## HOT TIME PROMISED GUERNSEY MAKES HIT

PORTLAND WOULD START AT SEATTLE

PORTLAND, Ore., Dec. 19.—That there will be a lively time when the Northwestern league managers gather here next Monday for their annual schedule meeting is promised.

President McCredie of the Portland Colts, wants the opening date at Seattle, and is going to present arguments to show why he should get it. A system used in the Coast league for the selection of opening dates was proposed at the meeting last year by President McCredie, but was turned down. This will be brought up again.

According to the idea of the Portland manager, the opening games should be played at Tacoma, Spokane and Seattle. The other three clubs are in Portland, Vancouver and Victoria, the two latter cities being in Canada, where they play no Sunday ball.

This would give each of these clubs a choice of where they will open, allowing them first, second and third selection in order for a period of three years, when it would revert to the first club again.

### AFTER NEW LEAGUE

SEATTLE, Dec. 19.—An effort to organize a new league to fill vacant dates at the Seattle baseball park will be made if Seattle is not given 17 weeks of games at home at the scheduled meeting of the Northwestern league in Portland next Monday, President D. E. Dugdale, of the Seattle club announced last night.

### WASHINGTON AND O. A. C. TO MEET OCTOBER 31

SEATTLE, Dec. 19.—A game with the Oregon Agricultural college at Albany, Ore., October 31, was assured by the University of Washington football team at a meeting of the board of control of student affairs last night when a telegram was received from Dr. Stewart, coach of the Oregon team, offering Washington that date.

### SPORTING BREVITIES

Hogan, Downs, Hughes and Clarke, the Seal players, are still hunting near the Southern Oregon line. Mundorff and Sepulveda, the other two members of the gang, are in San Francisco for the holidays, but expect to return to camp.

The home of Frank Brady, property man of the Detroit baseball team, was robbed a few days ago and a large quantity of baseball goods was stolen. A glove which George Mullin wore when he pitched his famous no-run, no-hit game was among the articles.

Morgan G. Buckeye, ex-governor of Connecticut, ex-United States senator and the first president of the National league, says that baseball hasn't improved a bit since the days when he was connected with the game. Well, so far as the National league is concerned he may be right, but how about the American league's playing?

Leslie Mann, former Seattle player and last year with the Boston Braves, has been made captain of the Springfield Y. M. C. A. basketball team. Gilmour Dobie was offered the position as coach of the University of Washington basketball team, but refused to accept on the grounds that the Western conference teams resort to rough tactics in basketball games.

### Made It Quite Plain.

"Thank you," said small Bobby, who had been given a piece of bread and butter by the lady next door.

"That's right, Bobby," said the lady. "I like to hear little boys say 'Thank you.'"

"Mamma told me to say it if you gave me anything to eat, even if it was only bread and butter," rejoined the youngster. "But if you want to hear me say it again you'll have to come across with a piece of pie."—Chicago News.

## HALFBACK SHOWS ALL AMERICAN FORM

Guernsey of Yale has won a high niche in the football hall of fame this year. He showed distinct all American class in several games.

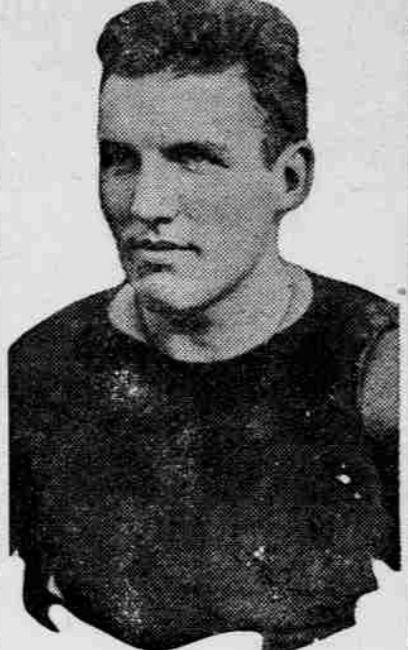

Photo by American Press Association. GUERNSEY.

He is a dependable ground garner at either fullback or halfback and in the game against Princeton electrified the gathered crowds by kicking a spectacular goal from the field.

### COBB WILL STICK.

No Truth in Report That He Will Leave Detroit.

Ty Cobb is loyal to the Tigers. This announcement was made by President Navin of the Detroit club.

A letter from Cobb to Navin reads in part: "I am entirely satisfied with conditions, and I want to end my playing days in Detroit. The fans have treated me fine, and I want to be loyal to my club."

"The understanding we reached pleased me immensely, and I will surely give my heart to playing with Detroit next year. I certainly do not want to change."

President Navin said "the understanding" referred to concerned Cobb's salary of 1914. Mr. Navin intimated the Georgian would receive the largest salary ever paid to a player in the history of baseball.

Herzog and the Outlaws.

A report from Baltimore says that Herzog has decided to abandon the Giants and accept the management of a club in the outlaw Federal league.

Herzog, according to the rumor, is disgruntled over the news that Manager McGraw may trade him to the St. Louis club.

Send for **The Cook's Book** By Mrs. Janet McKenzie Hill

**It's FREE**

Our instructions to the famous editor of the Boston Cooking School Magazine were: "Get up a book of recipes of the things people like best. Find the best way to make and bake each one. Then write it out so plainly that even an inexperienced housewife can't have a failure."

"The Cook's Book" was the result. Some of the 90 recipes were originated, many of them were improved upon, and all were personally tested by this best known authority on cooking in America, and she tells so clearly how she made everything that one cannot go astray.

While some of the cakes and pastry are elaborate enough for any occasion, the recipes are all thoroughly practical and call for no expensive and unusual ingredients. In addition to telling how to make them, the book is beautifully illustrated in colors showing how to arrange and serve the dishes appetizingly.

More than half a million of "The Cook's Book" are now in use in American households. Yet the demand is constantly increasing. Many send for two or three at a time to give to friends or young housekeepers. Don't depend on borrowing one from a neighbor—have one of your own.

**How to Get "The Cook's Book"**

In every 25c can of K.C. Baking Powder is packed a colored certificate. Send us one
