RIVERS WINS HIS FIGHT

CROSS DROPPED TO MAT TWICE AND BLOWS ARE FEEBLE

LOS ANGELES, Cal., Nov. 20.—Joe Rivers has regained at least a portion of his former prestige in his home town today by virtue of his decisive defeat of Leach Cross of New York in their Thanksgiving day meeting in the Vernon arena. Rivers won a clean cut victory, taking 16 of the 20 rounds by actually fighting all the way after coming into the ring in as good condition as his supporters could wish.

The Mexican received a few feeble cheers when he entered the arena. He departed with 9000 noisily proclaiming his "come back."

Rivers sent Cross to the mat twice during the mill. In the fourth round the New Yorker was forced to take the count, and again in the twelfth he went down from a right and left to the jaw. Rivers, however, was unable to put his man away, although after the battle he claimed that a thumb sprained in the early rounds prevented him from doing more effective work.

Rallied in Nineteenth. Beaten in almost every round and standing up gamely under terrific punishment, Cross made his final rally in the nineteenth session. He met Rivers as the Mexican came from his corner with a volley of lefts and rights to the head and forced Joe to cover. Back and forth across the ring Cross forced back the astounded Rivers who wrapped his gloves about his head and shook under the hail of blows about his ears. It was Leach's round by a big margin.

Cross had made his last stand in this period, however, and quickly was forced back on the defensive in the last round. River's finish was strong and the bell was a welcome sound to the harried New Yorker. Referee Blake gave the only possible decision when he raised Rivers' arm.

WASHINGTON ON TOP

SEA OF MUD MAKES GAME A HARD ONE TO WIN

SEATTLE, Wash., Nov. 28.—In a heavy rain and a sea of mud, Washington university won her sixth conference title. This marks also the sixth year Washington has been undefeated on the gridiron. The game was full of excitement from start to finish and the score was 20 to 0.

In the first quarter, Washington scored six points. These points were made by Quarterback Smith, who lifted two field goals from beyond the 30 yard line. The other scores were made by Miller, left halfback, and Shiel, fullback. In each Smith kicked goal. Twice did Smith miss field goals by bare inches. In one case the ball hit the goal post and, in another it fell short.

Two long runs, one for 35 yards and one for 48 yards, both by Smith, were the only spectacular runs of the day. The W. S. C. team put up a hard fight throughout the game, and in the last five minutes of the first quarter came near scoring. The W. S. C. team started forward passing, and when the whistle blew for the end of the game, the ball was on Washington's 15-yard line.

For Washington state, Harter, center, played the best game. He was in every play. For Washington Smith was the shining star, and will have to be recognized when it comes to picking an all-northwest quarter. Miller and Jacquot were not far behind him and came in for a good share of praise.

This was the last game for three of Doles stars. Presley, center for four years, graduates in June as do Captain Anderson and Sutton, all northwest ends for the last three years.

Favorite Books Of Tots Sought For City Library

There are some liberal people who are giving half a dozen books or so for the "Book Day" for the benefit of the public library; but no one's contribution will mean more than a certain very small person's worn copies of "Little Black Sambo" and "Peter Rabbit," and if the children who read the books at the library derive the same amount of satisfaction that the very small person does in the giving, "Book Day" will be well worth the trouble.

In order to give those who are interested in the library, but who do not know just what volumes would be acceptable, some idea of the books needed, the librarian, Miss Price, has been asked to suggest some titles. This list will be given out in connection with the Congressional Brotherhood social to be held on "Book Day," and may remind others of books which can be spared from the home shelves. M. D. Reynolds, says:— This is to certify that I have been a great sufferer from Rheumatism since 1894. Contracted the disease while working with a snow plow on the railroad. For several years I have been obliged to use crutches a great part of the time. Having used three boxes of the Meritol Rheumatism powders, I have thrown away the crutches and am now almost fully recovered. It certainly has done wonders for me and I heartily recommend it.
