MANY HUNTERS SHOT GRESHAM TO HAVE MEET

THE LAST SEASON HAS MANY VICTIMS

In the hunting season just ended there were three serious accidents and a number of minor ones. Two men were killed and one other is hovering between life and death. The three more serious accidents all happened in the southern part of the state and were the result of hunters mistaking their companions for deer. The many other accidents represent every kind of carelessness from "unloaded guns" to stray bullets. George Bingham, of this city, and Elmer Conser, of Jacksonville, were the two hunters who were killed and Albert A. Dixon is the man who lies at the point of death as a result of a trip near Canonville.

FIGHT CALLED OFF

SAN FRANCISCO, Nov. 20.—Strong probability for the Willie Ritchie-Harlem Tommy Murphy 20 round battle, scheduled for the evening of December 10, being called off was seen here today as the result of a new weight demand voiced by Jim Buckley, Murphy's manager. Wiring from New York, Buckley insisted that the weight must be either 133 pounds in the morning or 135 pounds ringside and that unless this poundage was acceptable to Ritchie, Murphy would refuse the bout.

SAGE TEA BEAUTIFULLY DARKENS THE HAIR WHEN FADED AND GRAY

Mixed With Sulphur Makes Hair Soft, Lustrous and Cures Dandruff.

The use of Sage and Sulphur for restoring faded, gray hair to its natural color dates back to grandmother's time. She kept her hair beautifully darkened, glossy and abundant with a brew of Sage Tea and Sulphur. Whenever her hair fell out or took on that dull, faded or streaked appearance this simple mixture was applied with wonderful effect. But brewing at home is messy and out-of-date. Nowadays skilled chemists do this better than ourselves. By asking at any drug store for the ready-to-use product called "Wyeth's Sage and Sulphur Hair Remedy" you will get

a large bottle for about 50 cents. Some druggists make their own, which is usually too sticky, so insist upon getting "Wyeth's," which can be depended upon to restore natural color and beauty to the hair and is splendid for dandruff, dry, feverish, itchy scalp and falling hair. A well-known downtown druggist says his customers insist on Wyeth's Sage and Sulphur, because they say, it darkens so naturally and evenly that nobody can tell it has been applied—it's so easy to use, too. You simply dampen a sponge or soft brush and draw it through your hair, taking one strand at a time. Do this at night and by morning the gray hair disappears; after another application or two, it is restored to its natural color and looks glossy, soft and abundant. For Sale By Huntley Bros.
