Has Benefited Thousands of Catarrh Sufferers-Will Do the Same for You or Money Back

The Hyomei treatment that has effectively benefited many thousands of sufferers from catarrh, bronchitis, husky voice and colds in the head is easy and pleasant to use. Just pour a few drops in the inhaler and breathe it in-no stomach dosing. The healing, soothing and antiseptic air will reach every nook and crevice of the mucous membrane of the nose and throat; will surely stop crusts in the nose, raising of mucus, hawking and that choked up feeling. It will quickly allay the inflammation and banish the disease or money refunded by

Huntley Bros. Co. A complete Hyomei outfit, including inhaler and bottle of liquid, costs only \$1.00 and an extra bottle of liquid, if afterwards needed is but 50 cents.

The Bithiah class of the Methodist signed to show that the world we live in is a man's world, and that the same Episcopal church will meet with Mrs. code of moral ethics that governs the man does not apply with equal fairness to the woman. And the author, Rachel Crothers has had the courage to bring the play to a logical conclusion, after creating a new sort of wo-man-one who believes in fairness to both sexes and the strength of will to back up her convictions when she discovers the man she loves is coming to her with just the secret in his past that he has recently shown her he would not stand for in herself. "A Man's World" is the story of Frank Ware, a young woman novelist, who while in Paris takes in a poor girl about to become a mother, cares for her and after her death adopts child and brings it to America with her. Here she surrounds herself with some tried and true friends being on open terms of comradeship with both sexes. But she never explains the secret of the boy's birth and later scandal accuses her of being the mother herself. This reaches the ears of the man she loves, and becomes so persistent that he goes to her for an open explanation that he might kill the gossip and protect her. Frank renations are not dependent on altitude. lates the story but as she is doing so the truth dawns upon her that he is the father and she mentions the name of it's mother purposely. He is petrified with astonishment but reluctantly acknowledges the relationship and seeks to justify himself in the case. But Frank takes a different view of it chief, is from Ohio.
