Local Briefs

The Enterprise wants to increase and better the news run in the local column, and to do this asks all its friends to telephone or send to the office any event, little or big. The only request is that all news be turned in by 8:30 p. m., in order to insure printing the next morning. If you or a friend make a trip out of town, if you know of a local visitor, or if anything unusual happens in your neighborhood, the Enterprise would consider it a great favor to be told of it. Phone M-2 and B-10.

Makes Hair That is Dull, Faded or Thin, Abundant and Gloriously Radiant

Every girl and woman, too, wants to be beautiful and attractive—it's her birthright—but unsightly, or thin and characterless hair destroys half the beauty of the most attractive face. If your hair is not fascinating, is thinning out, full of dandruff, dry or itchy, itching and burns, begin at once the use of Parisian Sage. It will double the beauty of the hair, cool and invigorate the scalp and the first application removes the dandruff. It is the hair tonic par excellence, containing the proper elements to supply hair needs and makes the hair soft, wavy, lustrous and abundant. Parisian Sage as sold by Huntley Bros. Co. in 50 cent bottles is pleasant and refreshing, daintily perfumed—neither greasy or sticky.

WILLAMETTE Merritt Willson, Agent

The basket social given by the Willamette Fire department Tuesday, December 2, at the fire hall was a decided success. A fine program was rendered. Songs were rendered and several piano selections were given by the girls. A song was sung by Harry Tuor and Lloyd Junken which was especially interesting and amusing on account of their age. Recitations and readings were delivered which amused and interested the audience. William Snidow acted again as auctioneer for the sale of the baskets. The baskets were divided into three classes, one for the little children, one for the children in the higher grades of school and another for the young people. The three judges for the pickout out of the prettiest basket were: Miss Baker, Mrs. Capen and Mrs. Leisman. The prizes were one dollar for the first class, seventy-five cents for the second class and fifty cents for the third class. The prizes were awarded as follows: Miss Hilda Kaiser, first prize; Mrs. Linquist Johnson, second, and Miss Blanche Junken, third. The total clear proceeds were about fifty-five dollars. Ewart Leisman paid the highest price for a basket, it being twenty dollars, half of this was refunded by the fire department. The next entertainment will be given in the fire hall as soon as it is completed. It will probably be a dance. Walter Larson was slightly ill at his home in Willamette Wednesday. Rev. Smith was in Willamette on business Wednesday afternoon.

A FLOUNCED FROCK TO DANCE IN

Instead of more elaborate details the simpler afternoon frocks depend for effect upon a graceful shoulder, an attractive girdle or a bit of drapery. Several such features are brought out in 7897, together with an effective narrow panel down front and back which serves to catch up and hold the drapery in place. One of the new velours, a velvet, moire or poplin could be used with this design most appropriately. Mahogany crepon relieved by a wide girde of Roman striped ribbon is shown in the illustration. To copy this dress in size 36 it requires 4 1/2 yards of charmeuse and 3/4 of a yard of silk for the girde. Now that dancing is so popular one needs several of the simpler dancing dresses. These are mostly fashioned of the sheerer materials, chiffon, net and lace. Lace is especially modish this season, being used for flounces, bodices and trimming purposes in general. This model shows a three tiered skirt of lace flouncing over a foundation of delicate green liberty silk. Each flounce is caught up slightly and held with a tiny bow. No. 7897—sizes 34 to 44. No. 7886—sizes 14, 16, 17 and 18. Each pattern 15 cents.
