GREAT STOCK-REDUCING SALE

THE REAL SALE

THE word "Sale" has been the most abused word in the English language of late. It is not consistent with legitimate merchandising to sacrifice merchandise in the heart of the season. You might be offered a bait on some small article, but the profit necessary to operate will be hung on the merchandise somehow.

It has always been our policy to have our regular Clean-up Sale twice a year at the end of each season's business, and our many patrons have always been prompt in taking advantage of the GENUINE BARGAINS we were offering.

Due to weather conditions we are left heavily overstocked, and we are going to offer, with the exception of a few contract articles, Reductions from 25 to 40% on Our Entire High Class Stock

Our stock is large, selections are good and our guarantee of 19 years standing is behind every article purchased. So now is your chance to take advantage of a REAL SALE.
