ENDS IN THREE DAYS

Chautauqua Assembly Closes Sunday Night.

Congressman Champ Clark Will Lecture Tomorrow Afternoon --Grand Display Fireworks.

The assembly of the Willamette Valley Chautauqua Association ends next Sunday evening. Big crowds have been present all through the session, which has been very successful in every particular. Last Thursday evening and Friday afternoon Robert J. Burdette, popularly known as "Bob" Burdette, lectured to large audiences. His lecture "Rainbow Chaisers" on Friday afternoon completely captivated the audience. Miss Margaret Longacre, of Sycamore, Ill., gave a number of impersonations and musical selections Friday evening, and the program for that evening closed by gymnastic exercises by the Portland Y. M. C. A. Saturday night the oratorio, "The Holy City," was given under the direction of Mrs. Walter Reed, assisted by a chorus of 65 voices. The auditorium was packed. Dr. M. A. Mathews, of Seattle, delivered two sermons Sunday morning and evening, and the Chemawa Indian Band gave a sacred concert. Sunday school was held in the morning.

Monday afternoon, Dr. Edgar P. Hill pastor of the First Presbyterian Church, of Portland, presided over a program prepared by the "Oregon Prisoners' Aid Society." Addresses were made by Governor George E. Chamberlain, Dr. Hill and Chaplain E. W. St. Pierre, of the Oregon State Penitentiary. Rabbi Stephen S. Wise gave a stirring lecture on "Superstitions" Monday evening and he was preceded by musical selections and readings by Miss Longacre, accompanied by Miss Helen Calbreath, of Salem.

On Tuesday afternoon Mrs. Robert J. Burdette, wife of the famous humorist, gave a lecture on the "Care of the Junior Citizen." Mrs. Burdette is first vice-president of the National Federation of Women's Clubs. In the evening, a musical program, consisting of solos, duets, quartets, double quartets, and a song cycle, was rendered under the direction of Mrs. Walter Reed.

Yesterday afternoon "Bob" Burdette lectured on "Good Medicine" and in the evening there was exhibited a number of Greek postings, expression groups, dramatic readings and musical numbers, under the direction and management of Mrs. Harriet Colburn Sanderson, of the Sanderson School of Expression, of Seattle, Wash.

This afternoon Dr. Wise lectures on the "The Simple Life" and to night Mr. Karl Germaine, magician, will give the first of his exhibitions.

The baseball tournament has excited great interest during the session. People have gathered about the diamond and have cheered their respective champions to the echo. Chemawa has played three games and lost one, Sunnyside has lost both of the two games played, Schillers have played two and won two, Oregon City has won two out of three games, and Vancouver has played two and won two. Indications point to Schillers winning out. The game today is between Oregon City and Vancouver and tomorrow's game will be between Schillers and Sunnyside woodmen.

The classes are held every morning from 8 to 11, and from 11 to 12 is the Portland Ministerial Association hour. A minister of one of the churches leads each day. The program for the three remaining days of the session follows:

OREGON CITY WON.

St. Paul Team Was Outclassed and Lost Game By Score of 17 to 4.

The home team had things its own way at Canemah Park grounds Sunday afternoon, and won the baseball game from St. Paul by a score of 17 to 4. Costello, of the St. Paul team, was batted out of the box. The features of the game were the batting of Enon Calif and the home run of Charles Giles. Letto was in the box for Oregon City and got three out of five strike outs. Costello, Chouquette and Hagin was the battery for St. Paul and the battery for the home team was Letto and Kreitz.

The excursion from Dayton and way points brought about 200 people and fully 400 spectators saw the game, which was umpired by Ed. Fields. The teams lined up this way:

Oregon City	St. Paul

SEEKS A DIVORCE.

Mrs. Herman Grimm, of Macksburg, Wants a Separation.

Mrs. Sophia Grimm, of Macksburg, has sued in the circuit Court, for a divorce from her husband, Hermann Grimm, a well known and wealthy farmer of this county. Mr. and Mrs. Grimm were married in 1870 and have ever since then resided together as husband and wife. Grimm is the owner of considerable property, valued at probably \$20,000.

Mrs. Grimm alleges in the divorce complaint that Grimm became angered because she overpaid 10 cents for a sack of flour at a time when she was trading, and that her husband called her down hard, fracturing her nose, and saying unkind and abusive things to and of her.

Mrs. Grimm also asks for the custody of two minor children, aged 18 and 15 years, respectively.

Got the Wrong Men.

Night Watchman Ed Shaw arrested two men Wednesday night on suspicion of being connected with the robbery of the Sellwood car Tuesday night. Their names were G. R. Raines, of Butte, Mont., and F. H. Perkins, of Yellowstone National Park. They had \$20 in money. One of them possessed an Iver & Johnson revolver and each of them had number of cartridges. The Portland police were notified and Detective Snow came up Saturday afternoon, accompanied by the conductor of the car that was held up and one of the passengers that was robbed. They failed to identify the men. One of the men had a permit from the Montana authorities giving him permission to carry a revolver, and the other had cards indicating that he was a barber. The men told a straight story and they were released Saturday afternoon.

Walker is Acquitted.

The case of the State vs. John H. Walker, charged with assault on I. LeMahieu, was heard in the Justice Court Thursday. Judge Stipp declared the defendant not guilty after the evidence was submitted. The evidence showed that LeMahieu had invaded the premises of the Willamette Pulp & Paper Company and had been ordered off by Mr. Walker. He refused to go and was forcibly compelled to make himself scarce. The court held that Walker had a right to eject LeMahieu from the mill, and there was no evidence to show that the complaining witness was struck by the defendant.

Freak Galf.

In the window of a local drug store is a freak calf. The animal is dead and has been stuffed. It is owned by C. B. Clement of Portland, who represents an insurance company. Mr. Clement saw the calf at Seal Rock and purchased it to exhibit. The calf has the appearance of seal, with its legs doubled up like flippers. It lived two hours after birth. It is known that cows are susceptible to the eye influence, and Druggists Jones says that probably the mother of the calf was in the habit of gazing at the seals and sea lions that abound in the waters of Yaquina Bay.

Mrs. McAdam Has Applied.

Mrs. L. W. McAdam has applied for the vacant principalship of the Eastham Public School and it is understood that she is likely to be elected. She lives at present with her husband, Prof. McAdam, in Texas. Several years ago she was principal of the Eastham school while Prof. McAdam was superintendent of the Oregon City Schools. Her work was very satisfactory and her election is probable at the next meeting of the board of directors.

Sale of Walker Bros. Sawmill.

Walker Bros. sawmill, at Viola has been sold to a Mr. Hines, of Eau Claire, Wis., for \$5000. He will take possession September 1. The mill has a capacity of 20,000 feet of lumber daily. The deal was negotiated by C. N. Plowman & Co. of this city. Walker Bros. saw mill is one of the leading mills in Clackamas county and its transfer is a matter of considerable interest to the people of Viola and vicinity.

Water Main Split.

One of the joints of the water main in front of the Bank of Oregon City split last Tuesday, fortunately after the woolen mill fire had been placed under control. The main is directly under the street car track, and Wednesday morning the track was torn up to permit the new joint to be placed in the main. The water was shut off down town while the main was being repaired.

BAND IS UNPAID

MILWAUKIE MUSICIANS HAVE A GRIEVANCE AGAINST US.

Manager Wetzler is Trying to Collect \$55 Due His Band But Funds in Treasurer's Are Insufficient.

J. E. Wetzler, manager of the Milwaukee band, does not feel very kindly disposed toward the committees in charge of the recent Fourth of July celebration in this city. He contracted to furnish music on the Fourth and was to receive \$55. No part of this sum has been paid. Mr. Wetzler has been in the city several times since the Fourth trying to collect the amount due his band, but so far has failed. In the hands of Treasurer Fairclough is \$50, leaving a deficit of \$20.

The subscription list are not to be found and A. S. Dresser, who was chairman of the musical committee and who was authorized to engage the music at the stipulated price is greatly perturbed over the failure of the finance committee to collect and to place in the hands of the treasurer an amount sufficient to pay the debts of the celebration.

No one seems to know if the orator of the day, Hon. B. L. Eddy, was paid \$20, which amount was alloted for his expenses. In short the celebration was not conducted on a business basis. It is stated that there was enough money subscribed to defray the expenses of the celebration, but it is not known if the whole amount subscribed was collected. In any event it was not turned over to Mr. Fairclough. Mr. Wetzler says that he has paid some of the band boys out of his own pocket to keep them quiet. He wants the money that he is justly entitled to and should have it. But just how he is going to get it is up to the Fourth of July committee.

Sewer Assessment Delinquent.

The sewer assessment for sewer district number three became delinquent Friday. Those who have not paid their assessments in cash or who have not made application for payment under the Bancroft Act, will be liable to action by the city authorities and proceedings will in due time be commenced against them for the sale of their property to pay the assessment. City Recorder Curry is hard at work copying the applications in a book designated for that purpose. When this is completed the council will pass a resolution instructing the finance committee to advertise for bonds covering the amount of the applications.

Local Office Not Affected.

The news conveyed through the Washington dispatches that the Secretary of the Interior has issued an order strictly prohibiting land office clerks to devote time before and after office hours to transcribing records, copying plats, etc., for outside parties, and drawing personal remuneration for such service, does not have any effect on the local office. None of the clerks in the Oregon City office have ever done any outside work for attorneys or others and have been content with the salary that they draw from the government.

Entertained at Luncheon.

Miss Rita Rakestraw, of Portland, and Miss Ella Rineman, of Salem, were entertained at luncheon Saturday at the home of the Misses Caulfield. The parlors and dining room were tastefully decorated for the occasion and a dainty menu was served. Those present were: Miss Rita Rakestraw, Miss Ella Rineman, Miss Helen Calbreath, Miss Zilpha Galloway, Miss Martha Francis Draper, Miss Albright, Miss Canfield, Miss Laura Pope, Miss Ethel Caulfield, Miss Pratt.

Dr. Sommer Will Return Soon

Dr. Ernst Sommer, who left Oregon City several months ago for the East will return in about ten days. Mrs. Sommer has spent the greater portion of her trip visiting relatives while Dr. Sommer has devoted his time to study in the hospitals of Baltimore and New York City.

Falls City Lodge, Ancient Order United Workmen, installed the following officers last Saturday night: Livy Stipp, past master workman; C. Schuebel, master workman; R. Kimmell, overseer; Joseph Beaulieu, foreman; H. J. Harding recorder; C. H. Dye, receiver; C. O. T. Williams, financier; Horace Williams guide; Sam Roake, inside watch; J. C. Edmunds, outside watch.

The Landlord is Going to Raise Your Rent

He has been wanting to for a long time and now that the Fair is coming he has a good excuse for doing so and he is going to do it.

YOU DON'T NEED TO PAY IT.

Nineteen cents a day will pay for a \$1000 home. Thirty-eight cents a day will pay for a \$2000 home.

JOIN THE FRATERNAL ORDER. You buy any home or farm you want. You pick it out your self. We will pay for it. No interest. You simply pay \$1000 for a \$1000 home. Could anything be easier? You are paying more than that now for rent. What is the use of helping the rich get richer. Did you ever see a millionaire who made his money by days labor. You never did nor you never will. You must invest your money in order to make anything. You must combine and co-operate with others if you are to make money without the hardest kind of knocks. The laboring classes are getting in worse condition every day. Now this is a call from laboring men to laboring men to combine. Don't be a mugwump. Don't be superstitious. It is by the use of their brains that capital succeeds in holding you where you are. With the little money that most of us have we can do nothing. In order to fight capital with their own weapons WE MUST COMBINE. J. Peirpont Morgan has some fine ideas. We can put them in practice as well as he can. Don't put it off. Act immediately. Every rent payer, or man who wants to better his condition; every man who pays interest must be enrolled in our Fraternal Order by the last of this month. If you have to wait when you come up to be enrolled that is all right. It will pay you to do it. If you cannot come in fill out the following application and mail it to us.

ORDER OF FRATERNAL HOME BUYERS,

Portland, Oregon.

GENTLEMEN:—

I wish to become a member of your order and secure a home on your plan provided I find nothing objectionable in the plan on reading over your literature. Please hold the lowest number open on your books for me and send me further particulars Very sincerely yours,

This will suffice to hold the matter open for you until you can come in person or until we can write you further particulars of our plan. It does not obligate you to anything. The only thing the application does is to hold the lowest number open for you until you can investigate. You are sure to become a member as soon as you understand, and it will pay you to send in the application if you cannot come immediately as we cannot place everyone in their homes at once and our motto is "first come, first served". Our offices are open until 6:30 P. M. each evening to accommodate those who cannot come to be enrolled during the day. Remember this is an organization of laboring men for laboring men and if you become one of us you have a voice in the transaction of the business. Our object is to stop your rent bill, lift your mortgage or to offer you an investment that will net you more than your labor will earn you.

Let us repeat, don't be superstitious. It costs nothing to investigate and if you cannot come immediately send in the application and this announcement is your authority to reclaim the same if you do not find everything satisfactory.
