# HAIR TURNING GRAY OR FALLING? JUST MIX SAGE TEA AND SULPHUR

It's Grandmother's Rec-, bottle for about 50 cents. Son ipe for Dandruff and Restoring Color to Hair.

Almost everyone knows that dry, feverish, itchy scalp and to Sage Tea and Sulphur, properly stop falling hair.
Folks like "Wyeth's Sage and compounded, brings back the nat-ural color and luster to the hair sibly tell that you darkened your when faded, streaked or gray; hair, as it does it so naturally and also cures dandruff, itching scalp evenly, says a well-known down-

druggists make their own, but it's usually too sticky, so insist upon getting "Wyeth's," which can be depended upon to restore natural color and beauty to the hair, and is the best remedy for dandruff,

and stops falling hair. Years ago the only way to get this mixture was to make it at home, which is I use and troublesome.

Nowadays skilled chemists do this better than ourselves. By asking at any drug store for the ready-to-use product—called "Wyeth's Sage and Sulphur Hair Remedy"—you will get a large evenly, says a well-known downtown druggist. You dampen a sponge or soft brush and draw it through your hair, taking one small strand at a time. This requires but a few moments, by morning the gray hair disappears, and after another application of two is restored to its natural color and looks even more beautiful and glossy than ever. (Adv.)
