One of the main guys in the tenderloin contingent of the Sunday excursion was a big fellow with a big mouth and a big red nose. He led the push up to the front of "Our House." Then he hammered furiously on the doors and began singing a popular song, the opening lines of which are: "Open that door and let me in; I'm standing here freezing-wet to the skin." The proceeding was highly edifying to his associates.

Call and investigate that "Red Box" propositisu at Nolan & Callahan's; There is money in it.

Exceeds even our best of former seasons. Each suit has an individuality distinctly its own, equaled only by the tailor's sort and at about half his price. In CUT and MAKE, as well as FIT, we have no rivals, while patterns are the peer of any. The rapid selling of the past week convinces us that our stock must be right. Our Prices are Always right. May we not have the pleasure of a call from you this week? It may prove to our mutual advantage.
