beautiful. The first prize plano and watches can be examined at The Rexall Store and everyone is invited to examine these beautiful

DRINK MORE WATER IF KIDNEYS BOTHER

ache or Bladder trouble-Neutralizes acids.

Uric acid in meat excites the kidneys, they become overworked; get sluggish, ache, and feel like lumps of lead. The urine becomes cloudy; the bladder is irritated, and you may be obliged to seek re-lief two or three times during the night. When the kidneys clog you must help them flush off the body's urinous waste or you'll be a real sick person shortly. At first you feel a dull misery in the kidney region, you suffer from backache, sick headache, dizziness, stomach gets sour, tongue coated and you feel rheu-matic twinges when the weather is bad.

Eat less meat, drink lots of water; also get from any pharmacist four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salts is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to clean clogged kidneys and stimulate them to normal activity, also to neutralize the acids in urine, so it no longer is a source of irritation, thus ending bladder weakness.

Jad Salts is inexpensive, cannot injure; makes a delightful effervescent lithia-water drink which everyone should take now and then to keep the kidneys clean and active. Druggists here say they sell lots of Jad Salts to folks who believe in overcoming kidney trouble while it is only trouble.
